Attended Mulvaney Funeral.

Carl Pratt and family, Bernard Welch and wife, Roy Crabtree and family and Dee Talcott and wife attended the funeral of Sidney Mulvaney at Wamic last Sunday.

Driving Almost New Car.

"Billy" Hunt is driving his Willys-Knight car again. The auto figured in a wreck some time ago and since that time has been in the shop undergoing going repairs. It is now resplendent in a new body, windows, axles and several other parts required when the capsizing took place, and is, to all appearances and uses, a brand new car.

Morrow Goes to Odell.

Jack Morrow has accepted a position with a grocery and meat market firm at Odell, above Hood River, and left for that place Tuesday. Jack will have charge of the meat market. His family is now at Mrs. Morrow's parents' home at Dufur, but will join Jack at Odell the first of next week.

Shipped 63 Cars Wheat.

Since the 1927 wheat crop began to come to town the Maupin Warehouse company has shipped 63 carloads of that grain to the Portland market. The manager, George Morris, expects that before hauling ceases the elevator will have at least 10,000 more bushels to ship.

Returned From Deer Hunt.

Alvis Martin and party returned from a deer hunt in the Umpqua country last Friday. Alvis says there are plenty of deer in that section but that they are so wild that but few were seen, as hundreds of hunters have been in Southern Oregon this season. At that one deer was secured, it having been killed by Harrison Young.

Infantile Paralysis.

According to the report of the U. S. Public Health service, collaborating with the state authorities, on October 25 there were 31 cases of infantile paralysis in this state. Coos county led with eight cases, Josephine coming next with five. Benton county had three cases and Klamath, Lane, Portland and Union two each. So far there have been no cases reported from this county, in fact the only cases coming from Wasco county were one of influenza and one of mumps up to the 25th of this month.

After Football Game.

Principal Nagel and Coach Davies went to Dufur yesterday afternoon for the purpose of arranging for a football game between Dufur and Maupin teams. A game has been scheduled with Tygh Valley for November 18, at which time it is expected the local boys will have had practice sufficient to win.

Sundayed at Gateway.

Alvis Martin and wife and their niece, Miss Leona Martin, went to Gateway Saturday and spent the time to Sunday night visiting at the home of Miss Martin's parents.

THE HIGHWAY PROBLEM

Oregon people want no reduction in highway revenues that would jeopardize highway expansion. If the license fee should be cut to \$3, road building in Oregon could not go on. Here is why: The cut to \$3 would take \$3,900,000 from license total and reduce the total highway fund to only \$4,100,000. Against this \$4,100,000 would be the following unavoidable expenditures: Maintenance, \$1,750,000 a year; interest outstanding bonds, \$1,774,118 a year, retirement of maturing bonds, \$1,975,000 a year; cost of administration, about \$150,000 a year. And Oregon must match the federal aid fund, which averages about \$1,300,000 a year, or there will be no federal aid. This added to other items means a total outgo of about \$7,000,000 a year. A cut to a \$3 license fee would reduce the total revenue to \$4,100,000.

The United States is the most important poultry raising country in the world, producing more than one-third of the world's supply of poultry and eggs, according to the Department of Agriculture. At that but few of the eggs produced are now being used to voice displeasure of the attempts of vaudevillians to get their stuff over.

Shoot Snow Geese.

Tuesday afternoon John Confer and Lew Henneghan went to the Flat after wild game and succeeded in downing a pair of snow geese. Early Wednesday morning they made another trip to the upper prairie, taking Joe Kramer with them. Joe downed a spoonbill duck, Lew getting another pair of snow geese.

Returned from Portland.

After spending a fortnight visiting with relatives and friends at Portland, Mrs. R. E. Wilson returned to her Maupin home Sunday. Her coming home relieved Bob of great responsibility, as he was compelled to act as housekeeper, cook and store tender while Mrs. Wilson was absent.

150,000 People Attend Every Year

FARMERS from all parts of the country devote both time and money to attend the Pacific International Livestock Exposition.

The 17th Annual Exposition will be held at Portland, October 29 to November 5. It will combine great Livestock Show; Dairy Products, Land and Manufacturers' Products Shows; Wool and Fox Shows; Boys' and Girls' Club Work Exhibits; and spectacular Horse Show.

Pure Bred Beef and Dairy Cattle, Horses, Sheep, Hogs, Goats, and Foxes will be exhibited. \$100,000.00 will be distributed in Premiums.

The Maupin State Bank believes this great western Livestock epic presents many opportunities for obtaining vitally important information on farm management and operation. The influence of a few days' visit will bring year round benefits in the conduct of the farming business of those who attend.

Maupin State Bank (INCORPORATED)

will be added a shed 20x60, the building to be occupied by a garage and blacksmith shop.

F. M. Confer sold his this year's wheat crop to the warehouse, receiving \$5,000 for it, or at the rate of \$1.50 per bushel.

The frame work for the new Kelly hotel was begun Wednesday morning with Contractor Wilhelm in charge. A basement 36x60 feet in dimension has been completed and the building will be rushed to completion.
