Published every Thursday at  
Maupin, Oregon

Subscription: One year, \$1.50; six  
months, \$1.00; three months, 50c.

Entered as second class mail mat-  
ter September 8, 1914, at the post-  
office at Maupin, Oregon, under the  
Act of March 3, 1879.

It is said that one man of Wasco  
county remarked that he could stand  
in the center of his place and count  
at least 15 stills in active operation.  
We wonder why that man is not taken  
into court and compelled to divulge  
his knowledge, thus giving the  
sheriff's office a chance to take in  
some of the infractors of the Vol-  
stead law.

When a substitute teacher seeks to  
disturb the morale of a school by  
innocuous remarks and acts against  
the rules promulgated by the school  
principal, then it is that there should  
be a vacancy in the position occupied  
by the dissenting one.

When all has been said there is no  
reason why county and state offices  
should not be filled by capable as-  
pirants. Scanning the promises of  
candidates there is no chance for  
any but the very best men to be elec-  
ted.

It is reported that the Prince of  
Wales suffered six falls from his  
horse in a period of five days. We  
suggest that Eddie ride in a "how-  
dah" one of those things strapped on  
backs of elephants.

A man must be expecting the in-  
evitable when he begins to scan the  
obituary columns of the daily news-  
papers.

**Political Announcements**

The following announcements are  
paid by those who sign them.

**ANNOUNCEMENT**

I respectfully solicit the support of  
the voters at the primaries of May  
18, 1928, on the Republican ticket,  
for the office of county coroner of  
Wasco county. If nominated and

lected I promise an administration  
of economy and justice to all.  
I served two years as deputy cor-  
oner of this county. Am familiar  
with the duties of the office and will  
do all in my power to so conduct its  
affairs that there will be a material  
reduction in administering same.

**ANNOUNCEMENT**

To The Voters Of Wasco County:  
In announcing my candidacy, for  
the office of County Sheriff, sub-  
ject to the Republican primary elec-  
tion, I desire to state:

I have resided in The Dalles for  
the last twenty years, locating here  
in 1908. I served the O. W. R. N.  
railroad in different capacities of  
trust for many years.

In September, 1921, I opened the  
restaurant known as 'Mack's Cafe',  
which has become known far and  
wide as "a good place to eat."

I advance my solicitation for  
your support in the coming primaries,  
pledging, that if I am nominated and  
elected to the office of Sheriff, that  
I will give the people of Wasco coun-  
ty, an efficient, courteous, and eco-  
nomical administration, and if elect-  
ed, will carry out my duties without  
fear or favor.

Respectfully submitted for your  
consideration,

C. W. McMAHON.

**ANNOUNCEMENT**

To the Voters of This District:  
I am a candidate for the office  
of County commissioner from the  
Third district of Wasco county, and  
ask the confidence of the voters in  
such candidacy by soliciting their  
votes at the primary election, May  
18.

If nominated and elected I promise  
to do all in my power to see to it that  
the county receives a full dollar's  
return for each dollar expended;  
that I will not enter into any com-  
bination whereby one district will be  
deprived of its just share of tax  
money, and will work to the best of  
my ability to the end that taxes be  
reduced as much as possible. I am  
unalterably opposed to the practice  
of transferring district funds to other  
parts, thereby depriving the rightful  
sections of their just proportions of  
tax money.

by Andrew Cunningham. The Abbott  
car was shimmying along the road  
and in trying to avoid a collision An-

the road. The result was that the  
Cunningham car sustained a broken  
wheel, bent axle and few other in-  
juries. Mrs. Cunningham was some-

**Important  
Announcement  
to every owner of a  
Model T Ford**

ON MAY 25, 1927, when Henry Ford first announced his  
plans for making a new car, he announced also that he would  
continue to make parts for the Model T Ford. He said:

"The Model T Ford car was a pioneer. It blazed the  
way for the motor industry and started the movement for  
good roads everywhere. It broke down the barriers of  
distance in rural sections, brought people in these sections  
closer together, and placed education within the reach of  
everyone. We are still proud of the Model T Ford. If we  
were not, we would not have continued to make it so long."

For twenty years, the Model T Ford led the automobile  
industry and it still serves more people than any other auto-  
mobile. Over one-third of all the automobiles in use today  
are Model T Fords — an indication of the sturdy worth  
of the car and its value to people in all walks of life the  
world over.

The Ford Motor Company will continue to make re-  
placement parts for these cars "until the last Model T is  
off the road." That is a part of Ford service. That is what  
Henry Ford meant when he said: "We believe that when a  
man buys one of our cars we should keep it running for  
him as long as we can and at the lowest up-keep cost."

Because of this policy a considerable part of the Ford  
manufacturing plants is given over to the making of parts  
for the Model T Ford. These replacement parts are made  
of the same material and in the same way as those from  
which your car was originally assembled.

Make it a point, therefore, to see the nearest Ford dealer  
and have him look over your Model T Ford. You may find  
that a very small expenditure will enable you to get thou-  
sands of miles of additional service, and at the same time  
protect the money you have invested in your car.
