

# THE MAUPIN TIMES

Devoted to the Interests of Southern Wasco County

VOL. X.

MAUPIN, SOUTHERN WASCO COUNTY, OREGON, THURSDAY, APRIL 10, 1924

NO. 27

## Pioneer Lady Dead

Nettie Oconnor Emmons was born in Sebatha, New Jersey, June 19th, 1871, and died at Snohomish, Wn., April 5, 1924, aged 52 years, 10 months, 16 days.

She moved from New Jersey to Kansas in 1879, living there until 1891, when she came to this part of Oregon, living here until 1917 when she moved to Washington, where she lived until the time of her death.

Mrs. Emmons leaves to mourn her loss, her husband, Herman L. Emmons, and four children, Harry H. Muir, of New Plymouth Idaho, John D. Muir, Mrs. Fern Jory, and Thomas B. Muir, of this place, and two grandchildren, Melvin and Raymond Jory; also three sisters, Mrs. L. J. Herzog and Mrs. J. L. McCormick, of Phillipsburg, Kansas, and Mrs. John Closterman, of Waverly, Missouri.

Mrs. Emmons has been a member of the United Brethren church and has continued to manifest her interest in the Christian life until the time of her death. She was a loving devoted wife and mother and an esteemed neighbor and friend of all whose pleasure it was to have known her.

Funeral services were conducted

## Narrow Escape

Local Mail Carrier W. H. Williams experienced the most exciting accident about 7 o'clock Saturday morning that perhaps has ever occurred in this section. In approaching the steel bridge from the west end the steering wheel of his truck locked, resisting Mr. Williams' control and holding the curved position, struck the railing on the bridge with such force that it broke a 2x6 plank and was stopped by the steel support. A new wheel and tire were fortunately Mr. Williams' principal expenses, and he is rejoicing that he did no damage to the railroad track beneath.

Joseph Traxtle was found dead near his house on Bradger Creek having died of heart failure some time during the afternoon of the 8th, and was buried today in the Happy Ridge cemetery. Mr. Traxtle had been a resident of this section for the past eighteen years. He is survived by one son and two daughters.

ed in the I. O. O. F. hall yesterday afternoon by Rev. Parker of Wapinitia, and the remains were laid to rest in the Kelly cemetery

## Cream Station Here

For the convenience of the dairymen shipping cream from Maupin, The Mutual Creamery Co. of Portland established a cream buying station at R. E. Wilson Co. at Maupin, having a licensed tester in charge, who will receive, weight sample, test, and pay spot cash the day or day following arrival of your cream. This gives you the same advantage as you would have, should there be a creamery in your community.

The price paid will be Portland delivered price less a small deduction for express and station service.

The station provides a market of the same advantage to both small and large shipper. If you are coming to town bring your can along, whether it be full or not as you will receive the same price, whereas if you ship by express, a can half full will cost as much as a full one. You can take your can back home with you and avoid the annoyance of lost or delayed cans. You take no chances of cream being spilled in transit unless you spill it your self. You can see your cream weighed, sampled and tested, if you wish.

If you are living on a rural route, you can ship your cream to the Mutual Creamery Company, Maupin, and if it is not carried through any postoffice other than this, it will take the local rate which is much less than first or second zone rate and your can and check will be returned the same way next day.

About 8000 dairymen are patronizing these cream stations. Cream shippers should give this new industry in our community their support.
