**News of Interest From the Schools**

Last Friday night the Maupin High School basketball team met their first defeat at the hands of the Metolius team, the score being 8 to 13.

The 7th and 8th grade pupils who made a semester average in spelling of 90 per cent or over were: Fannie, Aliene, Doris, Gladys, Lelah, Ivan, Rex and Mable. Those who made 90 or over in civics were: Aliene, Doris, Gladys, Lelah, Orville, Ada, Rex and Mabel.

The 7th and 8th grade pupils who were neither absent nor tardy during the first semester were: Ethel, Ada, Fannie, Nine, Lelah.

The number of B grades or over taken by 7th and 8th grades for the first semester average were: Aliene 10, Lelah 10, Ada 10, Doris 9, Gladys 9, Ethel 9, Rex 9, Kelton 9, Mabel 9, Ivan 8, Niua 7, Orville 7, Lawrence 7, Fannie 7, Jesse 6, Vernon 5, Ivan 2.

Laco Greene was absent because of trouble with his teeth. Cecil Mott is at work again after being absent because of a cold. Greatha Turner is absent on account of the illness of Mr. Turner. She is studying at home.

The pupils of the school and visitors from the town greatly enjoyed the pictures illustrating Boy's and Girls Club work in this state, which were shown in the high school auditorium Friday morning. Mr. Gronewald presented to Mrs. Lester Kelly a pin in recognition of her efficient work with a hundred per cent up last year. Mrs. Ralph Kai-

ser also received the distinguished service pin for her work during the preceding year. Lack of opportunity prevented the award being made to her at the close of the year's work. The community considers it a splendid compliment that it has leaders whose work with the boys and girls attracts the favorable comment of the county and state officials.

Those of Mrs. Deeg's room who were neither absent or tardy during the past month are: Jean Renick, Irene Woodcock, Marie Seifert, Ruth Mathews, Frances Lindley, Berice Hollis, Genevieve Allen, Henry Wilson, Herbert Kramer, Jack Chastain, Douglas Bothwell, Earl Adding-ton.

The high school will represent Maupin in a double-header game at Antelope on Friday night. The boys hope to repeat their victory won on their own floor. This will be the first game of the year to be played by the girls against an outside team.

For the last month of the first semester three girls earned a grade of A, representing 90 per cent or higher, in four subjects of the high school course of study. This honor was gained by Winifred Kaiser, Alda Pugh, and Jean Wilson. Those who earned A in two and B in two were: Helen Weberg, Olive Turner, Crystal Stuart, Merle Snodgrass, and Della Sprouse, and Irene Mathews.

**Mother Follows Son**

Mrs. Philip T. Knowles, mother of the late Philip W. Knowles, followed her son to that land from which no traveler ever returns on Thursday, January 21, being over 81 years of age at the time of her demise.

The following account of death and small obituary was taken from the Dufur Dispatch of Thursday last:

Mrs. Roda Seebold Knowles, aged pioneer resident of Dufur, died at her home here at 5:30 o'clock this morning at the age of 84 years, 9 months and 29 days.

Mrs. Knowles was the widow of Philip T. Knowles, Civil War veteran, who departed this life at Dufur December 24, 1924. Mrs. Knowles and her husband moved to Wasco county in 1883, settling near Wamic. Mrs. Knowles was born March 22, 1841, in Illinois. Her parents were both natives of Kentucky. Her father's name was Dotson and her mother's maiden name Hardisly.

She is survived by a daughter, Mrs. Curtiss Woodford of Hood River. The other immediate member of the family, a son, P. W. Knowles, died on January 5, 1926, at the age of 64 years.

Funeral services will be held at 2 o'clock tomorrow (Friday) afternoon in the Methodist Church, Rev. K. K. Clark officiating. Interment will be in the Dufur I. O. O. F. cemetery.

**They're Always Caught**

April 13, 1925, one, James Clint Waymeir was apprehended at Grangeville, Idaho with a still and liquor in his possession. In some way he escaped the officers and made himself scarce. Later the United States marshal got wind of his whereabouts and on Monday arrested him at Shaniko. Waymeir was brought before U. S. Commissioner F. D. Stuart at Maupin. The commissioner placed him under a \$1,000 bond, which he was unable to furnish. In lieu thereof he was committed to the Multnomah county jail, where he will remain until the next term of federal court.

A companion was arrested at the same time, but we have been unable to learn what disposition was made of his case.

**Fleming In Farm Group**

Jess Fleming of Maupin is mentioned as a member of the group on Commercial Tillage and Production which will report on that subject during the Wheat conference to be held at Moro, Sherman county, February 11-13.

The conference is called for purpose of discussing the various phases of agriculture, but primarily for the elucidation of ideas on wheat culture. Wheat growers research and extension workers, bankers, transportation men and warehouse representatives will be present and take part in the conference, which will cover three days.

Among the subjects to be taken up will be Farm Management, Storage, Grading, Shipping and Selling, each represented by a group.

**On Business Bent**

The last issue of the Dufur Dispatch contains the following account of the visit of three popular Maupinites to the orchard town: William Staats, Bob Wilson and Andrew Smith of Maupin spent Monday evening in Dufur attending to business matters. They report crop conditions good around Maupin with the exception of a shortage of moisture for spring plowing. Mr. Smith is in charge of the state fish hatchery at Oak Springs and Mr. Wilson is one of the town's live merchants while of course everyone knows "Bill."

"Let me tickle your lips with my antenna," said he. "Would you transform me," she replied.

"Only a shock of static and I'll fade out," declared the swain.

"Oh Jack," said the girl, "you have me wrapped in your spider web coils."

The young fellow took a shot from the gridleak, grabbed the Miss, rushed her to the tube, escorted her to a minister for the hook-up and they started on a life of regeneration.
