> Lyko, the great systematic tonic \$1.50. Maupin Drug Store.

Milo Wood returned from a deer hunting trip to the Snow Mountain country Tuesday, bringing a fine five-prong deer with him. Milo says that H. M. Barnum of Shady Brook, one of the party, also was successful in killing a five-prong buck. The meat was fine as the Times man's family can testify, as Milo remembered us with a fine piece of venison.

Fixed Bank Roof

The managers of the Bank of Maupin evidently do not agree with the "Arkansaw Traveler," who could not fix his roof when it rained and would not in fine weather, "because it didn't leak then," for they took advantage of the fine weather and applied a coat of tar to same

With the elimination of this dangerous open vertical crack the Haag Vortex is able to wash any garment snowy white in from

That is why we say: "WASHING MADE SAFE."

No more need to use a slow half-cleaning type of washer to avoid worry about your clothing being pinched or cut in the crack around the agitator of the fast washer—the Haag Vortex washes

both fast and safely. Buttons, for instance, can't be pulled off in the Vortex and jam the agitator as in fast type machines.

There are exactly nine other points of marked superiority in the Haag Vortex.

Write us for free demonstration in your home your next wash day. We have four Haag Vortex Washers now in your town.
