Wapinitia News

As Hartman's store was the voting place of residents of upper Juniper Flat, students of the Wapinitia High school were stationed there all day Tuesday to sell tickets for this Friday's football game with Maupin. Sales before 4 o'clock totaled \$11.

The members of the High school, with the aid of the grade pupils, are engaged selling tickets for the coming football game with Maupin Hi.

Robert Holman, a senior at Wapinitia Hi school, Tuesday sold a fine Lincoln ram to Philip McCorkle of Tygh Valley.

Frank Hachler assisted Prof. Broughton last Sunday afternoon. The couple were putting up the former's radio, which is now reported to be working fine.

Frank Hachler and Marion O'Brien listened in on the election reports Tuesday night. These two ambitious youths also participated in the cutting down of a bee tree last Sunday.

The Wapinitia attendance for the first six weeks of school was 98 per cent perfect. The total enrollment of Wapinitia High school is now sixteen pupils.

The football boys banqueted last Friday evening after the Kent game at the George Claymeir home. Mrs. Claymeir, assisted by Mrs. Roy Batty and some High school girls, served a real chicken supper.

The Wapinitia school was well represented at the basket social at the Pine Grove school last Friday night.

The Wapinitia "Cyclones" won their first game of football last Friday in the contest on the local field against Kent. The Kent boys were light, but fast and scrappy and fought to the final whistle against our heavier team. The local boys showed pep and headwork throughout the game, did some good blocking of punts and spectacular plays. The score was 6 to 16. A good crowd attended the game.

Maupin plays here this Friday. The game will start at 1 o'clock to allow Maupin children the use of the school buses. Note the change of time—1 o'clock.

Dufur plays us here Friday, November 16. We expect to work our hardest in this game as Dufur has been doing some excellent playing.

Bonzone—Gravity water system for this place discussed.

Symbols of Safety—

—that mean positive security

Primitive man protected his wife and possessions by weapons of stone and iron. Today, cold steel and solid concrete are symbols of safety for the protection of those valuables which may mean so much to you.

Let the modern symbols of safety protect you—use a deposit box in our vault, adequately protected by steel and concrete that is impregnable—SAFE. The cost is low, insignificantly so! A small charge for such important service. A sensible investment in safety and freedom from mental worry.

You cannot appreciate this safety or convenience until you visit our vault. Do so soon. You'll realize more than ever before, how wise and sensible it is to take this precaution for your safety.
