## NO TAX IN 13 STATES

Thirteen states do not tax the auto-  
mobile as personal property, accord-  
ing to the Oregon State Motor As-  
sociation. These states are Dela-  
ware, Idaho, Iowa, Michigan, Minne-  
sota, New Hampshire, New York,  
North Dakota, Oklahoma, Oregon,  
Pennsylvania, South Dakota and Ver-  
mont. The South Dakota exemption  
applies only to motor vehicles regis-  
tered before May 1st of the current  
registration year. Vote against the  
\$.00 license fee or pay fuel taxes  
on your auto.

The "off horse" controversy being  
aired in the Portland Oregonian will  
have no bearing on the riders at the  
Pendleton roundup. There buckaroos  
generally are off the horse, and which  
side they get off is not a topic for  
argument.

Cyrus Whoopfall says the idea of  
a \$.00 auto licence fee tends to  
cheapen all good machines. Cy.  
claims the fee applicable to Fords of  
ancient vintage, but late model cars  
should be allowed to throw all the  
"dog" possible, even to the extent  
of an \$100.00 license tag.

The poet who wrote "The Mel-  
ancholy Days Are Here," evidently  
never experienced a Wapinitia Plains  
of Criterion March wind. Otherwise  
he would have had cause to  
change his mind.

## News Of Busy Shaniko

County Nurse, Miss Sena Peterson  
spent Tuesday afternoon examining  
the pupils of the Shaniko schools.

The Tygh Valley Juniors played  
our quintet here last Thursday night  
in one of the fastest and best matched  
games played this season. In weight,  
size and ability the boys were equals.  
The Tygh group started scoring, but  
the Shaniko Juniors rapidly caught  
up. When the whistle blew ending  
the last quarter the score stood 18-  
18. After a two-minute rest playing  
was resumed for a five-minute per-  
iod. The only foul called during the  
entire game enabled the visitors to  
win the needed point. Thereafter  
each side scored a basket, the game  
ending 21-20 in favor of Tygh Valley.  
Coach, Paul Light of Tygh Valley  
refereed the game. Several rooters  
for their team were present from  
Tygh.

The Shaniko Juniors played Tygh  
Valley at that place on Wednesday,  
March 14.

A new swing was put up this week  
and the old one repaired.

Boardmaster Young graded the  
street in front of the school house on  
Tuesday.

Mrs. Cuyton went to The Dalles  
on Tuesday for the purpose of consult-  
ing an eye specialist.

Rev. Creasey of The Dalles con-  
ducted services in the school house  
Monday night. An appreciative  
crowd attended, enjoying the singing  
and taking part in the services. Mrs.  
Werner and Mrs. Bickle sang a duet.

The Mosier boys and girls won  
both games in the championship  
series against the Shaniko-Antelope  
aggregations Friday night last. As  
visitors at Mosier we were royally  
entertained, given lodging and Sat-  
urday morning breakfast. Probably  
the new acquaintances formed will  
be the greatest asset of the trip.  
Jack and Jimmie Rees, Raymond  
Olsen and Principal Broughton at-  
tended from Shaniko.

## Tygh Valley Doings

The Junior basketball team of  
Tygh met and defeated the corres-  
ponding team of Shaniko-Antelope  
in the hall at Shaniko on last Thurs-  
day, March 8, with a score of 21-20.  
The game was hard fought from the  
very start. At the end of the first  
quarter the score was 6 to 0 in the  
favor of Tygh. By a most deter-  
mined effort the Shaniko boys tied  
the score at the end of the fourth  
quarter, and it was necessary for an  
extra period to be played to deter-  
mine the winner. The members of  
the Tygh junior team are: Kenneth  
Webb, center, guards: Wilbur Math-  
ews, and Darrel Wing; forwards:  
Arthur LuCore and Raymond Sta-  
cey, the latter being also captain.  
The return game was played in the  
Tygh gymnasium on Wednesday the  
14th.

The regular High school team  
went to Mosier on Monday evening  
the 12th, and played their delayed  
game of basketball with the Mosier  
team. These teams were evenly  
matched. It was a case of nip and  
tuck from the start. The final score  
was 20 to 17 in favor of the Tygh  
Valley boys. The return game is  
to be played at Tygh Friday evening,  
the 16th, at this time the Tygh  
juniors will play the Boy Scout team  
of Dufur making two games for the  
one evening.

The High school dance given on  
last Friday night was an enjoyable  
affair. The crowd was not large  
compared to our former crowds, but  
was composed of folks who know  
how to enjoy themselves and we  
are pretty certain everybody had a  
good time.

It might be interesting to the pub-  
lic to know that since the High school  
has taken over and remodeled the  
barn, now known as their "gym," the  
cash receipts have been \$919.26.  
Only just a few steps more and we  
will be entirely out of the woods,  
which means that the property will  
be entirely paid for. We appreciate  
the support and encouragement we  
have had from our own community  
and those communities adjoining  
Tygh. We are trying to make our  
dance floor, our orchestra, our  
plays, and everything connected with  
the school the very best, to the end  
that the people who so loyally sup-  
ported us may have value received  
for their money.

The Freshman play, as announced  
in this issue of The Times, will be  
given Saturday evening, March 24,  
in the I. O. O. F. hall. The dance to  
be given immediately after the  
play, will be in the new gymnasium.

Remember the big basketball  
game of the season in the Maupin  
gymnasium Friday evening the 24th,  
the junior ad senior team of Tygh  
playing the corresponding teams of  
Maupin.

## Doings at Pine Grove

Ben Richardson gave a dance last  
Friday night. About 30 restless toe  
shufflers attended.

Mrs. Anna Smith of Portland,  
daughter of the late Mrs. Carrie We-  
berg, attended the funeral of her  
mother at Wapinitia last Saturday.  
She is spending a few days at Pine  
Grove with relatives and friends be-  
fore returning to her Portland home.

J. S. Brown has been confined to  
his home with what seems to be  
some kind of skin affection. Sam  
does not mind the ailment, just so  
it will not interfere with the spring  
fishing.

W. A. Dane has negotiated the sale  
of a 40-acre tract of land adjoining  
the forest reserve, to Joe A. Gra-  
ham.

Fred Lyons of Wilsonville has re-  
turned to Pine Grove to resume his  
wood cutting job on the Ault tract.

Tim Linn & Son have joined with  
a Tygh Valley man and have gone  
into the beaver culture game. They  
already have several fine beaver as  
a nucleus stock for their fur farm.

Wm. Moore, the "onion king," of

McCubbins Gultch, has joined with  
the Powell-Heister outfit to assist in  
lambling.

Julius Shepflin suffered the loss  
of quite a bunch of heifers and  
steers by ooisoin at the ranch of  
Sanford & Boyer, last week. Tough  
luck, after wintering the stock.

George Beebe has gone to work for  
Chas. Walker. He has taken his small  
children with him.

Alva Hammer is working for  
George Claymeir.

Ranchers on the west end of Wap-  
initia Plains are busy building and re-  
pairing fences.

O. Bronner got busy and dragged  
the south lane one day last week.

Rev. Hazen and family and Miss  
Flossie B. Overman and mother,  
were guests at the Hedin home Sun-  
day and partook of a chicken din-  
ner there.

Mrs. Flossie B. Overman's mother  
from Philomath, is visiting with her  
daughter this week at Pine Grove.

Mrs. Hedin and daughter, Nova,  
spent the week end at their Pine  
Grove home.

It is expected that work will be re-  
sumed on the Wapinitia cut-off in  
the near future, as the snow is rap-  
idly disappearing from the timber.

Pine Grove Sabbath school took  
action at the last Sunday meeting to  
express sympathy with relatives of  
the late Carrie Weberg in the death  
of that estimable woman. Mrs. We-  
berg lived here for 40 years and was  
known to one or two generations  
hereabouts. She was an attendant  
at the Pine Grove Sabbath school  
whenever she was able to get out.  
Neighbors will recall her resourceful-  
ness and industry during times of  
great stress. Her neighbor, Mrs.  
Ralph Woodside, told of how her  
friend was accustomed, in an early  
day, to take wool from the backs of  
cheep, wash and card it and then  
spin the yarn and knitted fabric for  
clothing. Her hand-knitted socks  
were of special worth to those for-  
tunate to secure a pair. Rev.  
Everett Hazen was especially com-  
mended on his choice of a text for  
his funeral sermon. The special  
music supplied by Wapinitia, Pine  
Grove and Maupin singers was as  
beautiful as any rendered here for  
any such occasion.

To correct curdled mayonnaise,  
add slowly the curdled mixture to a  
well beaten egg or yolk and slowly  
add oil.

Cranberry sauce is best the day  
after cooking.

## HOME REMINDERS

From School of Home Economics  
—O. A. C.

Tomato soup will not curdle if the  
hot strained, thickened and seasoned  
tomato liquid is added to cold milk.

Custard will not become watery if  
the dishes surrounded with hot water  
and baked in a hot oven.

To correct a curdled soft or stirred  
custard, chill and beat it with a Dover  
beater.

Water when used in cooking onions  
if boiled down, will make soup or stew  
flavoring.

Since browning the flour causes  
some loss of its thickening qualities,  
double the quantity in making brown  
sauce.

Deep browning fat may be clarified  
by cooking a dozen slices of raw pared  
potatoes in it until brown and  
straining the fat through double  
cheese cloth.
