## Home Destroyed

Fire early Tuesday afternoon destroyed the home of Percy Martin one half mile west of Maupin. Mrs. Martin was looking after some turkeys in a field considerable distance from the house, and when she saw the fire ran to save the children who were in the bedroom, arriving only in time to get them to safety. Insurance had expired and the house, cellar and chicken shed with all contents were entire loss, including some young turkeys and setting hens. Little Vivian made it known in her baby way that she had climbed and gotten matches with which to make a fire in the woodshed. This is believed to have been the cause, as Mrs. Martin had left no fire in the stoves.

The family will live on the J. V. Martin place, out six miles until they have rebuilt. Mr. and Mrs. Martin express their appreciation to the friends who have so kindly assisted in relief for their loss.

Times, \$1.50 a year.
