

## County Athletic Association To Meet At Tygh Saturday

Superintendent Gronwald Sends Letter To Schools of County—Calls for Athletic Meet

To Members of the Executive Council Wasco County Athletic Association.

The annual meeting of the Executive Council of the Wasco county Athletic association will be held at the Tygh Valley school house Saturday, December 10th at 1:30 p. m. Each of the seven competing units should have at least one representative present. Each unit will be permitted one vote. Teachers of the county in general are invited to attend the meeting of the Council and have a right to speak upon any subject. Where there is more than one principal in competing units, such as at Shaniko-Antelope, we hope that both can be present. If not, the principals should get together and see that their unit is represented at the meeting.

As a result of my letter to principals last spring, directly after the track meet, asking for suggested changes to be considered for the next meeting, the following were received:

1. Include 440 yd. run for class A boys.
2. Include 100 yd. run for class A girls.
3. Reinstate the accuracy baseball throw.
4. Three events for class A girls, outside of relay.
5. Relay for class C girls and class C boys.
6. Meet to commence at 9:00 a. m.

If there are other changes or suggestions to be made on the part of any principal, they can be acted upon at the meeting by unanimous consent of those present.

It has been suggested on the part of several principals that a county High school basketball league be organized, in which case it appears that it would fitly come under the supervision and jurisdiction of the Wasco county Athletic association. This matter will be discussed and acted upon at the meeting at Tygh Valley Saturday.

The principals and coaches present might wish to make out a season's basketball schedule at that time, thus saving considerable delay and correspondence. It is suggested that a pennant be awarded the winning basketball team of the county.

### SETTLERS COMING TO STATE THRU COMMERCE CHAMBER

Newcomers Bring Investment of Over \$100,000—32 New Families Arrive in November

Thirty-two farm families arrived in Oregon during the month of November according to the report of W. G. Ide, manager of the joint land Settlement Department of the Portland Chamber of Commerce, nine of whom settled in Southern Oregon, two in Eastern Oregon and the balance in Western Oregon.

These families came from the following states: Canada, two; Idaho, three; Iowa, three; Wyoming, one; North Dakota, one; Montana, one; Ohio, one; Minnesota, three; California, four; Washington, three; Texas, two; New Mexico, one; Kansas, three; Colorado, one; South Dakota, one; and Nebraska, one.

Letters and questionnaires were received from 35 additional families who stated definitely that they were coming to Oregon within the next few months.

There is a steady flow of farm families into the state through the services of the Land Settlement department.

### COMPLETED WOOD DELIVERY

W. E. Wilson Hauls 27 Cords 16-Inch Pine Wood to Maupin Schools

Ed. Wilson of Wamic has about completed his contract with the Maupin school board which called for the delivery of 27 cords of 16-inch pine stove wood. Ed. has been hauling by truck and carried over a cord at each trip.

See Dr. Clarke, Eye Sight Specialist, about your eyes. In Maupin all day Monday, December 12th. Home hotel.

### LEGION WILL DANCE ON FRIDAY, DECEMBER 23

Price's Cascadians to Be Here in Full Force—Special Music Now Being Rehearsed

The big thing in dances will be pulled off at Legion hall in Maupin on the evening of Friday, December 23, at which time the full orchestra—Price's Cascadians—the hottest band in this part of the state, will be on the platform and discourses music. That organization promises a repertoire of the very latest in dance music and the members are now rehearsing it in order to bring out the full effect of each piece. The hall will be tastefully decorated for the occasion and everything else done to make that dance the crowning event of the season.

### CELEBRATED 16th BIRTHDAY

Ailene Greene Entertains Several Friends Sunday Evening

Sixteen years ago Ailene Greene gladdened the home of her parents, Mr. and Mrs. H. M. Greene, by making her appearance on this mundane sphere. For sixteen years she has grown in intellect and loveliness and as Sunday, December 4, was the date of her birth the event was celebrated by a party in honor of the day. Miss Ailene invited several friends to participate in the event, they being Clair Norval, Leonard Chandler, Cliff Brown and Miss Berta Mathews of Tygh Valley; Misses Verla Lewis and Doris Bonney, and Jesse Crabtree, schoolmates; her grandfather, R. H. DeCamp, and "Tot" Chambers. These guests with members of the Greene family, made up a party which thoroughly enjoyed themselves during the evening. The crowning event of the evening was a chicken dinner, after which the party participated in games and listened to music on the phonograph and over the radio. Miss Ailene was the recipient of many mementos of the occasion.

### MAUPINITES ATTEND BAZAAR

Joint Event Proves Money Maker and Pleasurable Function

The joint bazaar given at Wapinitia last Friday evening by the Ladies Aids of Wapinitia and Maupin, was a most pleasurable event. Articles offered for sale ran the gamut of home-made things—from baby layettes to full bed coverings, dresses, aprons, ties, underwear, etc. while the refreshments were all that could be desired. Among those from Maupin who attended were, O. P. Wegberg and wife, R. E. Richmond, wife and mother, Mrs. Violet Mayhew, Mrs. Chas. Crofoot, son and daughter, Mrs. Hugo Fischer, Mrs. C. W. Semmes, Miss Doris Kelly, Bob and Ella Shepflin, Mrs. James Chalmers, Mrs. D. B. Fraley and Cyril Fraley, Dr. and Mrs. L. S. Stovall.

### MAKE EXPOSITION OF OREGON

Union Pacific Railway Issues Fine Work Showing This State

The Union Pacific railway is again at the front with a descriptive work on Oregon. An introduction to the work is from the pen of Governor Patterson, and the chief executive of the state is not sparing in showing the attributes and possibilities of the state. A center spread of pictures covers nearly all phases of the industrial life of the state and the magazine contains a comprehensive write up of various industries of Oregon. A copy may be obtained by writing the general office of the company, Portland, Oregon, or by applying to any agent of the company. It's worth the effort.

### SET UP NEW FADA RADIO

C. E. Woodcock Makes Many Sales of Popular Receiving Sets

Cecil Woodcock was at Ashwood the first of the week, making delivery and setting up a Fada radio for F. R. Wharton of that place. Cecil has sold quite a number of Fadas recently and has prospects for the sale of several more during the holiday season.

## Senator Steiwer Favors X-Mas Seals Sale

Each Seal Carries A Little Help Toward Stamping Out The Dread Disease

Senator Frederick Steiwer stopped long enough in the preparations for the congressional session to write the following letter which was released today by the Oregon Tuberculosis Assn:

"I have noted that you are again undertaking the sale of Christmas seals for the purpose of financing the future health work carried on by your association.

"The only thing that mitigates the curse of tuberculosis is that it yields to treatment. The fight against tuberculosis is one that invites the best effort because past history shows

that such a fight can bring definite results in saving of human life and promotion of human happiness.

"I sincerely wish you the greatest success in the annual sale of Christmas seals and esteem it a privilege to send this word of approval and encouragement. I hope that the effort to stamp out the dread disease of tuberculosis may be carried forward as it has been in the past."

"Sincerely yours, Frederick Steiwer."

The senator's statement regarding definite results is borne out by the fact that the death toll from tuberculosis has been cut in half since the first Christmas seals were sold in 1907, and that the disease is decreasing year by year. It is still however the most frequent cause of death of young people between the ages of 15 and 40 years.

### MOTOR ASSN. COMPILES FACTS

Fifteen Hundred Sixty Auto Repair Shops Listed in Oregon

A few weeks ago the Oregon State Motor association, after an investigation announced that 250,000 gasoline filling stations were pumping gas to the motorists of the United States and since that time inquiries have been directed that caused investigations relative to the number of garages and repair stations in the country.

These investigations show that there are approximately 53,000 storage garages and 86,000 independent repair shops and dealers repair stations in the United States. In Oregon approximately 1,000 storage garages and 1,560 repair shops are necessary to keep Oregon's motor cars on the road.

### Juniper Flat Census Grows.

The population of Juniper Flat continues to grow, notwithstanding the removal from those prolific plains. The latest addition to the people of that section was a fine baby boy, born to Mr. and Mrs. Elmer Snodgrass on Wednesday. Mother and son are doing fine and Elmer is proud as can be over his new hopeful.

### Tillotson Getting Old.

George Tillotson is fast getting to middle life, if one would call 28 years old. To celebrate his 28th birthday last Sunday Mrs. Tillotson invited a few intimate friends in to dinner that day, and served roast goose as the chief article on the bill of fare.

### Dance Saturday Evening.

Don't fail to remember the Legion dance at the Hall in Maupin on Saturday night of this week. A fine four piece orchestra has been engaged and everything points to a most enjoyable evening. Of course there will be eats, and of the best. Come out and enjoy yourselves.

### Danced At Shady Brook.

Oliver Resh and wife and Mike VanLaanen and wife accompanied Joe Kramer and family to Shady Brook last Saturday night and enjoyed a time at the dance there. They are loud in praise of the entertainment offered by the Shady Brook Community club that evening.

## Tillotson Books Orders For New Ford Cars

Three Maupinites Desire New Creation—Car To Be Shown Here Dec. 15, 8:00 to 12:00

The Tillotson Motor company, as agent for the Ford Motor company, has already booked three orders for the new car and expects to have several more to order before the week is out. There will be a demonstration of the new Ford creation in Maupin next Thursday, December 15, at which time a car will be here for inspection, it being ready for the public at 8:00 o'clock in the morning and remaining until noon.

An important item connected with booking orders for the new Ford is that deliveries will be made in the order of booking. For instance: If an order is booked at Portland at 10 o'clock and one in Portland at 10:30, the Maupin order will have precedent over the other order. It is really a case of "first come, first served," and will tend to obviate considerable delay in delivery of cars. This is a point to remember, so if you are in mind to purchase a new Ford car it behooves you to get your order in at the earliest possible moment.

### CLUB LEADERS NAMED AT LAST FRIDAY MEETING

Interest Keen and the Leaders Chosen Promise Better Work Than Ever Before

At the meeting held in the grade school building last Friday afternoon leaders for the different divisions were appointed. Each one is especially fitted for the leadership of the individual club to which he or she has been chosen, and all will proceed to get busy and enroll all the members possible in the work. Those appointed and the various divisions are:

- Home making—Mrs. F. D. Stuart.
- Pig Club—A. E. Mayhew.
- Corn Club—Mrs. P. J. Kirsch.
- Calf Club—O. F. Renick.
- Poultry Club—Mrs. O. F. Renick.
- Cooking Club—Mrs. C. W. Semmes.
- Bachelor Sewing—Mrs. D. B. Appling.
- Sewing Divisions 2, 3—Mrs. L. S. Stovall.
- Handwork Division—Miss Harris.
- Canning Club—Mrs. D. L. Rutherford.
- Camp Cooking—D. L. Rutherford.
- Sheep Club—Chas. Crofoot.
- Potato Club—P. J. Kirsch.

The meeting was presided over by Mrs. D. L. Rutherford, vice-president, in the absence of the president, Mrs. L. S. Stovall.

### Hauling Wood Again.

William Cervin was in from Wamic Tuesday with a six-horse team hitched to his wood wagons. Cervin hauls better than three cords each trip and finds a ready call for all he can bring in.

### Selling Much Meat.

The firm of Resh & Stuart is selling more meat than do many big city markets. So far this fall they are cutting up and disposing of an average of five beeves each week, and this in addition to several hogs, veals and muttons. Mark Stuart is one of the best judges of block steers in the country and knows all the little things about cutting the carcasses into delectable roasts, steaks, chops, boills, etc. Besides doing the cutting Mark makes considerable hamburger and sausage, making the latter to suit the taste of the most fastidious.

### Fine Christmas Windows.

Bates Shattuck tells the world that Christmas is at hand and his windows are the means employed to convey that information. One window contains sporting goods, another toys and trinkets for the little ones, while a third shows many articles of dress, each suitable as a gift. The windows are lit by alternating lights in colored globes and make a showing equal to that of the best in the larger cities.

### Taking Treatments at Dufur.

Mrs. G. I. Derthick was taken to Dufur last Sunday and will remain at the home of her husband's parents, A. A. Derthick and wife, for this week. The object of the visit is to take treatment from Dr. Christensen at Dufur.

## Chance For One Bright Boy To Go To Naval Academy

NATIONAL WOOL MARKETING COUNCIL FORMED DEC. 2

Sixty Per Cent of Wool Sold Cooperatively in U. S. Represented By New Organization

Thirty wool pools, representing probably sixty percent of all wool marketed cooperatively in the United States are represented by the National Wool Marketing Council, that completed its organization in Chicago on December 2nd, according to a wire just received from R. A. Ward, general manager of the Pacific Cooperative Wool Growers of Portland, Oregon, who was active in forming the Council and who has been elected to its board of directors.

The object of the council is to bring together and to correlate the general activities of these various wool cooperatives together for the advancement of all wool growers who are members of the pools represented.

"The organization of the National Wool Council is of the most vital importance to all wool growers of the western states," says Mr. Ward. "The two largest wool growers associations in the United States—the Pacific Cooperative Wool Growers and the Ohio Wool Growers association—are members of the Council, and the close cooperation between all the wool pools, which will result from the formation of the Council will mean a better marketing service to the grower members."

### FRUIT CAKES, PUDDINGS LEND CHRISTMAS CHEER

O. A. C. Department For The Home Submits Recipes For Holiday Cakes and Puddings

With Thanksgiving and its harvest baskets loaded with fruit and grains past, thoughts turn toward celebrating the Christmas season, and what is a Christmas dinner without fruit cakes and puddings?

They can be made weeks or even months before they are to be used and develop a richer, better flavor than otherwise. Those not fortunate in having a traditional fruit cake recipe may find this one pleasing, as have food classes at Oregon State for several years. Hundreds of students have proudly packed this fruit cake to carry home for Christmas.

Ingredients: 1 pound Citron, 2 pounds raisins, 2 pounds currants, 1 pound almond meats, 1 pound butter or butter substitute, 1 pound brown sugar 1 pound flour, 1 dozen eggs, ½ cup liquid (fruit juice), 2 teaspoons salt, cinnamon and mace, 1 teaspoon of nutmeg and allspice, ½ teaspoon cloves.

Method: Chop heated citron and raisins, blanch and cut almonds, mix ingredients as any plain cake, line pan with three layers of oiled paper. Spread cake batter 3 inches thick. Decoate surface with cherries, almonds, etc. Bake in moderate oven from 2 to 3 hours. This recipe is one very easy to make up and makes 11 pounds of fruit cake.

The plum pudding with its spicy odors often supplies the dessert, taking place of the fruit cake. Here again many recipes are used. The English plum pudding contains a great deal of fruit, is very rich, and is the most expensive type. The suet or carrot pudding is not nearly so rich, keeps well and is less expensive, which adds many advantages to its favor, and if well made can hardly be distinguished from the former. The group of plum pudding made with Jello and gelatine and containing grape nuts, prunes, nuts and spices are easily prepared, inexpensive and delicious. The recipe for carrot or mock plum pudding follows:

Ingredients: 1 cup sugar, one-third cup butter, or chopped suet, 1 cup grated raw carrots, 1 cup flour or bread crumbs, one-third teaspoon allspice, cinnamon, cloves and salt, 1 cup chopped raisins, 1 teaspoon soda, 1 cup grated potatoes.

Method: Mix in order given. Put in greased vessels and steam 2½ to 3 hours. Serve hot with lemon sauce of whipped cream or hard sauce. This recipe will make from 12 to 16 servings.

Make us a X-Mas present—pay up

### Congressman Sinnott Will Name Victor in Competitive Examination to Be Held Jan. 7

Congressman N. J. Sinnott has announced that he will appoint a midshipman to the Naval Academy at Annapolis to fill an emergency vacancy which will occur in 1928, on the basis of a competitive examination.

This examination will be held on Saturday, January 7, 1928, and will be conducted by the U. S. Civil Service Commission in the following cities in the second Congressional district of Oregon: Pendleton, La Grande, Baker, The Dalles, Klamath Falls, Lakeview, Hood River, Enterprise, Prineville, and Bend.

Congressman Sinnott will appoint as principal to the Naval Academy the candidate receiving the highest rating in this mental test. The candidates rating next highest will be appointed alternates. Examinations will be conducted in the following subjects: Algebra, plane geometry, English composition and literature, United States history, ancient history, and physics.

Any bona fide resident of the second Congressional district of Oregon, who will have reached his 16th birthday on April 1, 1928, and will not have reached his 20th birthday on March 31, 1928, is eligible to take the examination.

Those who wish to take the examination should immediately write or wire Congressman Sinnott at Washington, so that they may be listed at once with the Civil Service Commission to take the examination, and a set of question papers may be sent to the local board in the city where they wish to be examined. Candidates should designate that city, among those listed above, in which they desire to take the examination. Those indicating their desire to take the examination will be sent a circular of information regarding the scope of the same, and the general ground covered in each of the branches in which examinations will be held.

### MILLIONS PAID FOR GRAZING

Fees Range From 10 Cents Down to Three Cents Per Month

Does the Government charge the stockmen for grazing their cattle and sheep on the national forests? Explaining the Government policy of grazing permits, Will C. Barnes, assistant forester in charge of range management, United States Department of Agriculture, says that each settler or resident is entitled to graze ten head of his domestic stock, such as work or saddle horses, milk cows, and even hogs free of charge and without permit on national forest ranges. All other animals must be paid for at a rate which at present averages from between ten and eleven cents per head per month for cattle and three cents per head per month for sheep. On January 1, 1928, these rates will be slightly increased. The stockmen are now paying into the United States Treasury annually about two and one quarter million dollars in grazing fees.

### SHIPPING FERTILIZER HORSES

Hundreds Gathered on Reservation Are Taken to Portland

A bunch of horse wranglers were in Maupin Sunday, having come down from the reservation with a band of 225 cayuses, gathered on the reserve. The horses were loaded at the Maupin stockyards and shipped to Portland, where they will be reduced to fertilizer. The wranglers say they have about 800 head rounded up, half of which will be shipped from Maupin and the rest put on the cars at Gateway, the shipping to be done the latter part of this week.

### Clarke Is Coming

Dr. Clarke, of the Clarke Optical Co., No. 360 A Alder St., Portland, Oregon, Eye Sight Specialists, will be in Maupin, Oregon, all day and evening Monday, December 12, at the Home Hotel. See him about your eyes.
