Act of March 8, 1879.

Last week's Dalles Optimist tried
to take a fall out of The Times editor
regarding our editorial—"Playing
Politics"—in which we stated that
the action of the county court in
making Clerk Crichton disgorge fees
illegally retained by him, was a de-
layed one and should have been done
years ago. The Optimist infers
that "The Times man believes it un-
fair to make a public official quit
taking the county's money and make
at least a partial restitution when he
is a candidate for re-election."

Nothing doing. We still maintain
it was the duty of the proper au-
thorities to make Crichton "come
out" at the time it was found he
was taking the money not his. He
violated the law and should have been
made to square the matter when his
violation was first discovered.

We hold no brief for Clerk Cricht-
on. On the contrary, from a Wasco
county publisher's standpoint, we are
opposed to him as an official and also
to his present candidacy. When an
official will tie himself to one paper
to the exclusion of all others in the
county, refuse to publish legal not-
ices—which the law says shall be

given to papers in the county—he
has lost all claims to support from
the paper, ignored. When his action
in telling the court that the sum of
\$150 would cover his shortage and
later admit that \$1,000 was nearer
the mark, he then forfeited all con-
sideration of the voters. Crichton
knew he was making a wrong state-
ment when he told of the \$150, for
he later told of one fee of \$165 he
received, thereby showing he was
willing to cover up his fee taking.

The days of Mr. Crichton as county
clerk seems to be numbered by
those intervening between now and
the fall election. In Maupin there
is a sentiment that none but men who
are willing to abide by the law should
be given office. That sentiment will
be reflected all over the county at
the coming primaries—and a blind
man should be able to see that point.

WILL HOLD AUCTION SALE

Heilmeyer Bros. Of Wamic Will Have
Sale April 28

Heilmeyer Bros., ranchers of the
Wamic section, will hold an auction
sale of live stock, farm implements,
poultry and household goods at the
Geo. Heilmeyer ranch, three and one-
half miles west of Wamic, on Sat-
urday, April 28. The sale was origi-
nally scheduled for Saturday, April
21, but the holding of the track meet
at Tygh fair grounds on that date
caused a change, so the later date
was decided on. Just who will cry
the sale is not yet decided, but
some well known auctioneer will be
on hand and explain the merits of
each thing put up. A free lunch at
noon will be served, but patrons are
asked to bring their own cups. The
sale will start at 10:00 o'clock a. m.

Later—F. C. Butler will be on hand
and sell the articles listed.

**EVERY FARMER MAY NOW
OWN FEED GRINDER**

New Peerless Machine Will Grind
Anything Grown on Ranch—
Pulverizes Stones

Every farmer may become his own
feed grinder at a minimum of expense
if he uses the very latest apparatus
made for that purpose. George Morris
has installed one of the new Peer-
less feed grinders at the Maupin ware-
house and invites all interested to
call and witness a demonstration.
The Times man went there yesterday
morning and saw George grind five
sacks of barley in exactly 15 min-
utes, and when we say grind, we
mean the grain was ground as fine
and even as could be done in a flour
mill. We are not familiar with all
machinery, but will endeavor to give
a description of the machine:

The grinder—which is not a
grinder in any sense—is enclosed
in a metal rim and consists of a se-
ries of steel paddles, each reinforced
by iron flanges. Part of the rim is
represented by a screen. The pad-
dles are driven at a velocity of 2,-
000 revolutions per minute and when
grain, or any other substance de-
sired to be worked up, is fed into the
cylinder the fast revolving fans beat
it up and force the particles through
the screen, which is the real reducer.
The ground feed is then blown thru
a pipe to a hopper, from which it is
fed thru a spout to a waiting sack.
The process is simple in the extreme.
The machine has but one bearing
that requires oil, and weighs but 235
pounds.

While we were watching the opera-
tion Morris threw several stones
against the paddles and they were
quickly reduced to powder. There
was no consequent damage to either
paddles, rim of screen. Mr. Morris
says that the carcass of a horse, cut
into pieces and fed into the machine
can be ground up fine in about one-
half hour. Grain of all kinds, corn
on the cob, alfalfa hay, straw, corn
stalks, yes, anything desired as feed,
can easily be reduced to feeding size
in a very short time.

Mr. Morris has secured the selling
agency for the Peerless for all of
Eastern Oregon, and E. A. (Kelly)
Cyr will take the road with it as soon
as a sample machine arrives. If
ranchers desire a machine which can
be attached to an auto and the motor
thereof made to supply power, it be-
hooves them to see this grinder in
operation. The price is low and when
compared with that of other grinders
this machine will seem like a gift.

Moved to The Dalles—

Maupin has lost a most estimable
family and The Dalles has gained in
population. On Monday George
Tillotson moved his lares and penates
to the county seat and he and his
wife are now occupying an apart-
ment there. George is employed as
store salesman for the Twin Peaks
Auto company.

Good Used Cars—

Hugh Wood, as manger of the
Twin Peaks Auto company, The
Dalles, advertises a line of good
used cars in this issue of The Times.
Each of the autos listed is well worth
the price asked for it and carries
a guarantee given by Mr. Wood that
they will be found exactly as repre-
sented. The prices at which they
are offered should be the means of
moving the accumulation, and those
of our people who are in the market
for such a car are advised to call
at the Twin Peaks garage and look
them over.

Go to Newport—

After spending the greater part of
the winter at the parental home at
Lakeview, Charley Kramer left on
Tuesday for his work on the Roose-
velt highway at Newport. Charley is
foreman on a rock crusher and will
be employed by the firm for which
he has worked the past three years.

Gave Us a Pig—

O. B. Derthick is one man who be-
lieves a newspaper man and family
are entitled to some of the good
things in life. He has six young
pigs in the fattening pen and one
of them has been set aside for The
Times family. When it has taken on
a weight of 100 pounds it is to come
to our house and will be a delectable
change from the usual beef menu on
our table.

Entertained Sister—

Mrs. T. B. Slusher entertained her
sister, Mrs. Maud O'Brien, and the
latter's daughter-in-law, Mrs. R. O'-
Brien, both of Bend, last Saturday
night. The ladies were passing thru
and visited with their relatives on
their way.

tion, I desire to state:

I have resided in The Dalles for
the last twenty years, locating here
in 1908. I served the O. W. R. N.
railroad in different capacities of
trust for many years.

In September, 1921, I opened the
restaurant known as 'Mack's Cafe',
which has become known far and
wide as "a good place to eat."

I advance my solicitation for
your support in the coming primaries,
pledging, that if I am nominated and
elected to the office of Sheriff, that
I will give the people of Wasco coun-
ty, an efficient, courteous, and eco-
nomical administration, and if elec-

ANNOUNCEMENT

To the Voters of This District:
I am a candidate for the office
of County commissioner from the
Third district of Wasco county, and
ask the confidence of the voters in
such candidacy by soliciting their
votes at the primary election, May

18.

If nominated and elected I promise
to do all in my power to see to it that
the county receives a full dollar's
return for each dollar expended;
that I will not enter into any com-
bination whereby one district will be
deprived of its just share of tax
money, and will work to the best of
my ability to the end that taxes be
reduced as much as possible. I am
unalterably opposed to the practice
of transferring district funds to other
parts, thereby depriving the rightful
sections of their just proportions of
tax money.
