Devoted to the Interest of Southern Wasco County

VOL. 8, NO. 4

MAUPIN SOUTHERN WASCO COUNTY, OREGON, THURSDAY, NOVEMBER 3, 1921

THE YEAR \$1.50

## School Notes

Frank Morrison has been enrolled in Mrs. Wertz' room. This brings the total enrollment up to 32.

The primary pupils will have their monthly tests Friday.

This is examination week in the grammar grade room. The results of the examination will be ready for publication next week.

The sewing and cooking clubs have each had meetings this week. This was the cooking club's first meeting.

The high school is getting along nicely. The students are taking great interest in their studies. Those starting a little late are getting along nicely though having to work very hard. The morale of the school is good.

Mr. Winn says that the Hollowe'en spooks treated him very good by piling his wood and pre-

senting him with fruits and other delicacies for which he wishes to express his thanks.

The young people of the community celebrated Hollowe'en by playing many harmless pranks upon the people around town, which were received in the playful spirit they were intended.

An unusually large number of patrons visited the Maupin School Literary Society Friday, October 28th. The rather long program was enjoyed by the visitors, though the crowded condition of the room caused some restlessness and confusion which made it hard for the children to be heard. We hope a little more careful planning will remedy this in the future.

On the exhibition table were decorations appropriate to Hollowe'en with a dull red background; several bouquets of flowers donated by parents and patrons; color charts and other day work from the primary

room; samples of wood, clay, and varius maps from the grammar grade room; and some copies of perfect typewritten work from the high school room.

The musical part of the program was enjoyed by all. It was in true harmony with the spirit of the occasion. The musical rendering of "Little Orphan Annie" by grammar grade pupils was quite fine indeed. "The Goblins" by the primary boys was a treat the audience enjoyed. The students and visitors welcomed heartily the appearance of the High School Orchestra.

The next literary program will be given November 18th. It is hoped that a goodly representation of the community will be present to decide whether there shall be a community Christmas entertainment. Come out and have your say!

Miss Beula Hendrickson of Fallbrook, Cal., will give an entertainment under the management of the Maupin School Student Body on Monday evening December 5th. A detailed program and posters will be provided later.

The Student Body was called to order October 26th and adopted the constitution. The purpose of the body shall be to conduct student activities and provide finance for the same, to champion the best ideals of the school, to uphold and encourage discipline work in harmony with and advise of the faculty. The Student Body will meet Monday November 7th, to elect permanent officers.

Jesse Walter, C. E.
