NOTES FROM MAUPIN SCHOOLS

The end of six weeks finds the students reviewing all the work covered this school term. Tests are being given in the four upper grades and the High school on Thursday and Friday of this week. In the High School double periods are being assigned for each exam. The grade cards will be distributed next week.

The student winners of blue ribbons at the Southern Wasco County fair were delighted to receive an invitation from Supt. Gronewald to attend a banquet in The Dalles on Thursday evening. This entertainment for all blue ribboners who worked on school projects is being sponsored by several civic organizations in The Dalles.

That a third High School teacher is to be hired shows how the Maupin High School is growing and points out the progress that is yet to come. The enrollment is now 43. The courses given will likely be increased

and more time will be given to the individual needs of the students.

The place allotted for a science laboratory in the High School basement is now being partitioned off from the furnace. This will make it a much more desirable class room. Laboratory periods began last week.

The upper class English students of the High school have spent several days writing letters of application. This is of practical value, particularly since the positions applied for the ones which students have training enough to fill.

The three lower grade rooms enjoyed some Columbus Day exercises Tuesday afternoon. The little folks from the first and second grade room were guests and the other students performed. A 5th and 6th grade play was given. Three students from the 3rd and 4th grade room told the story of Columbus.

Valley Sunday evening.

Mr. and Mrs. Clyde T. Bonney and Miss Margaret Elliott motored to Maupin on Saturday.

The World series baseball games have caused much excitement in the Tygh Valley school this week. The students could hardly wait until school was dismissed to rush down to Muller's store and get the returns by radio.

Willis Norval and daughter, Hilda and Gertrude Doering, who are picking apples in Hood River Valley, spent the week end at their home in Tygh Valley.

Mr. and Mrs. Knox, who is packing apples at Dufur, spent the week end at home with her family.

Last Sunday the Tygh Valley Juniors played a game of baseball with some older high school boys. The Juniors played a fine game and won by a score of 10-8.

The Lu Core family motored to Maupin on Tuesday evening.

Henry and Walter McGreer, who are living at the home of Mr. and Mrs. Clyde T. Bonney and attending the Tygh Valley High school, spent this week end at their home in Clarno.

Miss Edna Derthick of Maupin has been spending several weeks at the home of her grand parents, Mr. and Mrs. Lofton, at Tygh Valley. The Loftons recently moved from their ranch to a house in town.

The regular Grange meeting was held Saturday night at Shady Brook Community hall. After the meeting a dance was held.

Bill Stillwell, our village blacksmith, aroused much curiosity in Tygh Valley Saturday when he was seen driving his car with the running gear of a farm wagon attached to the back of it. We have not learned his motive for this type of sport.

Mr. Cerin came through town Friday with a large load of wood and stayed over night with his son, Wilcox, who is living in town and attending the Tygh Valley High school.

NEEDS A T. B. SANITARIUM

The National Tuberculosis association, which has had extensive survey experience, states that a careful search in any community will uncover approximately seven living active cases of tuberculosis for each annual death. There are without doubt some 500 cases of tuberculosis in Eastern Oregon. The chances for recovery of any tubercular patient are greatly increased by at least a few months of sanitarium care and yet there is nowhere in Eastern Oregon a hospital that makes provision for the care of such patients, and outside of a few going to a private sanitarium all must cross the mountains and go to the state sanitarium at Salem. This institution has only 190 beds and the waiting list on September 14th was 44. In the last six years it has admitted 933 patients, while, entirely for lack of space, 422 other patients, who also applied for care, were never admitted at all. Eastern Oregon patients are asking that they have a sanitarium on their side of the mountains, where they can have care more promptly when they need it and without going such great distances from their families.

In the last five years Wasco county has had 36 deaths from tuberculosis, and only 6 have had sanitarium care. Vote 320 YES. FOR SALE—50 head of purebred Rambouillet Bucks. Emil Hachler, Wapinitia, Oregon. 48-16

HISTORY IN CAKE

This replica of historic Independence Hall in Philadelphia is a fine example of the baker's art. It was made by the chef of one of Philadelphia's leading hotels to advertise the Sequel-Centennial International Exposition, which will open in that city June 1 and run to December 1 to celebrate the 150th anniversary of American independence. The "State House" stands on a table at the entrance to the main dining room of the hotel.
