Football, Student Body Mixer and Dance on Program.

Tygh Valley High school is already hard at work with activities which embrace a football game with Kent tomorrow, October 4, a student body mixer the same evening and a dance at the gymnasium on Saturday evening of next week. The student body will also give a play early in November and another in December. These charge affairs are given to raise money for the purpose of installing shower baths in the gym. Other improvements are contemplated in the gymnasium, and when completed that addition to Tygh Valley schools will make of them among the best in the state. After the mixer on tomorrow evening there will be a free dance. Admission to the football game has been set at 25 cents and 50 cents, game beginning at 2:00 o'clock.

Bridge Nearly Completed

The concrete bridge being built over Clear creek will be completed this week, so the contractors say. The new structure is a great improvement over the old wooden bridge and will add greatly to the scenic value of the Wapinitia cut-off highway.

Signe Fischer Ill

Mrs. Signe Fischer is lying abed in her room at the Home hotel, suffering with what appears to be a general breakdown. Signe has been working very hard of late and that, coupled with other worries, has had a tendency to cause a case of intense nervousness. Mrs. Violet Mayhew is substituting for her at the Rainbow restaurant during her enforced layoff.

Community Club Met

The Maupin Community club was to have held a meeting last Thursday, but as the notification was too short but few members turned out. Another meeting will be called soon, as which time a good attendance will be had.

ELEVEN YEARS AGO

From The Times Oct. 5, 1917
Arthur Morris and wife returned from Pendleton Friday and were greeted by a number of friends at the M. M. Morris residence. A

charivari party made things pleasant for the newlyweds for a time.

The Maupin warehouse was accepted by the farmers Wednesday night at a meeting held at Hotel Kelly.

The Kelley hotel was threatened by fire Tuesday, which, but for the timely discovery by A. E. Lake, might have resulted disastrously. Mr. Lake discovered smoke issuing from the building and at once awakened the sleeper there. The fire started at a point where the asbestos packing had been worn from the exhaust pipe of the Delco lighting system. Damage was estimated at \$100.00.

Nathan Hill, of Fort Rock, Lake county, and Miss Alpha L. Mayfield of Smock were married at the

home of the bride's parents, Mr. and Mrs. Henry Mayfield, the ceremony being performed by Rev. G. E. Wood of Wapinitia. The wedding occurred last Monday.

J. L. Hartman of Wapinitia recently was compelled to turn down an attractive offer for lumber, scarcity of labor being given as the reason. Most of the young men of Wapinitia have been taken for the army, which leaves the labor situation rather short handed.
