First Decoration

Mr. R. E. Wilson, dear Sir, I am enclosing photo of Mrs. Howard Maupin. This is the original people from whom your little town was named. I was personally acquainted with the family, they were Kentuckians formally, and lived at what was called upper Trout creek, in Jefferson Co. Howard Maupin killed Paulina, the old Indian chief, during the Indian trouble. Many years ago, near their home stead, at that place. Paulina Basin, derives its name from this Indian chief.

Thinking that this might be of some interest to the people of Maupin, would suggest that you have it enlarged and hung in the city hall with a history of the illustrious pioneers.

Yours Truly,
C. S. McCorkle

Farmers Union Notes

At our last meeting, there were several of the farmers wanting different articles before they started their spring work. Some wanting salt, groceries, sacks, plus extras, and other articles to numerous to mention. Why not, pool our wants together and make an order. Don't you believe we can buy them cheaper by buying collectively.

I believe every farmer needs something before his spring work starts. If you have any ideas new or old, why not bring them to the Union, we all want to hear them. The next meeting day is March, 10th, why not bring the family and all enjoy the beautiful, invigorating spring sunshine. Fraternally, A. E. Mayhew Pres

School Notes

A very enjoyable program was given by the Grade rooms Thursday afternoon, February 22. George Washington was the theme of the songs, recitations, and dialogues. The last thing was a debate by the eighth grade. The question was "Resolved: That the United States should retain the Philippines permanently". A unanimous decision was given the affirmative team, Helen Weberg, Mary Morrison, and Doris Talcott. The negative team was Stanley Woods, Lawrence Harpham, and Fred Shearer.

The program of the Literary Society will be given Friday, March 16, at 8: P. M.. A debate will be a feature of the program. The question is "Resolved: That women are smarter than men." The affirmative will be upheld by Mabel Cyr and Lorraine Stovall, and the negative by Jesse and Orland Walter.

Examinations are in progress this week in both the high school and grades.

The playground is again the scene of athletic games. Every one is enjoying the delightful spring weather.

Legion Doings

Maupin Post 73 meets every first and third Mondays of each month. BE THERE. Ex-service man are you a member, if not why? All visiting members are cordially invited.

The calm summer like days of the fore part of the week have verged today the first of March into slightly the proverbial lion-like atmosphere.

Aid for Veterans

Fifty Thousand Dollars have been voted by the Knights of Columbus for the aid of tubercular and otherwise disabled war veterans who are stranded in the southwestern states where they have gone in search of health, the money has been forwarded by the Knights to the National headquarters of the American Legion, which organization will administer the fund.

In a message to supreme Sec. William J. McGinley of the Knights of Columbus, National Commander Owsley of the American Legion conveys the thanks of the Legion in behalf of disabled service men for the gift, which will be administered by the Legion through local Posts in the southwestern states where the tubercular veterans are stranded. The gift was voted by the K. of C. supreme board following a survey by the Legion and the Knights in Texas, Arizona, Colorado, New Mexico and southern California, where men from every state in the Union, many of them with their families have gone in search of health. Approximately 15,000 men are in partial need of assistance, none of them being natives or norman residents of the states where the survey was made.

The donation was made by the Knights of Columbus in conformity with the hospitalization program of the order, aiming to reach all disabled veterans, regardless of denomination. The Catholic Sentinel.

Mr. and Mrs. Bud Patison have a flock of chickens in The Dalles that actually got drunk one day last week. These are the first chickens we have heard of getting on a spree. Bud turned the flock out in the alley one day last week and they wandered far away from home it seemed, and dissipated while gone, finding something in the alleys that suited their taste they partook of it freely and could not walk straight or stand up by the time they reached home. They staggered and fell down got up and

staggered and fell down again. Everyone enjoyed a good laugh at their queer antics.
