saves 948 babies out of each 1000 provement over 7 lives per 1000 over CLAIM AS BIRTHPLACE living births. This is higher ratio the year 1925. Eleven small cities than is attained by any other state of the United States had rates more Nine Hundred Forty-Eight Babies in the birth registration area. The favorabe than Portland's race. The Out of Every 1,000 Are Living nearest competitor is Washington, highest rate of saving was shown by where 944 out of each 1000 are Benton Harbor, Michigan, where 973 saved. Minnesota comes third with a out of each 1000 babies survived the That Oregon still holds the dis- ratio of 933 per 1000. The poorest first year. Of other ten small cities with favorable rates, four were in California, one in Washington, and one in Oregon. The last mentioned is Salem, where the Marion County Child Health demonstration is in pro-

INIDAN EXHIBIT AT NEXT FAIR

The Indian exhibits at the coming fair of the Southern Wasco County Fair association bids fair to eclipse all other showings made by them. Special efforts are being made by the Warm Springs Indians to have a complete display of their work, both fancy and plain, as well as a good display of farm products raised by

It is promised that more Indian

This Is Our Method Of Advertising

During the past year we have given away hundreds of valuable prizes and spent many thousand dollars in cash to advertise our business. Now we are going to give away a fine sedan to some live man or woman, boy or girl who will assist us in advertising among their friends and neighbors.
