## School Notes

The program of the Literary Society held last Friday night was enjoyed by all. The songs by the Glee Club, Quintet, and Sextet, were well received by the audience. The instrumental solos, piano and mandolin, each received encores. We are indebted to Mrs. H. F. Bothwell for the success of the above because of the careful training and long patience. Readings, talks, and a theme were well rendered. The Literary Gleaner was read last and seemed to be enjoyed. The paper contained class reports, news notes, sports, editorials, and jokes. After the program the baskets were sold. The proceeds of the baskets and a few donations amounted to \$86.50.

A motion was made and carried by the high school student body that a vote of thanks be extended to the following for so kindly helping with the Basket Social given for the benefit of the Maupin High School Student Body: To F. C. Butler for auctioning off the baskets; to F. D. Stuart for acting as clerk; to Harphams and the Odd Fellows for the use of their cups and other utensils; to Mrs. Kaiser and Mrs. Cyr who made the coffee; to those who donated sums of money to the cause; to the ladies who brought the beautifully decorated and bountifully filled baskets; to the gentlemen who so generously bid on the baskets; and to the public who attended and listened attentively to the program.

It was decided Monday that we would hold our next Literary program in the evening since so many of the patrons have expressed their desire to that end.
