## HOMESEEKERS TO BE HERE JULY 27

A Big Fish Fry Will be Feature  
of the Occasion

The Middle Western Home-seekers excursion train will arrive in Maupin on Wednesday morning, July 27 at 10:25 and will remain here until 1 p. m. when it will proceed on its way to The Dalles.

The homeseekers will be driven over the surrounding country in local cars and shown the many advantages and inducements to the settler offered in the Maupin district.

During the noon hour a big fish fry will be served for the visitors.

Plan to be in Maupin upon this occasion and help to demonstrate the advantages of the Maupin country.

A decree of divorce in favor of Chester A. Bargenholt, who was suing his wife, Alta L. Bargenholt upon grounds of cruel and inhuman treatment, was handed down by Circuit Judge Fred W. Wilson Saturday.

Mr. and Mrs. Martin Grose of Saginaw, Michigan, father and mother of Mrs. M. Flynn of the Hotel Kelly, are here for an extended visit with their daughter.

## Community Congratulated

The Dalles-Wasco County C. of C., June 18, 1921.  
Mr. R. E. Wilson,

May we not through you congratulate your community for the splendid work in support of the \$800,000 Bond Issue in the Special Election June 7th.

Speaking for the Bond Issue Committee, the Board of directors and the membership of the Chamber as a whole we want you to feel that we entirely appreciate the work of yourself and your district. With such team work as was displayed in this recent election we feel that such projects as are launched in the future for the good of our county will experience no difficulty in reaching successful conclusion.

Again thanking you for your wonderful support and assuring you of our entire co-operation in the future in everything for the common good, we are

Sincerely,  
The Dalles-Wasco County C of C  
E. F. Van Schoick, Secretary.

## Miller-Crabtree

Isaac Earl Crabtree of Maupin and Miss Edith Miller, daughter of Mr. and Mrs. Bert F. Miller, were united in marriage Saturday afternoon at 2:30 in the United Brethren parsonage by Rev. G. K. Hartman. The bridegroom who served 19 months in the navy during the war, is the son of Mr. Andrew Crabtree, rancher near Maupin. The couple will reside on a ranch near Andrew Crabtree's home. Those attending the wedding ceremony were Andrew Crabtree, Mr. and Mrs. B. F. Miller, Marion Miller, Mr. and Mrs. Raymond Crabtree and Miss Sarah Hartman.  
—The Dalles Chronicle.

## Kelly Clan Annual Meet

Mr. and Mrs. Floyd Kelly returned from Portland Tuesday where they attended the 23rd annual reunion of the Kelly clan at the home of James G. Kelly. An excellent dinner was served after which the clan history and the record of births and deaths for the past year were read. A few speeches followed and "My Old Kentucky Home" was sung by the assembly, Kentucky being the native state of the clan. Everybody then retired to the lawn where a jolly time was enjoyed by all. Seventy-one were present with Penumbra Kelly presiding.

## TRUCK WRECKED-- TWO MEN INJURED

Machine Goes Over Bank When  
Brake Fails to Hold

Two men narrowly escaped death on the Maupin hill last Sunday when a truck owned by Oskar Huber, general contractor, of Portland, and driven by Glen Richson, also of Portland, was wrecked. Richson accompanied by Carlton Kent, were enroute to Portland, from Prineville where the truck had been at work on the state highway the past few months and when descending the Maupin hill the brake in the machine gave way. The truck immediately started on a wild run down the grade and the driver being unable to make the last turn on the shot reverse curve about half a mile above the foot of the hill, the machine went over the bank. The truck was badly wrecked and the two young men were painfully but not seriously injured.

## A Letter to Farmers

"In Union There Is Strength"  
We sometimes forget that the truisms that the ages have proved for us. For example in the hurry and toil of life, we so many times strive to emulate the olden hero who carried the world on his shoulders, alone and unaided. But neither more in a figurative than in a real sense, can this be done now. "Bossism" and "one man rule" are things of the past.

We carry a divided responsibility that we share with others in like walks of life, and if we are of one mind and so disposed, by uniting, we can put through great enterprises to completion with ease and dispatch.

The independent farmer has been one of the last to give up his atlas job and to learn that "United, we stand; divided, we fall." But he is coming to understand that he must fall in line with the trend of the times. It is not necessary to give up independent thinking; rather the contrary. But to think in terms of the masses instead of the individual is now his duty, as do the workers in other lines of endeavor.

So fall in line! Put your whole heart into the problems of your occupation, and co-operate with the farmers organizations. Already are they beginning to make themselves heard, and their power felt in the "councils of the mighty" and it is high time that this is so. Read, post yourself on the questions of your trade, get in line with the procession and boost. Don't forget that part, but boost with an intelligent realization of what you are boosting for; so you may be able to answer all queries as to the whys and wherefores."

Universal Farmer's Union is putting itself in a position to do its share of boosting. As a preliminary move, when the Der-thick school house was ordered sold by the district boundary board, they were on the spot and bought the building, and are planning to put it in first class shape for a meeting place for their union. It seems as near a central location possible to get, and to meet all necessary requirements for the present.

All farmers are cordially invited to join with us, in our efforts to promote the advancement of the welfare of the farmer and his just cause.

F. E. C. U.

## HOTEL KELLY

UNDER NEW MANAGEMENT

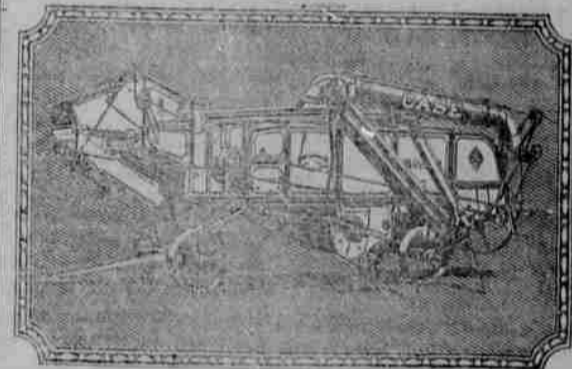

When you come to Maupin—come in and see us—and bring the family. We will be glad to meet you and you can eat at the Hotel Kelly as cheap as you can at home.

# CASE

THRESHING MACHINES

## Case Grain-Saving Threshers

Case steel built threshers with proper attachments which we are prepared to furnish will thresh all grains and weeds grown.

CASE threshers are sturdily built of steel, insuring long life. Steel construction also prevents total destruction by fire. Rotting and warping is impossible in a Case steel thresher. Distorted frames and disalignment of shafts and bearings from the pull of main drive belts are avoided by the Case method of construction. Galvanizing prevents rusting.

Add to this the fact that Case threshers insure the cleanest of threshing, thorough separation, perfect cleaning and unequalled saving and you have the reason why more Case threshers were built and sold last season than in any previous year of the history of the J. I. Case Threshing Machine Co.

We suggest you place your order for a Case thresher as early as possible. If you buy a Case you will be satisfied. Come in and let's talk it over.
