

to Folks of the Northwest \$50,000,000 Loan Turned

Washington, D. C .- The senate, despite President Coolidge's indorse-

authorize the proposed loan of \$50,-000,000 to farmers of the spring wheat belt to finance their start in the poultry, swine and livestock industries.

In disposing of the proposal, carthe first of several special agrarian ad valorem rate on mill feeds. relief measures, the senate divided along geographical rather than party and 18 republicans opposing, and 20 farmer-labor members supporting the Leaders of the farm bloc insisted

that the result of the fight for the Norbeck-Burtness bill did not indicate the senate's sentiment toward remaining rellet bills. Many opposing votes, they asserted, were based on the opinion, expressed by Senator Glass, democrat, Virginia, and others, that it was "an attempt to put the United States treasury in the mercantile business," and further on the objection that it was designed to assist a sharp
