School Soon

To the pupils and patrons of the Maupin Schools Greeting:

Another year is before us and I trust it will be as pleasant and profitable as last years was and even more so.

Let all grade pupils bring what books they know belong properly to their respective grades and come prepared to work the first day. If you are uncertain of your books come any way and we will provide you with work until the

books are secured. If any have good second hand books they wish to sell have them at the school Monday with the price agreed to by the parent and we will try to place it. This applies to high school books also. If the text is to be used this year.

We hope each highschool student will strive to be in place Monday Sept. 12 at 9 a. m. Some classes will not be positively decided upon till the majority wishing certain subjects have been

determined. So if you are not there you may miss the class you want. Come prepared to stay all day. Work starts Monday.

The teachers pledge themselves to do all in their power to make this the best school year Maupin has ever known.

A. M. Winn, Principal.

Portland Painless Dentist, 305, Second St. The Dalles Oregon. All work guaranteed. W. T. Slatten D. D. S. Proprietor.

Stockmen's Picnic

September 10, at the Southern Wasco county fair grounds, Tygh Valley, the Wasco County Stock Grower's Association will hold an all day meeting and picnic. The forenoon will be devoted to a social good time, the afternoon speaking by Professor Potter and Mr. Lindgren of O. A. C. Those interested in the cheaper wintering of stock should not fail to be present.

"Clean-up" Squad

Wm. P. Wise of Seattle, Washington, was in Maupin this week to confer with W. O. Miller, commander of the local Legion post, and Edwin Kidder, adjutant of the same, concerning the group of government officials known as the "cleanup" squad which is touring Oregon. They will be here from 10 a. m. to p. m. Friday September 9. Headquarters will be in the Shattuck hall. The personnel of the squad is as follows: Dr. Wm. H. Morse, K. Kiggins and Cliff Wood.

Any ex-service man who has a claim he wishes to file against the government or who has an old claim which has never been satisfactorily settled, is urged to meet this squad and have the same adjusted. These men are traveling at the expense of the government and are under instructions to assist the men in every way possible so far as claims are concerned. This includes compensation, vocational training, insurance, back pay, allotments, victory medals etc. There will be a physician with the squad, as noted, who will be authorized to give immediate hospital treatment and make physical examinations wherever necessary in connection with claims.

The visit of the clean up squad to Maupin is in the line with a plan which is being carried out throughout the United States by Col. Forbes, newly appointed head of the recently created Veterans's bureau, which has taken over the work of the Federal Board for Vocation education, the Bureau of war risk insurance and the public health service. Every ex-service man who feels that he is not in as good health as when he entered the service is advised to present himself for examination.
