

Andy's place is making a new spring appearance with the re-arrangement of tables and decorations. There are now several small tables in the dining room. The ball game played here

last Sunday between Maupin and Madras was well attended. The home team won by a score of 12 to 1. Dr. Elwood made a trip to The Dalles Sunday returning with

his new Dodge car.

The recital given last Sunday night by Mrs. H. P. Bothwell was well attended and greatly enjoyed by all present.

Big Eggs

Clifford Cunningham brought an egg to Maupin last Friday which is well shaped but of enormous size. It measures 9 and 3 8 x 7 and 9-16 inches and weighs 6 and 1-16 ounces. The egg is on display at Butlers. Mr. Cunningham states that they have had five other eggs like this one recently that they contain a common size egg including shell, surrounded by yolk and white of an egg. One measuring 7 and 3-4 x 9 and 1-4 was sent to Portland some time ago.

Important Meeting

Farmer's union and wheat grower's association. A county meeting of these organizations will be held at the Columbia Local Hall, on May 10 th., beginning at 10 o'clock. Mr. Gunn of Corvallis, and Mr. Ludwig, of the Grain Grower's Association will be present, as speakers. The morning session is open to all. After lunch, which all are invited to bring, will be closed, it being the business meeting of the County Union. J. F. Hillman, Co., Pres. Fred Hilgen, Sec.

School Notes

Don't forget the track meet at Tygh Valley Saturday, May, 6. Many of the people on Juniper Flat are not aware that a track-meet will be held at Tygh Valley Saturday in which the schools of Southern Wasco County will contend. Every one is invited and urged to attend. Bring your picnic lunch and have a jolly good time with your friends and neighbors. Come and see what the schools of the surrounding country are doing along athletic lines. Both boys and girls will enter in the race, high jump, broad jump and many of the other athletic sports. We may have a star athlete in some of our Southern Wasco County schools. Come and see what you think about it.

The pupils in the high school and grammar grade rooms are diligently practicing every evening for the track-meet. The boys and girls have entered into this work with a real spirit and take great interest in developing themselves physically as well as mentally while at school. But they are also finding that the athletic training is developing them not only physically but mentally also in respect to learning team-work, loyalty, and sportmanship.

The play ground equipment is installed bit by bit. The tetter-totters have been put up for some time and the swings were put up last week end.

Vivian Eubanks, from Wapinitia, was enrolled in the Maupin high school Tuesday. We are glad to see pupils entering in our school and hope they continue to go here. We now have three pupils enrolled since the first of this semester, Alma Hall from Tygh Valley and Floyd Richmond from Wapinitia, being the other two pupils. This makes a total of fifteen in the high school. May we enroll many more next term!

Due to our having so many reports from the Conference at Eugene to write up we neglected to mention in last week's paper the demonstrations of the cooking and sewing clubs at the Literary Society meeting Friday afternoon April 21. The cook-

F. M. Griffin, Mrs. Kaiser's father, is here from Lone to catch his annual Redside.

The young son of L. B. Woodside, decided to go to where his daddy was plowing last Thursday but failed to go in the right direction, the result was, searching parties were called from the

neighboring fields, Tygh Valley and Maupin, after searching for about three hours, his father discovered him and his dog still going in the wrong direction. However, the dog was guarding him so well that it took a lot of talking before Mr. Woodside could reach the child.

SPECIAL PIANO SALE

BIG VALUES---EVERY ONE

We have procured a number of Pianos through a most fortunate purchase, of the highest standard quality, and thus are able to offer you values never before offered in this city.

Every Piano New and Fully Warranted
