TYGH VALLEY HIGH SCHOOL

The Freshman mixer was a very enjoyable affair, judging from the remarks freely made last Friday at Tygh. Little Lorine Brittain welcomed the audience. A short program was rendered under the direction of Miss Elliott, after which the Tygh High School Orchestra, under Miss Carmel Woodcock, furnished music for a delightful dance.

Tygh wishes to express appreciation for the presence at the mixer of some splendid boys and girls from Maupin High. This is the right spirit. Tygh is ready always to cooperate. Awfully sorry that Mr. Nagel could not attend. We understand that the principal at Tygh sent him, his teachers, and the students of his school a special invitation.

To the best of our knowledge no official notice has thus far been taken of Tygh's challenge for two games of football. However, we have heard unofficially that Maupin is planning to play but wish the date pushed back about two weeks. A lot of interest manifests itself in the games. Mr. Gronewald has said that he will be delighted to select the officials and himself officiate. One thing is certain, the Tygh boys are not afraid.

Some notices were received at Tygh advertising the Days of '49. These were very promptly posted conspicuously. Count on us to boost. We do not plan to build ourselves up by tearing other people down.

Tygh wishes to give a dance on the last Saturday evening of October and asks Maupin to leave this date open. It would seem that Tygh should have at least on dance a month unopposed by her neighbor.

"All of a Sudden Peggy" has been chosen as the Sophomore play. This will be given some time during November. Exact date will be announced later. This we understand to be real comedy. Do not fail to see it and prepare to hold your sides. Judging from last year's record the Tygh boys and girls can deliver the goods. The Seniors announce the selection of "The Whole Town's Talking" as their play for the end of the year. The Freshman play has not been chosen. Probably the Freshman will be ready for their play about February or March. Exact dates will be announced in due time. Do not miss these fine plays.

Camel
 Climbing to new heights of popularity

Government figures show that more Camels are being smoked today than ever before. One after another Camels passed them all.

If all cigarettes were as good as Camel you wouldn't hear anything about special treatments to make cigarettes good for the throat. Nothing takes the place of choice tobaccos.
