HOUSEHOLD HINTS FOR MAUPIN TIMES READERS

Little Stories By People Who Seek to Help the Busy Wife and Mother

To tell a left from a right sleeve, see which side is cut slightly higher at the armseye edge. The high side goes to the back of the garment.

When making two-piece dress for a growing girl, take a tuck in both skirt and underwaist, so that when you are letting down the garment change it proportionately. Stitch the tucks at half inch intervals with a long loose stitch. When the first row of stitching is ripped out the dress is lengthened an inch and can be lengthened again.

Variety in texture makes the meals more appetizing. Have one food with a crisp crust, like corn fitters or scalloped tomatoes; another with a sauce; and a third simply cooked in water and seasoned with melted butter. A raw vegetable, like celery or radishes lends still further variety.

An old-fashioned remedy for a stain made by tar, axle grease, road oil, creosote oil, asphalt or asphalt paint, is to rub lard thoroughly into the stain, and then wash it with hot water and soap. The treatment may have to be repeated. Otherwise one of the solvents, such as carbon tetrachloride, chloroform, turpentine, or benzol may be used.

Serve small or moderate-sized portions in warm weather and avoid waste. On warm days the appetite does not seem as active as in cold months. Choose cooling foods, crisp in texture, for part of the meal, and give out considerable attention to the appearance of the food and the table. Out-of-doors meals on the porch of lawn will be found popular and easy, if some of the preparation can be done early in the day.

The Dalles—Bids will be opened July 19 for \$165,000 unit of state hospital.

Doings at Pine Grove
Earl Bronner has gone to work for the Bothwells.
N. G. Hedin and wife made a short visit to Maupin on Tuesday.
Frank Batty and John Judkins

have opened a wood camp at Bear creek.
J. S. Brown will repair his boat and move it from Ollalie lake to Fish lake, making the move next Saturday.
About 200 people camped at Clear

lake last Saturday and Sunday. The fishermen were as thick as fleas. Quite a number caught small messes of trout and the wonder is that any fish in the lake escaped their hooks. With the completion of the new road to the lake that body of water will be a sportsmen's play ground of unusual attraction. When the dam is built surrounding the water of the lake it should be stocked and then closed for a couple of years.

Earl and Anna Cunningham were Clear lake visitors last Sunday.

Ishom West started out for the everlasting hills last Sunday. The American Legion picnic at the First and Last Chance auto park last Sunday was a decided success. The picnic spirit crowded out wartime thoughts of the army and navy men. Everything seemed to be at peace with the world and "Peace" was the keynote of the gathering. A fine dinner with ice cream as the finishing touch was enjoyed. Richardson's oak and pine grove makes an ideal picnic ground.

R. E. Miller and family, Bert Ellinwood and family were week end visitors at Clear lake. The men did some work on the road leading to the cabins at the dam site. Nearly every rancher in this neighborhood is now busy in his grain fields. The wheat is turning out much better than expected and is of fine quality.

Criterion News Notes
Criterion farmers are busy making hay while the weather bug registers at 86 degrees.
Mrs. Brittain Slusher and Mrs. Kirsch picked wild gooseberries at the Kirsch ranch Wednesday. The ladies gathered three gallons of very nice berries.
Mr. D. D. Wilson and children spent Sunday afternoon with friends at Shaniko.
Claud Wilson of Bakeoven spent Sunday at his Ridgeway ranch.
Verl Bonney played ball at Maupin Sunday. The preceding Sunday he played with the Maupin team at Bend.
Bert Appling made a trip to Maupin Friday for harvest supplies.
Mrs. M. K. McLeod and little granddaughter, Janett, returned to their home in the Dalles last Thursday.
Mr. and Mrs. Kirsch made a trip to the Johnson ranch Friday to pick
