While in The Dalles on Monday The Times man called on The Dalles Floral company. He was surprised to note that bulbs of tulips, Hyacinths and daffodils were blooming in profusion, also the assortment of chrysanthemums and other flowers on display in the show room. The Dalles Floral company is the leading dealers in cut flowers in this part of the state. The proprietors grow their own plants and are ready to furnish on short notice, flowers for weddings, parties and funerals, and at a price within the reach of all. A fine line of baskets is also carried and are marked down to the lowest possible figure.
