Candidate for Representative in the State Legislature from the 12th district comprising Wasco county.

If nominated and elected I will support such legislation as will in my judgment benefit the district and state. I believe that taxes can, by sane Legislation be reduced, and equalized, but will oppose any attempt to impair the efficiency of our Public School system any so called Frills can be remedied locally. ## A NEW MAN AND A NEW DEAL WHY WE ARE FIGHTING FOR GEORGE A. WHITE FOR GOVERNOR

He STAMDS FOR Immediate action in cutting down the over head cost of state government at least \$1,000,000 00 at the next legislative session.

He stands for immediate action in taking All The BOARDS, COMMISSIONS, AND SCATTERED FUNCTIONS OF GONERMENT that have been springing up for the past quarter of a century, and welding them all INCLUDING the public service commission, into NOT MORE THAN TEN RESPONSIBLE AND EFFICIENT DEPARTMENTS accountable to the Governor who is responsible to the people.

The state of Washington did this last year, clearing up the governmental debris of thirty years, and the saving to date has been more than \$4,000,000.00.

HE will battle to a finish against the OWNERSHIP OR LEASING of our lands TO THE JAPANESE OR OTHER ORIENTALS.

HE OPPOSES adding to the state's crushing bonded indebtedness at SPECIAL ELECTIONS.

HIS RECORD as an executive GUARANTEES ACTION on the pledges in his platform.

An incident of his good faith in rigid economy in public affairs: He had \$140,000 00 of the public's money for use in mobilizing the state's manpower and resources for the World War in 1917. In those days

when wild extravagance was the rule the country over he put OREGON FIRST of all states in every emergency and when the job was done five months later instead of asking a deficiency appropriation He TURNED OVER \$90,000.00 IN UNEXPENDED BALANCE. Oregon's per capita cost for the state war census and draft organization in Oregon before he volunteered for overseas service was the lowest of any state in the Union, except Minnesota.

Upon resuming his duties as a public official after the war he declared the Naval Militia, as it then existed, an unwarranted expenditure of the taxpayers' money, disbanded it at once and TURNED ITS APPROPRIATIONS BACK TO THE STATE.

HE HAS NEVER CREATED A DEFICIENCY and last year operated the state's Military Department for \$79,975, an amount which is less than the sum appropriated for the year, and in return brought into the state \$199,052.00 in federal funds for distribution among 2400 members of the National Guard of Oregon.

George A. White is a candidate for Governor on the urgent demand of thousands of Oregon's best citizens throughout the state. He is fearless of, and unlettered by, trusts, corporations, or any influences adverse to the interest of all the people.

A Vote for White for Governor Is YOUR ONLY CHANCE for a NEW DEAL, a SQUARE DEAL, and an ECONOMICAL REORGANIZATION of the GOVERNMENTAL AFFAIRS of the STATE
