It is rich in quicksilver, in addition to the native mercury that is found in the underground crevasses of the ore. Preliminary investigations lead to the belief that the deposit may be as large as the famous quicksilver mines of New Alameda of California. In the same locality of the new discovery are situated the Maravillas and Ascension cinnabar mines which for many years have been the principal source of Mexico's quicksilver production. It is stated. Gaya plans to develop the new property. In the Terlingua district of the upper border region of Texas several cinnabar mines have been in operation for more than twenty years. These mines are situated close to the Rio Grande and outcroppings of cinnabar ore have been found on the Mexican side of the river just opposite the mines in Texas, but as yet no steps have been taken toward their development.

The low cost regions of Africa are almost everywhere unhealthful,

**DEDICATE NEW CLUB HOUSE.**  
Pasadena (Cal.) scouts recently dedicated their new clubhouse presented to them by the Rotary club of the city, with appropriate addresses, music and an exhibition of scout work. The building is a fine one, 60 feet in length, with a 12x30-foot porch. It has beamed ceiling, with special electric lighting and a huge fireplace built entirely of stones from the canyon. The shelf over the fireplace is of redwood and bears the inscription "Do a Good Turn Daily."

**TO AID AIR SERVICE.**  
The Boy Scouts of America is again to render peace service to the War department by working with the federal air service in constructing airways. Scouts will guard landing stations and lay markers. Many accidents occur because these routes have not been clearly marked hitherto, and it is believed that scouts can render real service and even be instrumental in actual saving of life by marking out the names of each town along the route with white cobblestones.

**SCOUTS REPAIR CITY SIDEWALKS**  
There is only one scout troop in Lind, Wash., but that one is up and doing as is proved by a recent example of thrift and enterprise. It seems the scouts noticed that the wooden sidewalks of the city were badly in need of repair. Consequently they marched up to the mayor and offered to do the job at a nominal figure. The mayor liked the idea. He also liked the spirit of the boys and took up the offer, arranging that the work should be done.

**MOUNTED BOY SCOUTS IN HAWAII**  
In a little mountain town of Makawao, situated half-way up the extinct volcano of Haleakala, there is a lively troop of boy scouts, a polyglot group of Portuguese, Japanese and Hawaiian ancestry. Just now they are particularly interested in horse-back riding, and are a real mounted troop. Their scoutmaster says they are splendid riders, and it is a great sight to see them racing along the mountain roads at full gallop, standing straight in the saddle.

**SOME MORE HIGH ADVENTURE.**  
A small party of scouts of Troop 4, San Jose, Cal., hiked off into the hills with a portable searchlight which had been made by one of the boys. In the meantime another party of scouts motored to the summit of Mount Hamilton, famous as the site of the Lick observatory. Within ten minutes the two parties were signaling each other over a distance of fully 25 miles, no small feat, for amateurs with amateur outfits. The incident was a thrilling one to the boys.

**UNIQUE GOOD TURN.**  
Troop 19 of Baltimore, Md., recently had an opportunity to do a rather unusual good turn when the directors of an orphan asylum invited them to help teach the kiddies how to play. It seems the orphanage had been moved from the city to the rural outskirts and the poor youngsters who had never known before the freedom of the great outdoors didn't at all know what to do with their own new privileges and were pathetically helpless in their changed environment.

**A Civil War Veteran's Advice**  
**SOMETHING WORTH READING**  
Plentywood, Mont.—"Over fifty years ago I had an awful bad cough—had it for five years. I was advised by an aunt of mine to try Dr. Pierce's Golden Medical Discovery and one bottle and a half cured me entirely. I have used this remedy ever since and have recommended it to many, and it has been a success in every case."  
"I am an old Civil War veteran 73 years of age and can truthfully say I don't believe there is a better cough medicine than the 'Discovery' this side of Paradise."—Wm. L. Pierce, Box 43.  
Ask your druggist for this Golden Medical Discovery, which has been sold for over 50 years. It can now be obtained in tablet as well as in liquid form. Write Dr. Pierce, president Invalids' Hotel in Buffalo, N. Y., for free medical advice.
