

NOTES FROM MAUPIN SCHOOLS

The Maupin High school basketball team competed with the Turner High, from the valley near Salem, Oregon, which ended in a victory for the home team. The score was seven to nine at the end of the game.

Many people of this vicinity will remember Mr. John Watson, who was principal of Maupin High school three years ago. Mr. Watson is the Turner boys' coach. They played a good game but our boys were much faster, and therefore proved to be the better team of the two.

The number of pupils in the fourth grade was increased to thirteen by Harold and Melvan Radtke, ages nine and ten, respectively. Their father, Theodore Radtke, of Washougal, Washington, is employed in the Maupin garage. Their teacher, Mrs. Joynt, was glad to get back to work, after spending a very enjoyable holiday vacation, and to find two more children for her classes.

Miss Berta Mathews, who graduated from this High school last year, visited school Tuesday. Miss Mathews is expecting to enter the Good Samaritan hospital for training in Portland, the first of June.

Due to the trains not running from The Dalles for a few days Mr. Davies, teacher of the seventh and eighth grades, was delayed at The Dalles and failed to reach Maupin in time to teach school Tuesday. Mrs. James Chalmers substituted until he returned.

The buses were late Tuesday morning because of the bad roads.

**Hedins at The Dalles.**  
N. G. Hedin and wife went to The Dalles yesterday, and there Mrs. Hedin will enter a hospital. Just how long she will be there is not as yet known, at least for a week or two is the supposition.

**Snow Delays Home Trip.**  
Miss Flossie Overman went to her home at Philomath for the holidays and returned to her teaching duties at Pine Grove. On the return trip

However, when they did arrive, the students found they could make time from the road to the school house, as Mr. Weberg had cleaned the snow from the sidewalks.

Miss Richards was not able to return to Maupin in time to teach her regular classes Tuesday because of the trains' delay from The Dalles. The students endeavored to prepare their lessons so as to make them more interesting when she got here.

The Freshmen, with the assistance of Leah Weberg, a Sophomore, and Arthur Appling, a Junior, are preparing to present to the public on Friday, January 13, at the High school auditorium, a farce in three acts, "Promoting Romeo." Between acts the audience will be entertained with a piano solo by Mabel Weberg and by "Two Black Crows." Miss Tillotson is coaching the play.

the snowfall and sleet storms compelled her to make a round-about journey, arriving Monday.

**Kids Enjoy Coasting.**  
A party of young people enjoyed coasting down the Maupin grade on Tuesday night. The boys had built a long bobsled and had that hauled up the hill by auto. They then turned loose and came down to town with all speed, making the welkin ring with their shouts of pleasure.
