TO GIVE SERVICE MEDAL
 The board of trustees of the village of Bronville, N. Y., has voted to award a "Village Medal" every year to the boy scout whose record at school, at home, at work (if employed) and in scouting activities indicates the most promise and achievement and one in whom the village may justly take real pride. The name of the scout who is so honored will be placed on a permanent tablet in the trustee's room of the village hall.

SCOUTS SAVE BUILDINGS
 When a group of boy scouts in Broken Arrow, Okla., were gathered at a troop meeting, word was brought that a fire had broken out in the vicinity which was endangering many buildings, as the high wind was blowing embers from roof to roof. Instantly the boys, under their assistant scoutmaster, were mobilized for service with "A Scout for Every Roof" as their slogan. Fire Chief Walker later reported that the scouts' action undoubtedly saved several houses.

Would Be Worth Seeing.
 In the geometry class a difficult problem arose. The teacher informed the pupils that he would put it on the blackboard and explain it. After carefully and tediously working on the diagram he addressed the class thus: "I want every one in this class to watch the blackboard now as I run through it."

Corncob Has Real Value.
 The lowly corn cob can be made into many useful articles, due to a set of discoveries made in the bureau of chemistry of the Department of Agriculture. After a high-grade adhesive is removed, pure cellulose, a very good quality of paper, and valuable lime products are recovered from the residue.

Why Some Husbands Go Insane.
 A man went home the other evening and found his house locked up. After a deal of trouble he climbed in the window and found on the table a note from his wife. "I have gone to the movies," it read, "and you'll find the key on the side of the doorstep."

Pretty Childish Fancy.
 Billy, unlike most children, is not afraid of thunder. One day, while playing with some of his friends, it started to thunder, frightening them. But Billy soothed them by saying, "Don't be afraid, that's only God playing his organ."

Shave With Cuticura Soap
 And double your razor efficiency as well as promote skin purity, skin comfort and skin health. No mug, no slimy soap, no germs, no waste, no irritation even when shaved twice daily. One soap for all uses—shaving, bathing and shampooing.—Adv.

Life as I See It.
 A bank is the thing to patronize. You can be a valued customer and yet keep your money.—Louisville Courier-Journal.

Over-Estimate Themselves.
 Most of those who claim that the world owes them a living are inclined to insist on living high.

Red Cross BALL BLUE
 is the finest product of its kind in the world. Every woman who has used it knows this statement to be true.

Cathedral of Mud and Wood.
 Of the world's cathedrals, probably the most curious is that which crowns a hill in Uganda. In appearance it resembles nothing so much as a mountain of grass, although on closer inspection one is able to see that mud and wood have been extensively employed. The structure can accommodate 4,000 persons.

Something That is Cheap.
 The director of the American Museum of Natural History announces that mastodon bones are a drug on the market and prices are down to nearly nothing. If you have been delaying your purchase of mastodon bones, now is the time to lay in a supply.

Telling Age of Mistletoe.
 It is a comparatively easy matter to learn the age of growing mistletoe, as each shoot sends off two new shoots each year, and by counting the joints from the root to the tip of any branch the number of years the mistletoe has lived may be computed easily.

Cuticura Soap IS IDEAL For the Hands
