months, \$1.00; three months, 50c.

Entered as second class mail mat-
ter September 8, 1914, at the post-
office at Maupin, Oregon, under the
Act of March 3, 1879.

Fished at Ollalie—

A party of Portland people con-
sisting of Cliff Ingham and wife,
with a friend, and W. H. Williams
of Maupin, made a trip to Ollalie
lake last Friday for the purpose of
fishing. They found the fish rather
bashful of their lure and came home
with small catches. Mr. Ingham's
wife is a sister of Mr. Williams.
The visitors left for Portland Tues-
day.

Sheep Come Out—

John Fitzgerald came out of the
mountains with the flocks of the
Mutton Mountain Sheep company
on Monday. The sheep summered
well and are all in fine shape. They
are now at the ranch corrals above
Nena.

Called on Staats—

Theo. Luckley, son of a former
agent at the Warm Springs agency,
called on W. H. Staats this morning.
Mr. Luckley is engaged in the jewelry
business at Eugene and was on his
way around the highway loop going
home by way of our highway and the
Mackenzie pass.

Watched Fishermen—

Morris Greene went to The Dalles
last Friday and from there to Wash-
burn. At the latter place he watched
salmon fishermen draw in their nets,
and says many fine fish are being
taken, some of which reached 45
pounds in weight.

Nonsensical Charge—

Joe Kramer was called by a Tygh
Valley man one night last week and
instructed to arrest a trio who were
connected with housebreaking. The
members of the party were apprehended
and, after being proved they had
no connection with the reported bur-
glary. A third member of the party
a young lady, was the one really

wanted and she was returned to her
home at Tygh none the worse for
her ride. The charge was nonsensi-
cal and embroiled two men whose
standing in the community is un-
challenged as being upright and de-
sirable citizens.

Lost Valuable Cow—

One of the best cows of the Job
Crabtree dairy herd suffered frac-
tures of the hips Sunday and had to
be killed. The loss of that milk
giver cuts down the production of
the Crabtree dairy for the time be-
ing.

Teaching Bakeoven School—

Miss Lenore Woodcock has been
installed as teacher of the Bakeoven
school, near Mallatt's ranch, she
coming from Wamic. Miss Wood-
cock is making her home with Mr.
and Mrs. Mallatt.

Fleming School Teacher—

Miss Barbara Henricks, who
taught in the Shady Brook district
last year, is now filling a like posi-
tion in the Fleming school. With
Miss Francois, Miss Henricks is
keeping bachelor hall in the Fryman
house, near her school.

Hurt in Practice—

While at football practice yester-
day Clarence Hunt had his right
leg badly wrenched. Ira Kidder suf-
fered a broken nose and Richard
Crabtree a sprained finger. All for
the sport of the game.

Takes Out License—

A marriage license was issued by
County Clerk Crichton on Wednes-
day to Kenneth G. Urfer of Portland
and Miss Alma Darlene of Arlington.
Mr. Urfer is a mining engineer, a
graduate of Oregon State college,
and a fraternal brother of Dan Pol-
ing of the Maupin school faculty.

Bought Dairy Cows—

Job Crabtree went to Portland
and Valley points Tuesday and while
there purchased several fine dairy
cows. Everett Richmond left with
his truck yesterday morning and
brought several of the cows to
Maupin today.

Returned From California—

Mrs. Oscar Renick, who was called
to the bedside of her father a couple
of weeks ago, returned to her Mau-
pin home last Saturday. While she
was away Oscar played housekeeper
and looked after the youngsters.

Constructing Basement—

Dr. Stovall has Billy Heckman
at work excavating for a basement
under the Stovall residence. If the
digging is hard the doctor will have
just sufficient earth removed to ac-
commodate a heating plant, but other-
wise will build a basement under the
whole structure.

Back to O. A. C.—

After spending all summer and
part of last spring at home working
on the ranch, Bobby Lewis returned
to O. A. C. this morning. He is
taking the electrical engineering
course and will remain all through
the school year.

Pure Bred Sires Increase Butterfat Production

When Dave Fitzpatrick, President of Tillamook Cream-
ery Association, first started to raise the standard of
his Jersey herd, by introducing pure bred sires, his but-
ter fat production was only 3 per cent. Today the
milk tests 5.4 per cent. The present herd sire in a full
blood brother to L. C. Daniel's world-record cow.
The Pacific International Livestock Exposition to be
held in Portland, Oregon, November 3-10, affords an op-
portunity of seeing and studying dairy cows with
records of 500 pounds of butterfat per year, and more.
