

Fifty Years of Wedded Life Celebrated By Maupin Couple

Half Century of Unalloyed Bliss is Record of W. H. Williams and Estimable Wife

Fifty years is a long time for a couple to live together. Fifty years of companionable happiness is something not enjoyed by many...

Fifty years ago, on the third day of July 1878, Bill and his bride stood before John Carpenter, a justice of the peace at Laurel, Washington county...

Through trials and tribulations, sunshine and showers, light and darkness they clove to each other, looking forward to the time when they might retire from active work and rest their remaining days in their home...

Fifty years. What vicissitudes of life has been the lot of the people spoken of here. What years of hard labor has been theirs; what trials and tribulations have they overcome...

Bill and Elise, with all your many friends The Maupin Times sends you and utters the hope that you may be spared for many years to come.

Ford Took Fire

While driving up from the slaughter house this morning Jesse Crabtree discovered the Resh Ford to be on fire. He was near Greene's creek at the time...

Clerking at Red and White

Mrs. E. A. Cyr has accepted a position at Shattuck's Red and White store and will be in charge of the dry goods department.

Fished at Paulina Lake

Clarence Ziggenhagen, with his father-in-law, H. Yeackel and Ziggy's brother-in-law, L. Herbing, went to Paulina lake and spent the Fourth there.

DEFENDS HIS LIFE WITH SIX GUN—KILLS TWO MEN

Brother of Maupin's Government Trapper Shoots Two Would-Be Hold Ups; is Exonerated

Last Friday night two men entered the cabin of Lee Folkerson, government trapper at Wallula and demanded his money. In compliance with the demand Folkerson drew a six gun from beneath his pillow and killed a man named Cal Hecht and another unidentified.

Folkerson is a brother of R. C. Folkerson, who is clearing this section of predatory animals, being in the government employ. He went to Wallula to be present at the inquest Sunday.

VETERAN LAID TO REST

Injured by Log Alfred Nys Dies At The Dalles Hospital

The funeral of Alfred Nys, a veteran of the World's War, was held at Wamic today (Thursday, July 5). Deceased was injured while at work at the Woodcock sawmill near Wamic on June 22, by a log rolling over him.

Boy Scouts Pass Through

A number of boy scouts belonging to The Dalles, passed through Maupin today (Friday) on their way to Bend, where they will spend the coming two weeks in the mountains.

Poles All Set

The Maupin Power company has completed the work of setting poles for the line to connect Maupin with the Oak Springs plant. Stringing wires will begin next week, and when that work is finished juice will be turned on to supply power and lights for this city.

Saw Big Deer

While on his way home from Portland, to which place Tom Gallagher of the Red and White store went for the Fourth, taking his family with him, the party almost ran into big doe deer when near Bear Springs.

Light Fingered People

While at the celebration at Tygh Valley Wednesday evening Mrs. George Morris had her purse lifted by some one possessing light fingers. Besides the purse she also lost her powder puff.

Visiting Mother

Mrs. Signe Fischer left last Saturday for Los Angeles, California, where she will spend a couple of weeks visiting with her mother and sister.

Former Publisher Calls

Mrs. Jessline Morrison, former publisher of The Times, drove in last night and for a time today greeted old friends about town.

Hedin Could Win Office If Left to the Voters' Choice

HEDIN COULD BE ELECTED BY GENERAL VOTE IF NAME COULD BE PLACED ON BALLOT—HAS BEEN SUPPORTER OF BUTLER ALL THROUGH

The campaign for state senator from the 16th district to fill R. R. Butler's vacancy caused by his nomination for congress to fill the place vacated by Nick Sinnott, is not getting down to cases.

It is conceded by thinking men over Hood River and Wasco counties that it were possible to place N. G. Hedin's name before the voters of those counties that no other candidate could beat him.

At the present time the situation is quite different with Butler's resignation—a sort of free-for-all scramble of many poorly qualified candidates has clogged the committee machinery.

Thinking men who favor Hedin against Kuck do not wish to say aught against the worthy man from The Dalles. They simply know Hedin to be a fearless scrapper, a natural orator, a far-seeing man and one who is naturally qualified to carry on the work as legislator without weakening the good work begun by Senator Butler.

OFF THE FOURTH

The Fourth of July came on Wednesday and The Times force took advantage of the time to lay off from work. As a consequence The Times is one day late this week.

Insurance Man Leaves

W. A. Bullock an insurance man from Klamath Falls, returned to his home Friday. Mr. Bullock was here about five years ago and at that time he wrote insurance amounting to nearly \$50,000.

Celebrated at Swim

Wallace Fargher, Phil Starr and Art Fargher, husbands with their wives spent the glorious Fourth communing with nature at the famous watering place—Swim.

Lost Lad Shows Up

E. C. Coppel, the diminutive service man at the Maupin garage, has come home and is again on the job. "Butch" spent the time since the last Willowdale dance roaming around the country.

Now is the time to do your painting. Let us figure on the job. Get estimates at the Maupin Drug Store.

and out of office as well as from business men of the two counties are being received by Hedin daily and each of them conveys the encouraging intelligence that the writers desire to see him chosen as Butler's successor.

The proper time for the committee-men to have met was in June, when the outlying committeemen could get away from their ranches and business places to attend the caucus.

If Hedin's chances would be 100 percent good before the voters—a fact no one is ready to deny—then the committeemen's duty is clear.

Hedin's work for this part of the district shines like a lighthouse lamp. He has been foremost in all things which brought about better conditions and more trade to the section.

Everyone in Wasco county has heard Hedin before all kinds of audiences, on a wide range of subjects. Would anyone like to see him in action at Salem?

Many thousands American boys and girls preparing for years in the future. Last year 619,712 American boys and girls better fitted themselves for rural community life and leadership through 4-H Club activities.

4-H CLUBS SPREADING ALL OVER COUNTRY

Many Thousands American Boys and Girls Preparing for Years in The Future

Last year 619,712 American boys and girls better fitted themselves for rural community life and leadership through 4-H Club activities, under the cooperative direction of the Extension Service of the Department of Agriculture.

Of the total number enrolled nearly 400,000 completed the tasks or projects assigned to them, according to reports received from 2,622 county extension agents throughout the country.

Addressing 148 champion farm boys and girls at the national club camp recently held in Washington, Dr. C. B. Smith, chief of cooperative extension work, stated the purpose of the clubs to be that of aiding rural boys and girls in improving farm and home practices and in broadening the social life of their communities.

The members are taught to "work together, counsel together, play together, cooperate and achieve."

There is no doubt that one of the foremost needs of rural people is better cooperation among themselves. Club work teaches boys and girls how to cooperate.

Postmaster's Daughter Visits

C. A. Robinson and wife, the latter known to Maupin people as Miss Vera Turner, were visiting at the Turner home the first of the week. They were on their way to Spokane for a visit with Mr. Robinson's parents.

ANNUAL MEETING CALLED AT EXPERIMENTAL NURSERY

Next Sunday, July 8, at the Raymond Crabtree Ranch—Everyone Invited

The annual meeting at the grain nursery will be held next Sunday afternoon, July 8, at two o'clock. The nursery is located on the Raymond Crabtree ranch, near the old school house on the market road.

Nearly a hundred varieties of wheat, barley and oats are being grown at this place in rod rows. The rows are farther apart but are seeded heavier so as to nearly represent field conditions.

The discussion will not only revolve around the different varieties, but will include all phases of grain production and marketing. As a matter of fact, what can be seen there will be of small importance as to what can be heard.

In addition to Mr. D. E. Stephens of the Moro experiment station, Professor G. R. Hyslop, O. A. C. chief in farm crops will be there. Professor Hyslop has not been in this part of the county recently and it is a pleasure to this office to announce his coming.

At this meeting the county agent will be prepared to discuss the disease in wheat, which has been found in a number of fields in this county from Tygh Valley, north.

HOGS AND SHEEP SHIPPED

Mayhew & Davidson and Everett Richmond Take Loads

Everett Richmond took a truckload of hogs to the Portland stockyards Sunday, leaving in the evening. Mayhew & Davidson, local truckman, also took loads of sheep and hogs down the river.

We've Got a Boy

Mrs. C. W. Semmes made a trip to The Dalles Sunday morning, going down for the purpose of meeting her little grandson, who was brought up from Los Angeles, California. The little fellow is one and one-half years of age and takes to the old people of The Times as though he had always lived with them.

Called On Relatives

Herman Smith, who lives at Tillamook, surprised his brother-in-law, Harry T. Lewis, Wapinitia Plains rancher, Sunday night. He remained over Monday and left for home Tuesday morning.

Cutting Logs for McFarlane

Fred Ault is foremanizing in a lumber camp in McCubbins Gulch. He has a crew of log cutters at work getting out logs for the new mill, which McFarlane & Son, are erecting above Pine Grove.

Now Running Cook House

Mrs. Mary Sharp is now in charge of the cook house at the Ault lumber camp in McCubbins Gulch. If the lumberjacks working in the timber do not speed up and cut more logs than any other crew in this vicinity, it will not be because of the quality of the grub they stow away, for Mrs. Sharp knows just how to tempt the appetites of those huskies.

Specials Went Over Big

As a result of the half page ad in The Times last week the special sale scheduled at the Shattuck store for three days, June 28-29 and July 2, went over with a rush. The prices, coupled with the large variety of goods offered, proved to be a magnet which drew many customers to the Red and White store.

Displayed Fine Truck

Bates Shattuck had a special display of an International truck at the fair grounds at the celebration. The vehicle attracted much attention and several ranchers are considering purchasing such a one for their farm hauling.

Lauchera Blue Rose acquaintance package—powder, soap and bath salts—50 cents at the Maupin Drug Store.

Local Veterinarian Tells Version of Malady Killing Cattle

Dr. Stovall Explains His Version of Malady Which is Causing Death of Many Cattle

During the past three weeks there have been many deaths among cattle on Bakeoven and Buck Hollow. One man at the latter location, out of a herd of 40 attacked by the malady had but seven survive.

Inasmuch as the ailment is something new for this country and, in fact, different from anything ever experienced by veterinarians treating the disease, no positive diagnosis has been made so far.

From observations I have made I am led to believe that the disease is an acute form of hemorrhagic septicemia, and as animals treated for that disease have responded favorably I will say something regarding the nature of that malady.

Hemorrhagic septicemia is a disease caused by a minute organism bacteria, that belongs to the same group as that causing swine plague and cholera in chickens. The disease may either acute or chronic, and animals may be dead before symptoms are shown.

The cattle affected in this neighborhood have shown symptoms principally of the menengial type; some have had the symptoms of the intestinal adcutaneous. The ones having later symptoms have had the menengial symptoms also.

It is well for stockmen to keep close watch of their herds, and if any symptoms of this disease occur affected animals should be isolated and the proper authorities notified at once.

The undersigned desires through this medium to return thanks to all those kind friends who extended words of sympathy to us during the illness and during the funeral of the late Alfred Nys.

CARD OF THANKS

The undersigned desires through this medium to return thanks to all those kind friends who extended words of sympathy to us during the illness and during the funeral of the late Alfred Nys.

Mrs. Alfred Nys, Clarence Fargher, Mrs. Ida M. Fargher.

Waitress at Rainbow

Miss "Sammy" Creighton is taking the place of Mrs. Signe Fischer at the Rainbow cafe during the latter's absence. The customers of that eating house will be well served and will always return, for when an order is delivered with a pleasant smile it usually calls for other meals at that place.
