A letter from L. K. Oakley, a former Maupin resident, now one of the proprietors of Oakley-Pate Seed Co., of 1327-29 Main street, Joplin, Mo., contained a check which places his subscription to the Times more than two years paid in advance--farther than any other present subscriber. On the back of the envelope is a picture of a garden collection which surely looks inviting. Friends here will remember that during Mr. and Mrs. Oakley's residence here a few years, their garden was a very practical demonstration, as do the products of the peach and apricot trees on L.C. Henneghan's property prove excellent selection.

Disbrow's auto writer is on sale at The Times office. A few of them are here in stock, while they last.
