

PERSONAL MENTION

F. D. Tibbott was in town from Tygh Valley Tuesday.

D. L. Rutherford was in from his Criterion ranch on business Monday.

Mrs. Dolph Goetjen was in Maupin from Tygh Valley on Tuesday.

J. S. Brown and wife were in from Wapinitia Plains on business on Monday.

Harry T. Lewis was down from Wapinitia Plains on business Tuesday.

Dr. L. S. Stovall and wife drove to The Dalles on a business mission Tuesday morning.

Little Emery Crofoot spent the week end with the family of Lester Crofoot at Two Springs.

Henry Kramer, the Smock sawmill man, was in Maupin on business connected with his mill on Monday.

J. W. Temple, wife and daughter, Mrs. Gordon Mateer, drove to The Dalles yesterday on a business trip.

George Cunningham and wife were at Portland over the week end, returning to Maupin Tuesday night.

R. E. Wilson, wife and son, went to Portland last Thursday and took in the Armistice Day program there. They returned to Maupin Sunday evening.

J. G. Kramer was in from Ridge-way Monday and helped his son, Joe, Jr., to lay floor in the latter's new residence.

Miss Ada Carl, who has been visiting with friends in the Willamette Valley the past ten days, returned home Saturday.

Ray Morgan came up from Lafayette Saturday and remained until Sunday evening as a guest at the George Carl home.

Chas. Edwards and family have returned to their home at Baker, after having been at the road camp on the cut-off nearly all summer.

L. C. Wilhelm returned from the Clarno oil fields Monday night. He had been there building a brick wall around the boiler at the site of the oil well now going down.

DAD COALE OUT OF HOSPITAL

Able To Walk Around With Aid Of Cane—Improving

While at The Dalles yesterday The Times man met "Dad" Coale, who is recovering from a paralytic stroke, having been in a hospital for some time. "Dad" relates that he was discharged from the hospital last Friday, but that arrangements had been made to take him to the county farm, with which proceeding he refused to concur. He is at the Flynn hotel and expects to be able to come to Maupin in a short time. Mr. Coale sends his best wishes to all Maupin friends and is grateful for the many acts of kindness extended him by those friends during his illness.

VOTED IN COLLEGE Y. M. C. A.

Roy Woodside of Wapinitia Becomes Member of Association

Oregon Agricultural College, Corvallis, November 15—Roy Woodside of Wapinitia is one of the eight new members to be voted into the college Y. M. C. A. Membership cards are given to the members which entitles them to privileges in any Y. M. C. A. Membership is based on good character and willingness to support and further the ideals of the "Y."

Karolus In Hospital.

Nick Karolus has not been feeling just right lately, so last Thursday he went to The Dalles and entered a hospital there. He is suffering with rectal trouble, but expects to soon be able to return and take up his work on the O. W. section soon.

TYGH VALLEY HIGH SCHOOL

About twenty Odd Fellows went from Tygh to Dufur last Saturday and all report a most enjoyable visit. Tygh furnished two candidates for the third degree, which degree the Dufur lodge very beautifully exemplified. Dufur had one candidate of their own and the second candidate was furnished by Maupin.

Claire Norval and Clifford L. Brown were the two candidates from Tygh.

Arthur Muller is nursing a swollen ankle and is doing his dead level best to prepare himself for the big game Friday afternoon between Maupin and Tygh. He has thrown away his crutches and makes a heroic effort to walk without limping. It will be one of the marvels of the age if he so far recovers as to be able to play Friday afternoon.

Kenneth Webb appeared this afternoon in football uniform for the first time since his hurt a month ago. We hope for Kenneth's own sake that he will be able to play Friday. He is so anxious to do so.

Play practice continues steadily but does not seem to excite the interest that football does. We hope however, to have the play ready early in December.

Mrs. Leone Miller, grade-teacher in the Tygh Valley public school, because of illness, has not been able to be in her place during the week. Miss Ruth McCorkle is substituting for her.

Quite a number of Tygh Valley folks went to The Dalles last Friday to enjoy the Armistice Day festivities, especially the football game between Salem Hi and The Dalles Hi. This was "some game." We hope ours next Friday may be as interesting and in the same way.

In the last scrimmage preliminary to the big game this year, Massie Ashley, efficient left tackle for the Lilliputians, smashed his nose. Massie declares he needed something of that kind to put him in a proper frame of mind for the big game.

Are you proud of your boys? Then watch the giants tangle with the Lilliputians this Friday at Tygh. Are we proud of our boys? You bet! We shall be on hand to see them in action against overwhelming superiority in avoirdupois of the giants Friday afternoon.

To Avoid Collecting

Maiden Aunt to small boy weeding in the garden: "Did your daddy promise you something if you pull all the weeds out of the garden?"

Small Boy: "No, he didn't. He promised me something if I didn't."

ANOTHER SHADY BROOK DANCE

Community Hall to Be Scene of Big Time—Troubadour Four to Be On Music End

The Troubadour Four, the premier musical organization of this section, will be in action at the dance to be given at Shady Brook Community hall on Saturday evening, the 19th. Of course all know Shady Brook dances are among the most enjoyable functions given in this vicinity and that there is to be another on Saturday night will cause all devotees of the dance to sit up, take notice and plan to be on hand. Put on your best bib and tucker and hie yourselves to Shady Brook on Saturday night of this week.

ODD FELLOWS VISIT DUFUR

Meeting Attended By Dalles, Tygh Valley and Maupin Members

About 25 members of the Maupin Odd Fellows lodge went to Dufur last Saturday evening and participated in a meeting with members from The Dalles, Tygh Valley and Dufur lodges. During the meeting work in the third degree was put on by the Dufur lodge, which organization also provided a bountiful spread for the visitors.

Foley Gaining Strength.

John Foley is said to be gaining strength from his recent operation at a Dalles hospital. The reason for the operation was adhesion of the bowels. It is reported that John may have to undergo the wearing of a plaster cast on his back, as that part of his anatomy is said to be affected.

Baker county will establish new county poor farm and hospital.

PICKED UP ABOUT TOWN

Pinocle seems doomed for cessation in Maupin. Several of the heretofore devotees of the game have "sworn off" for a time, therefore things look to be rather slow for old "Peanuts" here for a time.

John Confer has not discarded flies as means with which to catch trout. Monday afternoon he went on the river for a short time and succeeded in landing 17 fine reddsides.

A man said to us the other day "I have driven my car

Twenty Six Thousand Miles

and never had a wrench on the engine." That sounds to us about like it would sound to a doctor if he had said he had driven 2600 miles through the dust and mud and over all kinds of roads and

Never Took a Bath

GIVE YOUR MOTOR PROPER CARE

Let us overhaul it and put it in first class condition.

IT MAKES A WHALE OF A DIFFERENCE

MAUPIN GARAGE

"IT SERVES YOU RIGHT"

Caught them on flies, at that.

It doesn't take long to scare up a crowd for such things as charivaris in Maupin. Monday night a bunch was gathered in about half an hour and all went to the Flat and there made a newly wedded pair realize they had more friends than they thought of.

The action of the Community club in providing a proper place for public library speaks well for the activities of the organization. That body of ladies has the right spirit and many more things looking to the upbuilding and benefit of Maupin are contemplated by them.

A certain Maupin young lady advised a neighbor, a rather plump woman, to have her tonsils removed as a preventative of sore throat, remarking that she, the younger one, had gained nine pounds since she underwent her throat operation. Her advice was not taken.

One Swallow does not make summer neither does the loss of one disgruntled subscriber cause a newspa-

per to suspend publication. There are people who seem to think that when they stop their paper they are "getting back" at the publisher and causing him woes of untold significance.

Wapinitia will entertain the Ladies Aid of that place and Maupin with a bazaar, to be held in Lewis' hall on the evening of December 2. Many useful articles will be offered for sale, and a fine lunch is on the program for the evening. The Aid works in the interest of a good cause and all who attend and buy at the Bazaar will be aiding that cause.

Clarno's oil well has begun business—that is, drilling has begun. Monday witnessed the "spudding in" of the well, and those in charge say they are equipped to go down 5,000 feet, if necessary. We sincerely hope oil may be struck, and that in paying quantities, also if that is done, that the well will not be "capped" and allowed to remain idle for a long time. Several Maupin men are interested in the venture, and if oil is struck they may blossom forth as real millionaires.

DANCE

SHADY BROOK

COMMUNITY HALL

SATURDAY

Nov. 19

The Farmers' Non Partisan Defender in Washington

You need this valuable newspaper in your home, because: You will receive FRESH NEWS every week, that is edited for farmers by men who know agriculture.

THE NATIONAL FARM NEWS gives the farmer and the rural town man an all-agricultural survey of the week's news, with a leaning toward the economics of production and marketing. The editorial staff is in close touch with the marketing machinery of the Agricultural Department and all the heads of the various cooperative marketing associations that are located in Washington.

WASHINGTON is the great clearing house of farm news. Every day brings the National Government into more intimate relationship with the country's basic industry—farming. Congress is just at the beginning of its real farm legislation. The wild scramble of blocs and panaceas that marked the past few years has subsided. But from now on there will be a steady, constructive program developed for the permanent improvement of farming.

Washington is the headquarters of the United States Department of Agriculture. This vast governmental agency is constantly at work on farm problems. It concerns itself not only with production, but with the business side of agriculture.

Washington, too, is the headquarters of many other branches of the Federal Government whose work touches in many vital ways the business of the farmers.

Most of the big farmers' organizations recognize the strategic advantage of being close to the governmental wheels. They maintain headquarters at the National Capital.

Washington is the center of farm news. In addition to its news, The National Farm News carries some carefully conducted departments. For the housewife there is the women's page, where interests and matters pertaining to the household are discussed.

In addition to these features is an excellent legal department. Advice on knotty problems may be had for the asking, given by competent lawyers engaged in daily practice.

Then, too, there is a "Question and Answer" department for agricultural information. You may send in any question and it will be answered as quickly as space will permit. The Congressional Library is here and it has the largest collection of books in America.

The National Farm News is equipped to perform a real service for the farmer and to meet a real need in his business.

The subscription price is only \$1.00 per year.
