Charles Chaplin

"The Kid"

6 REELS OF JOY

AT Last! The super-comedy that took one whole year to produce, and packs a laugh for every moment of it. Cost \$100,000 00.

See Charlie as a Father
See Charlie as a Mother
See Charlie as a Glazier
See Charlie as an Angel

And the Kid's there all the time, playing him laugh for laugh!

THE daylight trials of motherhood, the midnight trials of paternity are all for Charlie in this super-comedy. He is a good mother to the Kid, and when that Kid grows up he sure becomes a good son; for Charlie is a wandering glazier, and while the Kid goes ahead breaking windows Charlie is always at hand to get the job of mending them. And yet there's a rob now and then. Never expected that of Charlie, did you? Well, here's where you get something more than laughs!

The Maupin Times

Published every Thursday at Maupin, Oregon

Jessiline E. Morrison, Publisher

Subscription: One year, \$1.50; six months, 75 cents; three months, 50 cents.

Entered as second class mail matter September 7, 1914, at the postoffice at Maupin, Oregon, under the Act of March 3, 1879.

We wish to join the several business people and citizens of Maupin in expressing our appreciation of the assistance rendered us during the fire Saturday morning in saving our home and printing plant from destruction. The fraternal spirit of a community is never fully realized until all arrive to the assistance of their neighbors and work shoulder to shoulder for mutual welfare as was evidenced in this instance. Before the fire was under control hundreds had come from the outlying districts in response to the "S. O. S." faithfully sounded to all sections by Telephone Manager Mrs. Elsie Beckwith before the lines were destroyed by the falling debris.

Wamie News

Mrs. Jessie Woodcock, who with her family was in the mountains some time ago witnessed an exciting event that she would not like to encounter again. While returning from the berry patch with her five-year-old son Leslie they saw a panther crouching in a hollow made by the uprooting of a fall-on tree some thirty feet from them at the side of the trail. Mrs. Woodcock thinks the animal had been following them for some distance and had stolen ahead of them, intending to attack the child who was walking ahead of her. The frightened boy screamed, the startled animal leaped into the bushes out of sight. The woman and child were overcome with fright and fatigue when they reached camp some three quarters of a mile distant. They were camped on Barlow creek. Willie and Bernard Welch,

Mr. and Mrs. Bud Patison and Misses Crystal Pratt and Lorena Darniel have returned from a two week's stay at the summit.

Tom Woodcock has moved to the Blanchard place which he has leased.

Mrs. Sarah Kennedy celebrated her 79th birthday anniversary Wednesday with a dinner for her immediate relatives.

We are having cool weather here now.

Percy Driver, Dave Campbell and Don Miller of Wamie and Guy Britton of Tygh have been working at the fair grounds the past week. They built a separate room for the ladies fancy work and added more space for agricultural display and made more barn room for stock. Much interest is being shown in the coming fair which bids well to be the best one ever held here.

The Ladies Social Club here has made a beautiful quilt to be disposed of at the fair, the proceeds to go toward making a permanent building for the ladies fancy work department. Maybe other places will do likewise and swell the funds for such a building.

Bernard Welch, Belvie Patison and Misses Crystal Pratt and Lorena Darniel went to The Dalles Tuesday, remaining overnight. A party of young people gathered at the C. E. Pratt home and charivariated them Thursday night. Home made candy and cake were served.

Mr. and Mrs. John Eubanks and son Vivian have returned from Barlow creek, bringing back a quantity of wild black berries and twenty gallons of huckleberries.

Mr. and Mrs. Frank Driver went to the mountains Friday for berries.

George Craft and Winston Lake went to The Dalles Wednesday, the latter going to Portland to attend the Franklin high school.

Mr. and Mrs. Al Burnhagen went to The Dalles Wednesday, bringing back peaches.

Many of the farmers have finished hauling wheat.

Mr. and Mrs. Bud Drake came over from Bayed Boyed Wednesday,

remaining till Sunday.

Many went from here Saturday to assist in subduing the fire at Maupin. The farmers picnic at the fair grounds was well attended but was marred by the fire at Maupin which took many away to help fight the fire.

Mrs. Mary Pratt gave a birthday dinner to Bernard Welch

Sunday. About ten persons were present.

Mrs. Rinie Johnson says her melon patch produced a muskmelon this summer that she thinks was remarkable. In this one were seeds splayed with full grown leaves like those that come up through the ground from seeds that have been planted.

Mr. and Mrs. Fargher came over from Dufur yesterday, taking Miss Hilda Lake to their home. She is going on to Portland.

Frost and freezing of ice this week.

Willis Norval and C. E. Pratt have been assisting with the work at the fair grounds.

Maupin Fire, Sept. 10, 1921

We wish to express our deepest sympathy to all who suffered loss, on sincere thanks to all who so freely volunteered their aid in time of need.

Fire loss is a community disaster and we must remember friends, that this community will pay fire premiums many times before the companies carrying the insurance on Maupin property at this time will break even.

It could have been worse, but is bad enough.

Ny human lives lost, but a dog or two and several chickens were burned to death.

In wiping out the principal business section it effects us all. Maupin is near relation to its community, that which effects Maupin effects the community.

Let's weld ourselves together into one large family for the common good of all.

Now is the time to boost, don't knock, don't discourage new undertakings, for we need all we lost and perhaps more if we grow to our natural size at a normal age.

There is no obstacle that will check close cooperation.

Again please accept our thanks to all who cooperated with the citizens of Maupin in checking the dreaded monster of destruction, fire.
