#### TYGH VALLEY HIGH SCHOOL

The entire High school went to Shaniko last Friday afternoon for the return football game with the Shaniko-Antelope boys. The game was hotly contested from the start. The Tygh boys, however, were outplayed and the final score was 6-0 in favor of the Shaniko-Antelope boys. On Tuesday afternoon the Tygh Valley High school went to Dufur for a practice game with the strong and fast Dufur High school team. In this game the Tygh boys showed a marked improvement and lost their chance to score only by a mistake in signals. They did make yardage consistently and at one time had the ball within eight yards of their opponents' goal. The Tygh boys ran a poor interference and were decidedly weak on defensive playing. They somehow have not learned to use their heads. They are game fighters and decidedly good sports. The final score was 7 to 0 in favor of Dufur. The game was referred by Mr. George of the Dufur schools. Mr. George is one of those rare men who can referee a game in which his own team is interested and yet never give nor take from either team. We of Tygh Valley have for him a very high regard. The Tygh boys play three more games of football, all of which will be on their own grounds and the last of which will be with Maupin on November the eighteenth. They then go in for basketball.

As stated previously in these notes, Tygh will run three basketball teams: a High school boys' team, a junior boys' team, and a team composed of High school girls. We are now scheduling the games. We of Tygh consider properly conducted athletics very helpful to boys and girls and a good preparation for the battle of life. It encourages young people to observe the laws of health, because without health they can not compete successfully as members of the different teams. The writer has known boys to voluntarily discard certain bad habits because those habits interfered with their success as athletes. Athletic contests develop

those habits that are most necessary to success in the battle of life, such as courage, self-reliance, stick-to-it-iveness, quick and accurate thinking, good sportsmanship, and most important of all, honesty. Athletic coaches who permit boys to be crooked, to say nothing of encouraging trickery, should be discharged, and honest men secured in their places. Unfair tactics of any kind should never be permitted.

New equipment for the science department has just lately arrived at the High school. The young people seem to enjoy this subject most of all. They delight to perform experiments.

Next Tuesday, November the eighth is homecoming evening for the Tygh Valley Rebekahs. Visitors are more than welcome. Friendship rules at Tygh. We want our relations with our neighbors to be most cordial and friendly and we are ready to do our full part to make such a condition real.

We are informed that C. D. Buckley of Sherman county has purchased the Rondeau farm and will soon be an inhabitant of Tygh. That he will be a most valuable addition to the business life of the community we are very certain. Tygh is slowly coming into its own.

#### News Of Busy Shaniko

On Friday of the last week our Shaniko-Antelope football team met and defeated the Tygh Valley boys on the local gridiron, the score being 6-0. Approximately 200 people witnessed the game—the first of football ever held in this extremity of Wasco county. The game was an even contest after the first touch down of the locals. Our boys threatened to cross the goal of their opponents a second time and the Tygh aggregation made a pretty march down our twenty-five yard line in the last quarter. Both teams showed great improvement in their tactics of the previous week, when they played a scoreless game at Tygh. The weather man was somewhat un-

kind to us, but wind and rain failed to daunt or chill the loyalty of folks behind the boys. Gate receipts and advance ticket sale totaled approximately \$45.00. A. E. Gronewald brot officials for the game from The Dalles and himself served as time keeper. After the game, the boys of each team had their showers at the school house. The Tygh boys departed in good spirits and with a reputation as good sportsmen.

Arrangements for a game with the Maupin boys was made the early part of the week. It will be played at Maupin on Friday.

In the items of last week the writer neglected to mention the banquet the boys had at the Hotel Kelly at Maupin after the game with the Tygh boys at Tygh. Thru the courtesy of the hotel management, the boys were permitted to use the bath and dressing room so when they appeared at the table, they made a rosy-cheeked and happy-eyed group. The eats were great, the main attraction being four roast ducks raised by Alfred Bennet on his ranch in the Antelope country. When the appetites had been satisfied, the boys began planning to receive the Tygh aggregation one week later. Sentiment was strong for more games, so plans were made and Ted McGreer was elected captain of the team. When they finally shoved their chairs from the table, the boys were feeling very jubilant over their first experiences in football.

The benefit social and box supper was a great thing. About one hundred people gathered at the schoolhouse Thursday night, enjoying the program, took part in the community singing, banqueted on the contents of dainty boxes, and showered words of praise and encouragement upon the members of the Shaniko-Antelope football team. The program was built around the services of our orchestra members, Dean Hartzel, Vern Shipman and Harry Graham, ably assisted by Ivan Olsen and A. R. Altermatt. Margaret Reeder, Gertrude Olsen and Phyllis Hanna appeared in songs, Lawrence Gott and Phyllis Hanna in readings, while Jack Rees and Ralph Reeder demonstrated the mysteries of oxygen and carbon dioxide gases. Mrs. Wheeler

sang a ballad and for an encore "Annie Laurie." Mrs. Casebolt gave a reading "Dot Baby of Mine."

Song lovers then gathered around the piano, and under the leadership of Mrs. Wheeler and Mrs. Rees, sang old time and popular verses. Two miniature football games followed and then a cracker eating contest by the primary pupils.

The animated voices and laughter gradually ceased as the auctioneer, Mr. Reeder, and his clerk, Mr. Casebolt, mounted the platform. This was the event of the evening. Bidding was brisk from start to finish. The first box was knocked down to Viv Bolton of Antelope. Then followed in rapid succession twenty-five more, in fact, bidding was so spirited that all but one of the baskets were sold when the auctioneer first realized the danger of losing out on a feed for himself. Then in a bidding contest with his son he won the last basket at the premium price of \$5.50 thereby securing the highest priced basket of the evening. Mr. Casebolt had to pay \$5.00 for his box so Mrs. Reeder and Mrs. Casebolt had the pleasure of seeing their boxes make the largest contributions to the benefit fund for the football boys. The gross proceeds from the sale of boxes and lunch was \$65.00. Then came the speechmaking. Principals Springer and Broughton, of Antelope and Shaniko respectively, and Alfred Bennet, coach, started the ball rolling. Others spoke in rapid succession, proclaiming their interest in the game and their confidence that the boys would give a good account of themselves on the gridiron Friday. The climax came when Mayor Gavin arose to declare a half holiday for the game. Thereupon, Mayor Bolton, not to be outdone, did likewise for Antelope, and Mr. Bennet announced that his ranch hands were all getting time off to come to the game. The hour was getting late so the party broke up singing "Auld Lang Syne."

L. V. Brogton photographed the football team in their new togs on Tuesday of last week.

Eugene Warner registered as a Freshman, Monday morning. He has spent the first two months in a private school in Portland.

#### Optician Coming

Dr. Clarke, of the Clarke Optical Co., No. 360A Alder St., Portland, Oregon, Eye Sight Specialist, will be in Maupin, all day and evening, Monday, November 7th, at the Home Hotel. See Him About Your Eyes.

#### New Cattle-Shipping Point

Nearly 1,000 head of fat steers were shipped in one day recently from Seneca, on the high plain of Grant county, a spot which a few years ago was one of the bleakest, coldest and most isolated in the

United States. A railroad has been built northward from Burns to get to the timber belt of southern Grant county and it will also serve the great cattle country embraced in the 70 miles from Burns to Canyon City, with a wide area east and west.

#### Oregon News Notes

Bend turkey growers will ship 60 tons of turkeys this year.

Record area of winter wheat being sown in Eastern Oregon this year.

Redmond reports a great scarcity of houses to meet renting needs.

Salem—Elsinore Theatre adds \$20,000 worth of electrical equipment.

Marshfield—G. W. Moore Lumber Co. buys 1,000 acres timber on Coquille River.

Gold Hill—400 cars cement and 145 cars of fruit go from here in September.

Brooks—Japanese gardeners give carload of celery toward building a Japanese school.

Portland to have an extension of New York stock exchange ticker.

Pendleton—James Maloney ranch, 900 acres, has crop of 48,000 bushels wheat.

LaGrande building two \$250,000 hotels.

Burns—Levena Hotel to be doubled in size.
