Trout Now Taking Flies.

With the coming of the natural
trout flies fish of that species have
begun to rise to the artificial attract-
ors. Several good catches have been
made during the past few days, and
with the water clearing fly fisher-
men may look for some fine sport on
the Deschutes.

Visitors From Salem.

Mike Van Laanen, with his wife
and mother-in-law, Mrs. Thomas
Batty, arrived from Salem last Sat-
urday for a visit with the L. C. Hen-
neghan family. Mr. and Mrs. Hen-
neghan drove the visitors to their
home today, leaving early this a. m.

To keep oxalic acid on hand for
cleaning purposes, buy an ounce of
the crystals, put them in a half-pint

of water, and pour off the top part
of the solution to dilute as needed.
All of the crystals will not dissolve,
but this method insures a strong so-
lution. Label the bottle poison, of
course, and keep it away from the
children.

What Housewives Should Know
Leather furniture coverings look
better and last longer if they're
rubbed occasionally with castor oil.
This restores to the leather the oil
that gradually dries out. The oil
should be well rubbed in and any
excess wiped off the surface, or it
will collect and hold dirt which will
darken the leather and soil whatever
touches it.

NOTICE

the one holding the luck number

deavor to entertain all attending

Airplane Ambulance Proves Value

The value of an airplane as an ambulance was proved after the
recent tornado at Rock Springs, Tex., where 61 people were killed and
scores injured. The plane ambulance is shown above, the patient being
placed in a special compartment of the fuselage. Below a family is
shown seeking lost valuables in the wreckage of their home.
