NEWS OF PINE GROVE

Sam Brown was the proud catcher of a 13-pound Dolly Varden trout, which he snagged the 15th while fishing in the Deschutes at the mouth of Nena. The fish was 26½ inches long.

C. Croall from Portland drove his Ford across the mountains last Sunday. The party found some snow, but were able to push across.

The track meet at Tygh Valley was well attended by all. Wapinitia made a fine showing with their small school.

Earl Bonner spent Sunday at home this last week end, and his mother, with the Burchards, took him back to Dufur that afternoon.

Cal Burnside, who has been in Portland for some time, came through here Monday on his way to the mountains, where he will work on the reserve.

The men of the Wapinitia Cattlemen's association took their cattle to the reserve Monday.

Wm. Dane left Pine Grove Monday for the reservation where he will work, and the Mayfields moved into his house Monday, so it will be nearer for their little son, Norman, to attend school.

The Linns have almost completed their new logging road.

WAPINITIA NEWS

Mr. and Mrs. P. J. Olsen and children spent Sunday with Mrs. Nettie Woodside.

Mr. and Mrs. R. A. Ward were transacting business in The Dalles Saturday.

The Maupin high school baseball team came up Saturday morning and played a game with our boys. The score was 8 to 4 in favor of the home team.

Mr. and Mrs. B. F. Foremen were visitors in The Dalles Tuesday.

The cattlemen turned their cattle on the range Monday. This is about two weeks earlier than usual.

Mr. and Mrs. Walter Driver and son were out from The Dalles visiting relatives Sunday.

A large number of people from here attended the track meet at Tygh Saturday. It was one of the best meets that has been held and interest was exceedingly high. Our school held first place throughout the day until the last few events, when Dufur passed us and won the cup with a total of only 9 points more than Wapinitia. Citizens here are proud that our school, being one of the smallest in the county, should make such a showing against a school as large as Dufur. Maupin took third place. Two high point men in the meet were Willard Oberond Roy Woodside, both from Wapinitia.

SMOCK AND VICINITY

Showers are frequent and most welcome. There is more and better grass in the pastures now than has been seen in the past 10 years at this time of the year.

The state veterinarian is here and is finding some diseases in

the various herds. Rainy weather and muddy water is said to be the cause.

Bert Scott and wife motored to Dufur Sunday last.

J. C. Bradway lost a cow Saturday night, it being evident she was poisoned by eating weeds.

J. W. Farlow was in Smock Saturday, returning to The Dalles in the evening.

Are you spraying your apple trees? The time is short.

F. T. Feltsch has been on the sick list, but is out again.

E. Wolfe is helping J. C. Bradway fence a pasture.

Mrs. Edith Hill gave a birthday party in honor of her mother, Mrs. Etta Large, Sunday. Mrs. Large came over from The Dalles Saturday.

Mr. and Mrs. Everett Wolfe were guests at the party given Mrs. Etta Large Sunday.

Rev. A. Frischknecht moved his family to Wamic Friday last. They are living in the Henry Wing residence. Mr. Frischknecht was elected teacher of the Bible class in the Sunday school. He preaches after Sunday school and also again in the evening. We are sorry to see the family leave Smock.

Two World Series Games May Be Played At Sesqui

Major League owners and managers are warming up to the invitation to play two games of this year's world series at the new Municipal Stadium in Philadelphia as part of the Sesqui-Centennial International Exposition which opens June 1 and continues to December 1.

The international aspect of the exposition and the opportunity to introduce the sport to the

thousands of visitors from foreign shores have caused the change in the magnates' viewpoint. There will be many at the Exposition who have never seen a baseball game and a world series contest, according to an official, who believes will turn them into baseball enthusiasts.

Another official says baseball shouldn't pass up the advertising features which already have been recognized by every other sport.

"Virtually every major sport organization," he declared, "has taken advantage of the Sesqui-Centennial to boost its activities. All the sport classics, with the exception of the world series, will be held in Philadelphia sometime during the Exposition. The big leagues should do likewise."

Dr. George W. Orton, sports director of the Exposition, plans to invite all the league officials and managers to the Stadium while they are visiting Philadelphia this summer.

Local canners are laying a supply of "prairie oysters" these days.
