Devoted to the Interests of Southern Wasco County

VOL. 7, NO 33

MAUPIN SOUTHERN WASCO COUNTY, OREGON, THURSDAY, MAY 26, 1921

THE YEAR \$1.50

Mrs. R. Johnson returned Monday from Portland where she attended the annual conference of the Free Methodist church. Mrs. James Cook had charge of the work in Mrs. J's absence.

About 50 couple attended the dance. High school pupils furnished part of the music. M. B. Zumwalt was in Maupin last week from Portland. He is with the shearing crew again this year.

Between three and four hundred people ate dinner at the fish feed Saturday; 150 trout and 97 pounds of salmon were consumed. Wood for sale—\$5.50 per cord. Phone 16F883.

## School Notes

The Baccalaureate exercises were well attended. The Sermon by Rev. Matthews of Simnasho was very appropriate to the occasion and was well enjoyed by all present. The music was excellent. The graduates appreciate the interest their friends take in them, and wish to thank all those that contributed to the affair in any way.

Last Friday afternoon the Grammar grade room held a picnic at Donaldsons Hall. They report a very enjoyable affair. Miss Vera Tunison was the hostess. Mrs. Miller and Miss Page chaperoned the frolicking youngsters.

Wednesday evening the Primary Room held their picnic up Bakeoven canyon. They report a very pleasant time, although the weather man tried his best to scare them with a shower. Several of the mothers with Miss Melva Page acted as chaperones for the party.

Friday, May 27 at 8 p. m. will be held the last exercises of the school year. Our eighth grade candidates passed their examinations 100 per cent strong and are feeling the exhilarating joy of true success. The seniors are almost as joyous but more sedate owing to the sobering influences of a few more years. Come out everyone Friday night and hear and see them in their new role of graduates. A good speaker from the University will be present and give an inspiring talk. There will also be a number of delightful musical numbers. There will be no encores permitted. Flower girls and pages have been arranged for to take care of the thoughtfulness of admiring friends. We wish all a merry evening. Please bring your programs with you as no numbers will be announced from the platform.

And thus come the closing scenes of what we trust has been a pleasant and profitable school year. We wish to thank once more, pupils, teachers, patrons, directors and other officials and many warm friends for their earnest and hearty cooperation in contributing so generously to this very successful year. We may all enjoy our vacation with a sense of well merited repose and return next September with a zest for greater tasks and grander successes.

A. M. Winn, Principal.  
A later telegram informs us that Dr. Kilpatrick will not be able to with us, but that Miss Mozelle Hair, secretary to the Extension Division of the University of Oregon will be present and talk upon the topic, "The New Day". Miss Hair is well qualified to give us a brilliant, entertaining and instructive talk.

## Base Ball

Last Saturday and Sunday the local baseball artists won easy games on the Maupin diamond from the Warm Springs delegation, with respective scores of 3 to 0 and 10 to 2. The Red men were particularly afflicted both days with "fumbling" the ball and displayed poorly the fleetness of foot for which the Indian is proverbially noted, but accepted defeat like true sportsmen. When in Sunday's game the visitors made their 2 scores in the seventh inning, they were loudly applauded. An agreeable feature in the games of both days, due to just consideration
