New Garage

The tenth new building under construction in Maupin since the fire is nearing completion. It is a new garage located on Fifth street and on the proposed new highway route. A. W. Temple and W. O. Miller are the proprietors, the former to have the management of the garage. Mr. Temple who is quite well known

here, having been in the employ of the Maupin Garage for several months prior to this business venture, believes Maupin is a good location for another garage and it is planned to open for business in a few days. The building which has been erected in the past week is of lumber, to be replaced with an adequate cement structure when spring

opens.

A good stock of tools and accessories will be carried.

The local Rebekahs are giving an entertainment at the Cook hall at Maupin, November 25.

Several of the high school pupils are taking up their Palmer method writing work again, under the management of Jennie Bronner and Josephine O'Brien, both of these girls having their final certificates in this work.

The attendance and interest in the work in the grades was better last week than any time since school opened. We earnestly hope that such reports may

Tygh Valley School Notes

Turkeys and other decorations are taking the place of the flags and other Armistice Day decorations.

The Armistice Day program was attended by a very large and appreciative audience. Music by the orchestra and glee club was greatly enjoyed. The war time songs were sung. An interesting and instructive talk was given by Rex Bonney, representing the soldiers.

The next program will be given by the student body at the hall on Friday evening, December 9. It will be preliminary to a basket social and dance. All are invited.

The student body has adopted for its motto, "Possunt quia posse videntur." The preamble to our constitution recently adopted is as follows: To the end that the highest and finest development of body, mind and soul may be secured, we do establish this constitution for the Student Body of the Tygh Valley High School.

The enrollment of the school is constantly increasing and everybody is happy.

Wapinitia School

The basket social given at Wapinitia Friday night, November 11, was a grand success, \$112.28 being made. Those who contributed to the program outside of school were Mrs. Walter Sharp, who gave a reading, Mrs. Ered Magill who helped with the music, and Mr. N. G. Hedin, who sang a solo and gave a very interesting Armistice Day talk. To these people the school extends its thanks for so kindly helping us with the program. We also wish to thank the ladies in the community who helped in making our social a success by bringing baskets and pies, and the men for so generously bidding on them. The school board now has the proceeds in its care and is investigating to find the best bargain possible for a piano.

Next week will be vacation week for the schools, as the teachers' institute will be held in The Dalles at that time.

The high school received a new dictionary stand and a wast paper basket Wednesday morning. Several other minor sup-
