

Who, What and Where is the

"Citizen's Welfare League of Wasco County"

OUR INFORMATION is that it is sponsored by **PORTLAND CAPITALIST** MARK A. MAYER a

A search of the registration lists of Wasco County fails to show Mark A. Mayer as a registered voter, but he is registered in Multnomah County, a capitalist with residence at the Benson Hotel.

Why was this information --- supposedly so vital to the Wasco County voters, taken to Hood River to be printed and then brought to The Dalles for mailing?

Mark A. Mayer did, however, on April 21st last, make a proposition that if the County Court of Wasco County would give Mosier half of the Market Road Appropriation for 1922 and 1923 he would promise to deliver 80 per cent of the Mosier vote FOR the Bond Issue---if not his threat was 100 per cent against.

Can the vote of the people of Mosier or of this County be handled in any such manner?

Needless to say --- **His Propostion Was Turned Down.**

Mark A. Mayer, the Portland Capitalist, made NO complaint on "Oppressive Taxation" when the Columbia River Highway traversed ONE MILE of his orchard property 2 1-2 miles East of Mosier at a cost to the State of approximately \$475,000 for the five miles from the Hood River County line through his property.

Who are "Favored Few"---Mark A. Mayer, who will have a paved highway for one mile through his property, or the thousands of Wasco County Farmers and Fruit Growers who are asking for a passable road the year round to market their produce?

The farmers and business men of Wasco County most emphatically refuse to believe that the 6000 voters of the County will be hoodwinked by any such senseless twaddle as put out by the "Citizens Welfare League of Wasco County."
