

Dance!

(By the Student Body of the
Tygh Valley High School)

High School Gymnasium Saturday, October 13

Music by

School 5-Piece Orchestra

The dance floor of the Gymnasium is the only hardwood floor in Eastern Oregon, being smooth, level and on a solid foundation, thus making it an ideal dancing. The H. S. orchestra is composed of students who know music and who are prepared to play in a manner to cause all listeners to tap in time.

Come out and thereby assist the students in installing showers in the Gym.

NOTES FROM MAUPIN SCHOOLS

As a result of the contest between the "Reds" and "Greens" the Greens were entertained at a party Friday night. Each member of the Reds represented an animal, among which were elephants, tigers, leopards and monkeys. They all acted like monkeys. Several contests were put on by the animals, such as chariot races, jumping for doughnuts, walking a line blindfolded, and eating prunes which were tied to the end of a string. The Freshman were initiated at this time. Mary Greene enjoyed being a nurse about as well as Harry Rutherford enjoyed being a baby. Tom Slusher had the honor to wheel the baby carriage. Alta Chastain and Dorothy Davis can truthfully say they have had a mustache. Charles Bothwell was in the height of his glory when he was told he could represent the strong man. "Bo" Wilson ought to wear dresses all of the time, as he made the "cutest girl" in High school. The Freshmen were all blindfolded and then were treated to a feast of worms and cats' eyes. After the games refreshments of ice cream, cake, sandwiches and lemonade were served. Estel Stovall and Merle Snodgrass are deserving of honorable mention, as they had all of the responsibility of making the party a success, with the assistance of Mr. and Mrs. DeVoe.

During the past week the football team has been busy at signal practice. The first game will be with Madras next Saturday, Oct. 6, on the local field. We are confident that the honors will be more equal than last season. The games we have secured at present are Oct. 6, Madras at Maupin; Oct. 12, Dufur on Dufur field; Oct. 19, Wapinitia on our field, and a return game at Wapinitia Nov. 2nd. The Maupin boys are eager to go and will give a good account of themselves.

The grade pupils have profited by the "Soldier Campaign." Now every one marches in step like a veteran.

During the past week no one has been absent nor tardy in Miss Harris' room. The pupils of this room

have a "clean chart." This chart is to encourage the habit of cleanliness.

The 3rd. and 4th grades with Mrs. Joynt are enjoying an interesting table. When a pupil has his lessons he may go to this table and get a book or magazine to read. They are also enjoying a beautiful Sultana and Christmas Cactus, given to them by Mrs. Foley. The pupils will like to watch the growth of these interesting plants.

Mrs. Cantrell's room received the library books from the Wasco county library. Every one who is a reader will get full value out of this list of books.

Last Friday Mrs. Joynt gave instruction to the pupils of the 3rd 4th, 5th and 6th grades in the art of soap carving. They changed bars of soap to lemons, bottles and bears.

A long table has been moved from the basement to the east room and will be used by the bookkeeping students. This class is doing preliminary work, but are anxious to begin on the sets.

Much interest has been aroused among the students of the chemistry class. The cupboards and blackboards have been rearranged and a sink installed. This will make it possible to keep the equipment clean and orderly.

We were glad to have Fred Shearar visit Maupin High school. While here he gave an interesting talk on his electrical engineering course at O. S. C.

The Maupin school appreciated visits of the alumni and wishes to keep in touch with them. Letters from distant alumni would give the school pleasure.

Nova Hedin and Velma Crofoot played the beautiful Spanish dance, "Escamilo" Friday morning at the regular assembly, in honor of the Spanish class.

The Maupin school assembled in

front of the grade building Tuesday morning. The flag salute was given and the school sang "Oregon, My Oregon." Checks were awarded to those who won honors at the Wasco Co. fair this fall in club work. Estel Stovall led the flag salute.

The Lawn

(Editorial by Doris Kelly)

Everyone enjoys a well-kept lawn. For years our school has gone without one. With much hard work and patience trees were made to grow on the south end of the school grounds. Then a lawn was started. Rows border two sides of it. Our lawn has been well cared for and it is one of the most beautiful school lawns in this county. We, therefore, aid in the protection of the lawn through interest and care.

SCHOOL NOTES

Mrs. Ralph Woodside substituted in the Primary department for Mrs. Woolsey, three days the first of the week. Mrs. Woolsey was called to Portland by the death of her father. Sam Wall transports the Hachler children to and from the Central school daily. Sam recently acquired a new auto.

Marion Howard registered as a Junior Monday morning.

Last Friday afternoon the boys donned their new football suits and trotted to the gridiron thru a cheering lane of lusty-lunged youngsters, the occasion being our first practice in uniform. A quarter day holiday was granted the High school girls and grade youths, who utilized the hour in composing yells and songs, and practicing them while the squad had their workout on the field.

Our Freshman initiation program for three boys and three girls will occur this week Friday night, in the school house. Written announcement to this effect will be carried by the pupils and the mail service. Everyone is welcome.

Tygh Valley will play Wapinitia at Wapinitia on Friday, October 12. This will be the first football any of our boys have ever played, and many people will have an opportunity to watch a game for the first time. Wapinitia has a "cyclone" team, so come and see them play.

In Blue Mountains—Ernest Confer, Ray Kaylor and Louis Woodside left for the Blue mountains early Sunday morning, and while there will hunt deer. The boys have been very busy with their farm work and now that harvest is over, took time off long enough to hit the high spots on a good hunt.

Mr. Poling and Mr. Davies spent the week end in the Valley. While there they saw the football game between California Aggies and O. S. C.

Mable and Lelah Weberg, accompanied by Nova Hedin, entertained those in High school Tuesday morning by singing "Just Across the Street From Heaven." Mabel sang alto and Lelah carried the soprano, both doing well.

More Hogs to Portland—As soon as he returned from Portland Monday Everett Richmond loaded up his truck with a number of Frank Magill's porkers and with his father, R. W. Richmond, left on another trip to the stockyards. The elder Richmond went down for the purpose of consulting authorities regarding a site for a muskrat farm on the Warm Springs reservation.
