office at Maupin, Oregon, under the
Act of March 3, 1879.

The county political pot has be-
gun to boil, and candidates—some
of them—have already made an-
nouncements. According to The
Dalles Chronicle of Monday C. M.
Zell and C. R. Calloway have filed
for the office of coronor; W. L.
Crichton and Henry W. Scherrer are
after the county clerkship, having
made their intention known to the
voters. Levi Chrisman will soon
make his filing to succeed himself
in the sheriff's office, which he has
filled for the past 22 years. District
Attorney Galloway has said he will
become a candidate for reelection
to his office. L. B. Kelly, county
commissioner is expected to again
enter the lists to succeed himself.

We suggest that students in our
High school ascertain the brand of
chewing gum used by one of the di-
rectors in order to forstall resolu-
tions forbidding masticating that
confection on the school grounds.

Bobbed hair has come to stay, but

some of our High school girls are
advised to patronize one particular
barber shop would they obviate one
director resoluting against short
hair style.

Don't Forget The Date—
Bear in mind the St. Patrick Day
dance at the Legion hall on the eve-
ning of March 17—next week Satur-
day. Promises to be the best time
of the season.

Making Garden—
Many Maupinites are busy in
their gardens, getting ready to plant
seeds. The weather is getting warm-
er and before another week has gone
by a number of our people will have
their early vegetables in the ground.

Directors' Meeting—
The directors of the Southern
Wasco County Fair association held
their spring meeting at Tygh Val-
ley today. Many matters connected
with the coming fair will be taken
up and it is expected that several
new features for the fair will be
added to the list of attractions. W.
E. Hunt, president of the association,
and W. H. Staats, director from
Maupin, attended.

Free Show and Dance—
Don't forget the free show and
dance given by the Kramer Bros. Mo-
tor company at Legion Hall this Sat-
urday night. It will be free and a
good time is promised all who care to
attend.

Burns—Union Pacific will make
big improvement in stockyards here.

HOME REMINDERS

From School of Home Economics
Of O. A. C.

A delicious substitute for whip-
ped cream may be made by adding
a sliced banana to the white of one
egg and beating until stiff. The ba-
nana will be entirely absorbed.

When frying fish, if the pieces are
put in the hot fat with the skin side
uppermost and allowed to brown be-
fore turning, the fish will not break
when cooking.

A small piece of bread or a bit of
raw potato added to fat while it is
heating will absorb any impurities or
odors.

Olive oil will not become rancid
if two lumps of sugar are put in each
quart as soon as opened.

Sheets if alternated, paying no at-
tention to the top or the bottom will
wear much longer, as the strain will
be evenly distributed.

White marks may be removed
from a polished wood surface if they
are rubbed with a piece of chamois
or flannel that has been dampened
with essence of peppermint or cedar
oil.

If the white of an egg is applied
with a small brush to fly specks on
gilt frames, then rubbed gently with
a soft cloth, the specks will disap-
pear.

Soot on woodwork can be removed
with kerosene.

Veal has a tendency to become dry
throughout with a hardened surface
if roasted in an open pan. It is de-
sirable to add fat in cooking veal,
because it is an immature meat and
not rich in extractives and fat. Veal
requires slower cooking than beef.

Cuts of meat from active parts of
animals such as legs or neck have a
large amount of connective tissue.
These are better cooked by applica-
tion of moist heat—boiling, pot
roasting, stewing, or braising—be-
cause dry heat shrivels and toughens
the connective tissue.

Vale—Federal authorities expect
Vale project to have water by 1930.
Prineville and Bend will ship 5-
000 range horses from Burns, this
month.

Portland—California Petroleum
Corporation to construct distributing
depot here at approximate cost of
\$800,000.

CLARNO OIL BASIN OIL CO.
EFFECTS REORGANIZATION

Dalles Capitalists Take Stock and
Will Prosecute Drilling—Only
Two Old Officers Retained

At a recent meeting of the Clarno
Basin Oil company reorganization
of the concern was effected, several
men of The Dalles becoming identi-
fied with the company. New officers
were elected, they being:
J. H. Weiss, president.
M. J. Finlayson, vice-president.
H. N. Putnam, secretary-treasurer.
C. G. Kising, field manager.

The first two named are new of-
ficers, Messrs. Kising and Putnam
being of the old set. L. C. Wilhelm
of this city, who was a director of
the company, has resigned, R. W.
Richmond, the other Maupin official
is still holding his office on the
board.

Preparations have been completed
to resume drilling at Clarno within
the next ten days and that work will
be prosecuted until results are ob-
tained. A meeting of those inter-
ested in the proposition was held
at The Dalles hotel last evening, at
which time plans looking to a fur-
ther advancement of the affairs of
the company were gone over.

Possesses Dahl Ranch—
John Karlen has taken possession
of the Dahl ranch on Tygh creek, a
short distance from Tygh Valley
town. John secured the place on a
money loan. The Dahl ranch is one
of the show places in this section and
one of the most valuable ranch prop-
erties in Southern Wasco county.

Trucking Partnership—
Bobby Davidson and Louie May-
hew have entered into a combination
and will do trucking. Each member
of the firm possesses a good truck
and they are prepared to help the
ranchers out when they have hogs
or other produce to bring from the
ranch to town. Give the boys a
chance; they will use you right.

Maupin Masons at Dufur—
Nearly every Free Mason living
in Maupin attended a meeting of
that order at Dufur last evening.
Those from here were R. W. Wilson,
Dr. J. L. Elwood, A. B. Smith, T. B.
Slusher, R. B. Bell, making a show-
ing of 90% of the Maupin Masons
at the meeting.

Attended Oil Co. Meeting—
R. W. Richmond and L. C. Wil-
helm drove to The Dalles yesterday
and in the evening attended an open
meeting of the Clarno Basin Oil
company.

Savings
as an
Investment

Thoughtful placing of your funds in this bank means investment in something concrete, converts inactive savings into active investment, idle cash into new earning power. Then when a crash comes you are insured against a drain on your income. Come in and let us tell you about our saving plan.
