MAUPIN SOUTHERN WASCO COUNTY, OREGON, THURSDAY, JUNE 16, 1921

THE YEAR \$1.50

## Fire, Fish and Game

There is a movement for law enforcement on National Forests Fire, Fish and Game.

After 15 years of education and persuasion 70 percent of our fires are caused by the carelessness of man. This method seems a failure, and now enforcement of the law is to be tried.

Scrape away dirt and inflammable material down to mineral soil before starting a camp fire.

Don't leave a camp fire burning. Extinguish a fire if you find one, and if you can't, notify the nearest ranger at once.

Don't burn brush during the closed season, June 1st to October 1st, without first obtaining a permit and the assistance of a State fire warden.

Don't carry a rifle out of season, or without a hunter's license. Don't fish without a fishing license.

Women must have license. Don't catch more than 30 fish, or more than 20 pounds of fish in one day.

Don't be found with more than two day's catch in your possession. This means business and not a bluff, in forested regions.

Be careful and don't become a victim.

Joe A. Graham,  
Forest Ranger.

## FARMERS' UNION BIG PICNIC

### A Success

A picnic given at the fair grounds in Tygh Valley by the Universal Farmers Union to the Columbia Local, who came out ahead in the membership contest, was well attended by members and their friends. The picnic was considered one of the best affairs of the kind ever held in this part of the country.

County Agent Jackman, County President Hillman and Frank Ingles gathered with the Columbia-ites at the "big feed" which they had earned. Afterwards, contests between the two locals filled the afternoon. The ball game, tug of war, and various races were entered into with zest and spirit, and furnished much fun. Our people proved themselves much better at sports than at securing members, however, and feel themselves the gainers in many ways; one of the greatest of which is the opportunity to meet and get acquainted with such a number of progressive farmers from the northern end of the county.

Plans for making this an annual affair may be made.

At a meeting after dinner a scale of wages for harvest workers was adopted as follows:

Haying \$2  
Box drivers \$2.50 to \$3.  
Header punchers, loader, and sack sowers \$4, \$5.  
Spike pitcher \$3, \$3.40.  
Forkers \$4, \$4.50.  
Hoe-down \$3.50, \$4.  
Separator tender and engineers \$7, \$8.  
Roust-a-bout \$2.50.  
Cook \$3.

A special meeting for ordering harvest supplies for this local is called for Friday evening, June 17, at 7 o'clock.

You know the time and the place, therefore—

Publicity Committee.

## MARKET ROAD UNDER SURVEY

### On Flat

County Roadmaster P. J. Marx today placed a crew of men at work surveying the route for the new Wapinitia market road, which will be built this summer and fall from funds derived from three separate sources; county, State and individual road district. The plan of survey will connect the southern end of the market road with The Dalles California highway near Maupin. The new market road will be approximately nine miles in length and will be topped with a fine macadam surface. Under the state market roads law, Wasco county will put up \$26,690 which will be matched by the state for application on this road. The Wapinitia road district, in addition to this, has voted a special road levy which will probably bring the entire amount to be spent upon the construction of the road up to around \$60,000. As soon as the survey is completed bids for grading

## Base Ball

and macadamizing will be advertised for.—Chronicle, June 11.

Residents of Maupin were for the bond issue from the very first, and did not take any pains to hide their feelings in this matter, a member of the election board told County Clerk W. L. Crichton yesterday. "When the flood of anti-bond propaganda sent out by Mark A. Mayer was received by Maupin citizens, they at once got together all of the literature received, tied it together in bundles and mailed it back to Mayer and his Citizens Welfare League," the Maupin man explained.—Chronicle, June 10.
