

### Highway Survey

An engineering party, under the direction of C. R. Burns of the state highway department, will start work Monday on the survey of The Dalles California highway between the top of Cow canyon, in the southern part of Wasco county, and the end of the present existing surveys at Dufur, it was announced at the local highway office this morning.

The Burns party arrived in The Dalles this morning from Grant county, where it had been working on the John Day highway. The completion of the survey for The Dalles-California highway in Wasco county was ordered at the last meeting of the state highway commission.

### Mrs. Wilhelm

Caroline Kinney was born December 8, 1853 at Hamilton Ontario Canada, and died at Maupin March 11 1922. Her first marriage was to Henry T. Gilbert to which union her children were born. Mr. Gilbert has passed on before. On June 12 1912, she was again united in marriage to L. C. Wilhelm who survives her. She leaves to mourn their loss a husband and three children.

William A. Gilbert of Marshfield Oregon, Daniel N. Gilbert of Harbor Beach Michigan and Lillian B. Morrison of Seattle Washington. John N. and Anna Mae Gilbert having preceded her to the other world.

Funeral text Rev. 14:13  
Jesus while our hearts are bleeding  
O'er the spoils that death has won,

We would at this solemn meeting  
Calnly say, "Thy will be done"  
By the hands the boon was given,  
Thou hast taken but thine own  
Lord of earth and God of heaven,  
Evermore "Thy will be done."  
—Thomas Hastings.

Rev. H. A. Walter

Mrs. Wilhelm has been an esteemed resident of Maupin for the past nine years, and practically the entire town were present to show their last regards at her funeral in the local church last Sunday morning at 10 o'clock.

Her last illness, of several days due to pneumonia and heart trouble, was severe, and in spite of all that medical aid and loving hands could do, death came Saturday morning at 3 o'clock.

Among the most active in Red Cross work, the most regular at religious worship was Mrs. Wilhelm, who will be sadly missed by all who knew her. Mr. Wilhelm has the sympathy of the entire community in his bereavement.

### School Notes

The 15 and 16 are the best days of the month for the high school pupils. These days consist of examinations. The pupils are expecting pretty good grades this month.

Please remember that Friday afternoon March 17, is Literary Society. All are welcome. The meeting begins at 2:00 P. M. sharp.

The school extends this invitation to those about town that are not too busy to help us with a half day or days work putting up the new play ground apparatus. We will begin at 9:00. If there is any one that can help us, we would appreciate it very much.

An invitation is extended to any teachers having any songs, recitations, readings or other exercises they would like to have given at the Local Institute at Maupin, March 25, to forward the same to A. M. Winn, principal at Maupin, and he will try to arrange for a place for the same on the program to be given by the local talent, at said time.

The following is the tentative program for the Local Institute at Maupin, March 25:

9:30 — Opening, including music and other exercises.

9:50—A Talk by State Supt. J. A. Churchill.

10:35—Music.

10:40—Recess.

10:55—Music and other exercises.

11:15—A talk by State Supt. J. A. Churchill.

12:00—Dinner served by the ladies of Maupin and community.

1:30—Music and other exercises.

### Enlarging Mill

Woodcock Bros. Milling Co. who made their beginning here five years ago, putting in a flava system mill have ever shown a spirit of progress, adding to their building and equipment as profits were returned to permit of same. From time to time larger and more machinery has been added and the building enlarged. Last year a spacious warehouse was erected.

The interior of the mill is at present under renovation and rearrangement. A neat business office facing the road will soon be in readiness to replace the former one on the river side of the building. Also an addition will soon be built, two stories, 16 x 20 on the north end.

Mr. and Mrs. Don Gilbert of Tillamook arrived Saturday. Mr. Gilbert is employed as pharmacist in the Maupin Drug Store.

J. H. Chastain made himself conspicuously laughable last Friday when he concentrated his vision on the Maupin Drug Store windows, which were receiving an undressing of their winter's accumulation, so concretely that he took a "header" over a stack of mail bags in the street where P. G. Fry was loading his stage for Criterion, the mail bags suffering the only damage done.

J. L. Confer was clearing rock and debris from his lots here the fore part of the week.

B. F. Cook has been making some improvements on his burned over lots in the way of clean up.

Because of the necessity of fixing grade stakes for the contractor on the Bakeoven grade, the engineering crew at work on the survey of the Mill Creek market road has been temporarily transferred to Bakeoven, County Road master P. W. Marx announced this morning.—Chronicle Mar. 10
