Around Maupin

R. W. Richmond brought a truck home from Portland the other day. Having applied for the necessary plates from the secretary of state, Mr. Richmond thought he would be permitted to drive the machine home wearing a dealers license, but states he was held up for the \$77.00 at The Dalles.

A fine 7½ pound daughter arrived last Friday April 13, at the A. Locke home here, and seems to be the most welcome baby sister ever belonging to two proud little brothers; her name is Margie Irene.

Wapinitia Rebekah Lodge gave a benefit social at the hall last night for the childrens home in Portland. A short program was well rendered and games were played after which supper was served at 30 cents per plate. \$16.00 was realized.

Following is an extract from a letter written to Mrs. A. Locke by her sister in Minneapolis Minn. Dear Sis, "We nearly fainted when we read in your letter about its being apple blossom time in your clime, for the day before your letter came we had 10 inches of snow, heaviest we had this winter, no schools open, no cars running, everything tied up, so you can see where our apple blossoms are." Dated April 7th

While strolling down Deschutes avenue last Monday evening a couple members of The Times force saw whom we supposed was a young man practising some steps on stilts, but upon arriving closer we recognized Mayor Wilson, who on finding himself observed dismounted from said walking sticks.

Elder and Mrs. P. W. Province of The Dalles were guests at the Times home last night, and were accompanied home by Frank Morrison. They will return in a few days and plan to hold a series of meetings in the local hall.

At Tygh Valley

The Tygh Valley track meet, in which grade and high schools representing towns in southern Wasco county participated Saturday, was won by Dufur.

The meet was hard fought and the last event, the relay was the point maker that decided the winner. Dufur made 88 points and Tygh Valley was second, with 79.

The Dufur grade school won the grade division meet and the Tygh Valley high school team made the most points of any high school team. The scores of competing teams are as following; Dufur 88; Tygh Valley, 79; Maupin, 41 and Wapinitia, 23.

A heavy track was rather a handicap, as it was almost impossible for any real fast time to be made, according to A. E. Greene wald, who attended the meet.

The individual high point winners of the Tygh Valley meet, will compete against The Dalles high school on April 28. The to be held here was originally scheduled for Tygh Valley, but the condition of the track there made the change necessary.—The Dalles Chronicle.

The high school baseball squad annexed its second victory by winning from the Tygh Valley aggregation 11 to 4 Saturday at Tygh Valley. The Dalles nine displayed a better brand of ball than in the Centerville contest.

The Dalles team stowed the game away in the sixth inning when six runs were made. Davis for The Dalles pitched consistent ball, allowing only two walks and striking out six men, while Brown Tygh Valley, walked 10 men and fanned eight.

Wasco high school is slated to appear here Wednesday against the locals on Amotan field at 3:45. Another hard contest for The Dalles nine will be the game against Dufur there Friday after noon.—The Dalles Chronicle

Sherars Bridge

Spring weather prevails. Fishing season opened here with quite a large number present for breakfast.

The new steel bridge which is to replace the old wooden structure which has spanned the Deschutes river at this place for many years is rapidly nearing completion. The concrete work is in progress now. The bridge, however, will not be open for traffic until the county makes the fill, therefore the length of time is uncertain.

Mrs. Della Billings of this place is visiting friends in Portland.

Mr. and Mrs. A. Lucore and sons Friend and Milton motored to Tygh Valley Tuesday evening. Lot Rust was a visitor at Sherars Bridge this morning.
