THEDALLES, OREGON

Science for Service

True education combines theory and practice, and its goal is service. Oregon's Land-Grant College affords the liberal training essential to personal culture and civic efficiency, combined with special training for leadership in fields vital in modern life.

Basic and General Training—

In the School of Basic Arts and Sciences and the department of Education and Music.

Technical and Special Training—

With curricula leading to the bachelor's degree in the schools of

AGRICULTURE	HOME ECONOMICS
CHEMICAL ENGINEERING	MILITARY SCIENCE
COMMERCE	MINES
ENGINEERING	PHARMACY
FORESTRY	VOCATIONAL EDUCATION

Graduate work is offered in most of the schools. In addition to the Resident Instruction, the Experiment Station and Extension Service specialize in the application of science in every-day life.

FALL TERM BEGINS SEPTEMBER 20

CORVALLIS

ITEMS FROM SHANIKO

There is a continuous procession of range horses being driven thru here on their way to Portland almost every day, which ought to clear the range and give the bunch grass a chance to grow up again.

The state highway commission erected a water fountain at Buck-hollow about four and one-half miles out of Shaniko on the Sherman highway. Not only does this fountain make a good impression, but it comes in pretty handy for the traveling public.

The rain we had last week caused the grass to grow again, it also slackened the wheat hauling. Some of the farmers have started harrowing summer fallow and other work on a ranch.

Mr. and Mrs. R. E. Casebolt and children started on a week's vacation, intending to take in the scenery along McKenzie pass and Mount Hood loop.

R. N. Altermatt, wife and two daughters, of Albany, are visiting with his brother, A. R. Altermatt, and family.

A. L. Hanna and two daughters, Edythe and Phyllis, were over at Wapinitia last Sunday, visiting with the McCorkle family. They returned the same day.

It is reported that Mr. and Mrs. Otis Proffit are back from their honeymoon. Mrs. Proffit was formerly Mrs. Ed. Hinton.

Eddie McKinley and wife went to Bend to take over the management of an apartment house owned by Mr. F. B. Jackson, formerly of Shaniko.

It is rather late to mention, but it will be news to many, that Mr. F. B. Jackson married Mrs. Goff, mother-in-law of Eddie McKinley.

Mrs. Otto Hinkle and children were up from The Dalles visiting her brothers, Max, Otto, Arthur and Armin.

John Gavin, an attorney of The Dalles, came up here last Saturday evening and took his brother, Tom Gavin, senior member of Gavin & Wheeler, and mayor of Shaniko, for a week's camping at Camp Sherman, on the Metolius river.

Mrs. Nellie Pointer is waiting table at the Sherman restaurant.

Tourist travel is heavy thru Shaniko now. On the 24th there were 100 cars counted going thru town either way before 10.00 a. m.

Everybody was wondering why Gus Reeder had such a smile on his face all last week, but the mystery is solved. It is reported just in time before closing that Elma Blackney, formerly Elma Reeder, gave birth last week to a baby girl in Portland. Gus is a granddad again, and we congratulate.

Mrs. William Gott and Mrs. Edna Miller motored to The Dalles on business.

WAPINITIA ITEMS

A. Lincoln Hartman made a business trip to Tygh Valley last Friday.

Ranchers in this vicinity are busily engaged in hauling wheat to the Maupin warehouses.

Mrs. L. M. Powell went to Maupin Sunday and will visit during the week with her daughter, Mrs. R. E. Richmond. Mrs. Powell recently underwent a dangerous operation, but is greatly improved at this writing.

This section deeply sympathizes with Mrs. Carl Ober, whose father was killed in an auto accident near Dufur last Sunday.

This place will soon lose one of its most respected citizens in the departure of Mrs. L. A. Rice, who leaves for Estacada, where she will make her home. Mrs. Rice was always at the front in matters relating to the best interests of Wapinitia, and her many friends are genuinely grieved at her departure.

Herbert Hammer and family were in Maupin on business Monday and called on Mrs. Hammer's mother, Mrs. Nora Bothwell, while there.

Work is being rushed on the new road, the grade between Woodside's corner and Pine Grove being nearly completed. Travelers going toward Mt. Hood are advised to take the upper road from Wapinitia to Pine Grove, as the main road is nearly impassable, owing to the newly laid grade.

Lee Jackson, Tygh Valley butcher, purchased a beef critter from Mrs. L. A. Rice last Saturday.

14th FAIR

EVERYBODY'S GOING

To the Biggest, Best and Most
Entertaining

Southern Wasco County

FAIR

TYGH VALLEY, ORE. SEPT. 2-3-4

The Southern Wasco County Fair for the year 1926, will far exceed all other expositions given by the association. In the Matter of Stock Departments, there will be more entries, and also greater varieties than ever before. Many stock raisers have written for entry blanks and will make an endeavor to have as large and varied displays as were ever seen at any fair of the size of this one in the Northwest. The displays of fine horses at the Tygh Valley Fair have always been above the average, and this year's exhibit promises to eclipse all other attempts to make this exhibit bigger and better than ever before. In the matter of poultry, sheep, goats, rabbits and all pet stock, the Boys' and Girls' Clubs will make an especial effort to excel all other years. In the Domestic Arts department promises have been received of many new and original articles for competition for premiums. The Indians from the Warm Springs Reservation will have a large and varied exhibit of Indian bead work, fancy sewing, and various other articles of Indian handicraft. The race program has been so arranged that all classes of fast horses will have an equal chance on the purses. These range from pony races to races for the fastest horses in the country. A big free open air attraction has been engaged for the three days, and such exhibitions will be given in front of the grand stand. The grand stand has been made more comfortable by the addition of seats, with aisles between, thus making it possible to pass up and down without disturbing those already seated. The new pavilion will hold nightly dances and picture shows, and a fine boxing carnival has been arranged for Thursday night. There will also be a full complement of refreshment stands. Water is being piped from a large spring above the grounds, and this means an abundance of pure drinking water for all. Come to the fair.

Make Your Arrangements to Attend All Three Days
