MAUPIN, SOUTHERN WASCO COUNTY, OREGON, THURSDAY, SEPTEMBER 13, 1923

NO. 49

School Notes

School opened Monday morning with four teachers employed and an enrollment of 85 pupils, representing twelve grades, divided as follows, fourteen in Mr. Hough's room, Miss Good has nine, Mrs. Buzan 28, and Miss Bostrack 34.

The average age of the high school students is 18. Seven are beginners.

Classes are organized in Civics, Algebra, Geometry, Latin, Commercial Arithmetic, Shorthand, Physics, English, Bookkeeping and Ancient History.

Classes in commercial work and Latin are very popular.

Lewis and Kenneth Batty are non-resident students from the greatest distance, their home being in Grant county. They are staying at the L. C. Henneghan home.

Good attention is manifest on the part of all, and this promises to be our best year so far in all departments.

The furnaces were installed in the basement Tuesday.

Mrs. Buzan has five 8th graders, eight 5th graders, six in the 7th, and nine in the 6th grade.

Twelve beginners have little farms assigned them in Miss Bostrack's room and each make daily improvements on them.

About 2 o'clock Sunday morning Wapinitia was awakened by the cry of fire. Perle Evick's barn was in flames. Nothing could be done to save it or the hay. Sparks were carried to D. Woodside's barn which was also burned with its complete contents. Mr. Woodside lost about 35 tons of hay, harness for 16 horses, saddles, and numerous equipment. No horses were lost. Supplies belonging to the Cattle-men's Association were a complete loss. The old store where John Lewis lives was threatened and hard work was needed to save Mr. Woodside's residence. Origin of fire is unknown.

On the way to the fire Sunday morning David Sharpe's car completely upset between Sinclair's and the Finn place. Only slight bruises. Mrs. Sharpe and daughter and Ishom and Anna West were with him. A broken radius rod caused the accident. Top and windshield were demolished, but otherwise the car was
