### TIMES TO GET OUT SPECIAL CHRISTMAS EDITION

Finest Illuminated Cover and Season-  
able Holiday Stories Will Be  
Added Attraction

Following our usual custom at this  
season of the year the publishers of  
The Maupin Times will issue a special  
Christmas edition of the paper,  
to be given to the public two weeks  
before the great day of days.

We have arranged for a fine illum-  
inated cover, depicting the time, and  
have secured a number of Christmas  
stories, household hints and recipes  
and suggestions for making the time  
a real holiday event.

We ask those of our merchants  
who contemplate letting Times read-  
ers know what they have laid in for  
the Christmas trade, to get their ad-  
vertising copy in as early as possible,  
for we will have to get the ads up  
and the different sections run off  
in time to include the regular news  
part of the paper in that issue.

### TRI-COUNTY COUNCIL MET AT KENT THIS EVENING

Delegates From Every Post In Dis-  
trict Present—Six From Maupin  
Attended the Meeting

The regular monthly meeting of  
delegates from the Legion posts of  
Wasco, Hood River and Sherman  
counties met at Kent tonight and  
transacted the regular routine busi-  
ness.

There were about 50 male mem-  
bers present and as many members  
of the Ladies' Auxiliary at Kent.

A feature of the meeting was an  
elaborate supper, at which chicken

formed the chief item, and that was  
supplemented with all good things to  
be found on the market.

Those from Maupin at the meeting  
were Floyd Kelly and wife, Don Mil-  
ler and wife, Raymond Crabtree and  
wife. The next meeting is scheduled  
for Mosier and the date will be De-  
cember 13.

### HOW ABOUT A COMMUNITY TREE AND PROGRAM?

Now Is the Time to Be Thinking of  
Something to Please the Little  
Folks at Christmas

To date we have heard nothing re-  
garding what is to be done in the  
way of arranging a Christmas tree  
and program for the little folks. It  
has been the practice of Maupin peo-  
ple to be up and doing at this time,  
and to forget the little ones this  
year would be a grievous error.

We suggest that the members of  
the Maupin Community club get busy  
and make plans for some kind of a  
celebration for the Christmas time.  
Those ladies are ever alert to any-  
thing which tends to promote the  
best of Maupin and surrounding ter-  
ritory, and now is the time or them to  
extend themselves to the end that  
the many little ones may be given a  
treat and caused to remember there  
is such a person as Santa Claus.

### Took Flour to Madras—

Jim Woodcock went to Madras one  
day last week with a load of Oregon's  
Perfection flour. The people of  
Madras know a good thing when it  
comes to their town, and as a con-  
sequence Maupin flour is in good  
demand at that up river place.

### LEGION WILL HOLD SMOKER

George Morris Lining Up Talent for  
December 8th Card

Another of those hum-dinger  
smokers for which the local Legion  
post is noted, will be pulled off in  
the local Legion hall, Maupin, on  
the evening of Saturday, December  
8. George Morris has the affair in  
hand as busy as Tex Ricard ever  
was lining up a card. It is said he  
has secured the acceptance of a first  
class scrapper from The Dalles, who  
will be pitted against Freddie Ander-  
son who at one time occupied the  
spotlight in lightweight circles on this  
coast. Anderson has fought some  
of the best men about this section of  
the country and, while he has been  
out of the game for some time, has  
kept himself in condition and will  
make anyone pitted against him re-  
alize he has been in the ring with a  
man who knows his onions when it  
comes to boxing.

We hope to be able to print the  
whole line-up in our next week's is-  
sue of The Times. Watch for it.
