NEW FUNERAL HOME

A pleasant location in the residential section of the city, thus eliminating the noise and confusion always found in the down-town business districts.

Private drives and street facilities, making it possible to handle funeral processions without confusion.

The arrangement of our parlor as regards furnishings, lights and conveniences, has been planned to give QUIET and RESTFUL surroundings.

A Real Home and Home Surroundings

Our Home apartments, occupying the second and third floors of the establishment afford the opportunity of rendering unusual service and accommodation to out of town folks. A lady attendant is always in the building to render service. Our parlor occupying the entire first floor is so arranged and equipped that a distinctive atmosphere marks every service.

The Same SERVICE Rendered to All

Owning our building, we are enabled to operate at a very low overhead expense. Our assortment of stock is such, that those desiring moderate priced goods, will find satisfaction, while those preferring the more expensive can be supplied.

Our rates are reasonable and we plan to give a SERVICE which will eliminate any idea of profiteering on the misfortunes of others. We do not believe in commercializing the bereavements and sorrows of grief-stricken friends. Our first consideration will be for those we serve and in rendering service, there will be no detail too small to receive our attention.

EXPERIENCE—SERVICE—SATISFACTION

Our ten years' experience in undertaking means that we can serve you with satisfaction. Also the fact that

WE HOLD BOTH AN OREGON AND CALIFORNIA LICENSE

will establish your confidence in our ability.

Our establishment is now open at all times and we invite the public to become acquainted by a visit to the building.

These contests, also the wild horse

ging, Indian dances and pony races
are all that remain of the young,
wild, vigorous, yet lovable West.
