### Have Them Fixed

A great many people seem to think that when their teeth plates are a little worn that a new one is necessary. Not so. Just take the old plate to Dr. Slatten at the parlors of the Portland Painless Dentists, The Dalles, and he will soon make them as good as new. Dental work in all its branches with a guarantee of perfect service done at that studio. See him when in need of work on your teeth.

### Grades Have Picnic

The 7th and 8th grades of the Maupin schools picniced at White river Monday. A few high school students and some invited guests also were with the graders. Eats a plenty, with bathing, horesback riding and other sports made up a day of real enjoyment. The picnics were conveyed to the R. butler ranch by H. R. Kaiser, Mrs. Vere DeVoe, James Appling and Wiley Knighton. This was an annual affair and was attended by nearly 50 youngsters and others.

### Livestock Inspector Busy

Dr. Lawrence Stovall, in his capacity of livestock inspector for this district, has been rather busy of late. Last week he inspected shipping flocks for John Joyce and Kohner and Hauser. ### Maupin 9, Tygh Valley 2

So said the score book at the end of the game between Tygh and Maupin at the latter place last Sunday. The game was featured by heavy hitting on the part of Maupin. The addition of Bonney on the local team peped up the members of that club, and each one played as though a championship was at stake. Bob Lewis was responsible for three of the runs scored by Maupin. McCorkle and Smith were opposing heaviers, with the former having the better of the argument. Boyd plays here next Sunday, and a good game is expected.

### Blaze On Bridge

Last Friday, while Clarence Fargher was coming over to town he noticed flames shooting up between planks on the bridge. Stopping his car and investigating he discovered that someone had thrown a lighted cigarette on the planks, setting the fire. Clarence carried water in his hands from one of the barrels on the bridge and put the fire out.

Had the fire occurred at night the traveling public might have had to wait the laying of a new floor on the structure.
