## FISTIANA'S KNIGHTS WILL BATTLE ON SATURDAY

Tickets Going Rapidly and Full  
House Promised For Next  
Saturday Night

The demand for choice seats for the smoker to be pulled off at the Legion hall is somewhat greater than for any like affair ever held in Maupin. The managers of the smoker have perfected an arrangement of seats that will give each attendant a full view of the ring, and have placed 72 ringside and 100 reserved seat tickets on sale. Besides these there will be a great many general admission tickets sold.

Manager Morris has made a change in the line-up for the main event. He had advertised Young Gene Tunney, a Grass Valley fighter as the opponent of Floyd Hollamon, but has cancelled that contract and has substituted Jack Bricklove, a Bend pugilist to meet the local boy. Bricklove has gained some notoriety as a fighter around Bend, where he fought last night. He is on a card at Klamath Falls for tonight. The Bend scrapper is said to be very fast, carries a wicked punch and has a good knowledge of the game. Morris is of the opinion that he will be a better match for Floyd than would have been the Grass Valley lad.

"Speed" Carter has gone to Baker therefore his place will have to be taken by some other man. Manager Morris has decided to rearrange the card, inasmuch as there is a man coming with Bricklove from Bend, and he will be given a place on the card. He is a lightweight, named Billings. The card will be substantially as follows:

Curtain raiser—two rounds—  
Billy Tough vs. Buddy Gump.

Four rounds, 130 pounds—Nick  
Hollamon vs. Elton Snodgrass, Maupin.

Four rounds, 135 pounds—Ivan  
Mott, The Dalles, vs. Kenneth Snodgrass, Maupin.

Four rounds, 160 pounds—Cyril  
Friley, Maupin, vs. Albert Hackler, Wapinitia.

Four rounds, 150 pounds—to be  
arranged.

Main event 150 pounds—Floyd  
Hollamon, Maupin, vs. Jack Bricklove, Bend.

There will be five bouts with 24  
rounds of boxing. Seats may be procured at the drug store and at Shattuck's store. Ringside seats, \$1.00, reserved seats, 75 cents and general admission 50 cents.

## REP. EGBERT ON COMMITTEES

Vice-Chairman of Several and Has  
Membership in Others

Representative Egbert of this  
county will be kept busy during the  
present legislative session, as is  
shown by the following from the  
Chapman Reporting Service, which  
speaks thusly about our legislator:

Herbert Egbert, of The Dalles,  
who is representing Wasco county at  
the legislative session now in progress  
at Salem, has been appointed on  
several committees. These include  
vice-chairmanship of the hills and  
mailing and election committees and  
places on the labor and industries  
and horticulture committees. Mrs.  
Egbert will serve as his secretary.  
While in Salem, Mr. and Mrs.  
Egbert are residing at the L. A.  
Thompson home, 12th and State  
streets.

## Phone Lines Broken—

The late silver thaw so weighted  
some of the phone lines on the Flat  
that they broke apart. Ernest Con-  
fer reports that the frost is so heavy  
on his radio aerial that the pole was  
almost torn from the ground.

## Bread Wagon Went Over—

While approaching the intersection  
of the highway and the Boyd  
road Monday Johnny McLeod's car  
skidded and gracefully went over.  
At the same time another car went  
through the same antics opposite  
the place where the bread wagon  
tipped. Slick surface was the cause.

Condon—\$20,000 bond issue urged  
for construction of city hall.

## CELEBRATE FOUNDER'S DATE

Odd Fellows Entertain Rebekahs  
With Stunts and Feed

Members of Wapinitia lodge, I. O.  
O. F., were hosts to the auxiliary of  
the order, the Rebekahs, at a meet-  
ing held Tuesday evening, the oc-  
casion being the birthday of the  
founder of the order in the United  
States.

The program consisted of stunts  
and talks, the whole concluding with  
a sumptuous feed, prepared by Mrs.  
John Confer. There were about 150  
members of the two orders present.

Rufus McCorkle was the principal  
speaker, he telling of the early history  
of Odd Fellowship and bringing that  
history down to the present time.  
The evening's entertainment  
concluded, the Odd Fellows and Re-  
bekahs indulged in pleasant conver-  
sation and when time came for ad-  
journment each one present voted the  
occasion one of the most pleasant  
ever held here.

The Odd Fellows order was found-  
ed in England in 1745. The first  
branch of the order to be formed in  
this country, at New York City, De-  
cember 26, 1806, the first class hav-  
ing but five initiate. Since that  
time the order has grown and at this  
time the United States contains all  
but about four per cent of the Odd  
Fellows of the world. The Rebekahs,  
the auxiliary to the Odd Fellows, was  
organized mainly through the efforts  
of the then vice-president, Schuyler  
Collfax, and has kept pace with the  
parent order ever since.

## BANK HOLDS ANNUAL MEETING

Old Directors and Officers Re-  
Elected—Condition in Fine Shape

The stockholders of the Maupin  
State bank held their annual meet-  
ing at the bank last Thursday.  
Cashier Stuart submitted a state-  
ment of the condition of the finances  
of the institution, which showed that  
out chief financial house is in a most  
prosperous condition. The statement  
showed the total resources of the  
bank to be \$249,341.99. Deposits  
at the time of making the statement  
were \$159,701.12 demand, and \$50,-  
551.87 time certificates. The old  
list of officers and directors were  
re-elected, they being:

L. C. Henneghan—president.  
L. S. Stovall—vice-president.  
F. D. Stuart—cashier.  
Geo. McDonald—assistant cash-  
ier.

L. C. Henneghan, J. S. Brown, L.  
S. Stovall, Frank Fleming and F.  
D. Stuart—directors.

## ALLEGED STILLER ARRESTED

E. T. Patrick Taken to The Dalles  
by Officer Kramer

Upon advice from Sheriff Sexton  
Deputy Sheriff Joe Kramer arrested  
E. T. Patrick yesterday afternoon at  
the evening he and Mr. Henneghan  
took him to The Dalles. At the  
time Joe got word that Patrick was  
wanted he was at the officer's resi-  
dence.

Later in the night the sheriff  
drove through from Shaniko way,  
and it was reported about town to-  
day that the officer's car contained  
a still and that he had suspected  
bootleggers under arrest and in his  
car.

It is alleged that Patrick has been  
operating a still on a ranch near the  
top of the Cow Canyon hill, also  
that he was wanted to sell his product  
in Maupin, Shaniko and Antelope.

Sheriff Sexton seems to be start-  
ing off on the right foot, and with  
a little perseverance and good luck  
may be able to round up more viola-  
tors of the prohibition law, and that  
not a great ways from Maupin.

## Home From Hospital—

Wm. Beckwith went to The Dalles  
Sunday and when he returned was  
accompanied by his wife, who had  
been at a hospital at the county seat  
several weeks. Mrs. Beckwith is very  
ill, being confined to her bed at this  
writing.

## Change in Time—

The O. W. time card was changed  
on Sunday, the down train now  
reaching Maupin at 11:45 as of yore,  
while the up river train is scheduled  
to arrive here at 2:45 p. m. instead  
of 2:05. The latter change makes  
Postmaster Turner hustle, as he has  
to distribute that mail and get the  
mail on The Dalles route out in time  
to leave at 3:30.

## ::: MAUPIN HI TIMES :::

### Basketball

Last Friday Maupin Hi played its  
first basketball game of the season  
against Odell. The game was hard  
and fast throughout, although Maupin  
showed superiority. The visiting  
team was handicapped somewhat by  
the small gym and the low ceiling.  
Many fouls were committed by both  
teams. Jesse Crabtree did very  
creditably and we hope to secure his  
services again in the future. After  
he game the visitors were treated  
to light refreshment by the Student  
body. The next game is a double  
header Friday, the 18th. The box  
score follows:

Maupin	F. G.	F. T.	P. F.
K. Snodgrass	1	0	2

### Editorial

(By Gladys Martin)

A school year may be compared  
with one of the topics, developing a  
climax, contained in the chapter  
"Sequence Trail" which the English  
III class has just finished. It begins  
with the simple things and gradually  
works toward the more difficult.

The explanation suggesting a  
mountain trail which becomes steeper  
and rougher as it approaches the  
bleak, wind-swept summit. Having  
this in mind students are therefore  
looking forward to the last semester  
of this year, which will begin the  
3rd week of January. With more  
anxiety and enthusiasm than ever be-  
fore the last lap of every year means  
a step of higher advancement.

### Club Work

A club meeting will be held at  
the high school gym Thursday, Jan-  
uary 17, for the purpose of getting  
students interested in club work.  
A special program has been arrang-

ed by Mr. DeVoe. All students in-  
terested in any line of club work are  
urged to enroll immediately. It is  
hoped that the leaders of former  
years will be ready to help for the  
coming year.

### Semester Tests

This week completes half of the  
school term, tests for completing the  
semester work will be given Thurs-  
day and Friday of this week. There  
will not be many changes in the pro-  
gram, because most of the courses  
are full-year subjects.

### Two Basketball Games

Friday, January 18, at 7:30 p. m.,  
the girls will play their first game  
of the season. Maupin girls  
promise to make the score look dif-  
ferent than it has in previous years.  
They have been practicing about an  
hour every day for the past week.

After the girls' game the boys'  
team will clash. Maupin hopes to  
make a good showing.

### No More Tardiness

The janitor evidently thought he  
was to blame for so many tardies  
during the past week. Monday  
morning he turned a new leaf and  
began ringing the bell so the tones  
would be distinctly heard. The bell,  
not being used to such treatment,  
dropped its tongue. A ladder was  
rushed to the scene. The human  
fly, Elton Snodgrass, volunteered to  
man the icy roof. Brave as he is he  
could not climb the treacherous  
slope. When the run was higher he  
summoned courage and climbed the  
roof. He replaced the clapper and  
oiled the bearings. Now that the  
cause of tardiness has been removed,  
we hope for a clean record for the  
coming weeks.

### Grade Notes

All the grades are preparing for  
the regular six weeks tests.

Margaret Peterson is back in Mrs.  
Joynts' room after a week's illness.  
Earnie Confer is absent on ac-  
count of illness.

Miss Harris' pupils have all re-  
covered from the flu and are back  
at school.

The junior basketball team is  
organized and under way, making  
preparations for the coming games.  
The first game will be against Wa-  
pinitia's first team. Boys who are in  
High school and eligible will join  
forces with the boys of the Seventh  
and Eighth grades. The minstrel  
show has been delaying practice but  
as soon as it is over, the boys will  
be allowed more than their custo-  
mary forty minutes practice.

## Maupin High School Minstrels Ready To Show Their Talents

Melodious Maupin Minstrels Mingle  
Music, Mirth and Mimicry on  
Municipal Market

One week from tomorrow night—  
January 25—Maupinites will be  
treated to the greatest entertain-  
ment ever attempted in this part of  
Oregon, when the Maupin High  
school minstrels hold forth at Le-  
gion hall.

The show will cover approximately  
two hours and will give each member  
of the school a chance to show what  
talent he or she possesses. There  
will be solos, choruses, skits, end  
men gags, in instrumental music and  
everything else that goes with an  
up-to-date minstrel show.

Perhaps the outstanding feature  
of the performance will be the skit-  
"Jerry or a Family Resemblance"  
in which four of the students will  
demonstrate a versatility seldom  
seen among amateurs. The cast of  
the skit follows:

Jerry Worthley, a collegian.....Rich-  
ard.  
Avis Worthley, his sister.....Beth  
Profes or Holton, a botanist.....Eldon  
Miss Huldah Peasley, the great aunt  
of Avis and Jerry.....Aliene

This play is full of fun for every-  
one from start to finish. Watch  
Richard play the part of his great  
aunt.

Says Mr. Ham Bone: "Ah have  
set de time fo dis heah minstrel as  
January 25, and ah sho does wan'  
see yo' all right deah when ah starts  
singin'. It sho will make yo' mout

great minstrel will be jes like yo'

see us Southerners.

Admission will be 25 and 50 cents.

## TYGH SMOKER WON FANS

Balanced Card Made Fast Bouts—  
Attendance Good

The smoker sponsored by the  
Tygh Valley High school at that  
place last Saturday night was well  
attended and greatly appreciated.  
The full card was pulled off and  
some fast bouts caused those pres-  
ent to sit up and take notice.

The fight between Floyd Hollamon  
and Cowboy Baxter, the main event,  
was all that and then some. Bax-  
ter made a good impression at the  
last Legion smoker here and some  
were of the opinion he was more  
than a match for Floyd. The lat-  
ter, however, clearly demonstrated  
he knew a whole lot about the box-  
ing game, as he had Baxter in  
trouble in the first round and in the  
second frame proceeded to do his  
work right. Only the bell saved the  
cowboy from a knockout. The next  
round, the closing one of the smok-  
er, saw Baxter stretched on the  
loor, he having been made to see  
stars and to hear the birdies sing  
by a hard right sent by Hollamon  
to the button. While no decisions  
were allowed the knockout was com-  
plete and showed that it takes a  
mighty good man to stow Floyd  
away.

The promoters of the Tygh smok-  
er are to be congratulated on the  
leaness of the affair, there having  
been no rough stuff, the rules of the  
game being followed religiously by  
each contestant.

## SENATOR GETS APPOINTMENTS

Gets on Printing, Commerce, Navi-  
gation and Fishing Committees

The Chapman Reporting Service  
sends The Times the following rela-  
tive to the appointments received by  
Wasco's senator, Henry L. Kuck, at  
the hands of President Norblad of  
the senate. The service says:

Senator Henry L. Kuck who is  
representing Wasco county at this  
Legislative session was appointed

the opening session on Monday. He

on commerce and navigation and  
fishing industries, and a member of  
the committees on game, public  
buildings and institutions, federal  
relations, and ways and means, mak-  
ing in all seven appointments.

Senator Kuck is living at the State  
Apartments, Apt. 6, 1320 State  
street, during the session and his  
phone number is 2034. Mrs. Kuck  
is here with her husband for the en-  
tire term.

## M'DONALD LECTURE APPRECIATED BY MAUPINITES

Wit, Humor, Pathos With Excellent  
Delivery Stamps Speaker as  
One of The Best

The lecture delivered by Sanford  
MacDonald at Legion hall last even-  
ing was one of the best ever heard  
from a platform. A large and ap-  
preciative audience greeted the  
speaker and his message was listened  
to with wrapt attention.

The evening's entertainment open-  
ed with an instrumental duet by the  
Misses Helen Weberg and Nova Hed-  
lin, after which Maupin's lady quar-  
tette, Mesdames Bothwell, Morris,  
Wilson and Woodcock, rendered a  
song, Miss Weberg being accom-  
panist.

Dr. Stovall, Scout leader, then  
called his troop members to the  
platform and pinned "Tenderfoot"  
badges on them, interspersing that  
et with words of praise and advice  
regarding their conduct as members  
of the great order.

Dr. Short then sang a song and he  
was followed by the quartette. Dr.  
Stovall then, in a few well chosen  
words, introduced the speaker of the  
evening, who at once opened his  
talk with some pleasing remarks  
anent the Boy Scout.

Dr. MacDonald's topic was "The  
Peptomist," and he proceeded to  
show how such dominate all things.  
He compared the optimist and pep-  
tomist with the pessimist and lauded  
the entrance of women into matters  
of moment concerning the whole  
country. His remarks were inter-  
persed with wit, humor and pathos,  
each anecdote being timely and in  
keeping with the points sought to be  
made. Lack of space compels us to  
be brief regarding the lecture. In  
conclusion we will say that the  
lecture was one of the ablest, truest,  
most forcible and at the same time  
enlivening The Times man has listen-  
ed to in many years.

Dr. MacDonald occupies a promi-  
nent place on the American lecture  
platform and those place: able to se-  
cure his services are to be congratu-  
lated. His voice is clear, enuncia-  
tion plain, personality magnetic and  
platform presence all that could be  
desired. We hope he may at some  
future time be secured to again  
talk to a Maupin audience.

## Off Trap Line—

Dave Donaldson is at home again  
after three months spent in the vi-  
cinity of Antelope, trapping. Dave  
says he had fair luck but did not  
catch enough fur to stock a very  
large warehouse, at the same time he  
cleared sufficient to stake himself to  
a few spinners and fish hooks.

## Attended Camp Meeting—

A number of members of the Tygh  
Valley Encampment attended an in-  
stallation meeting of the order at  
Tygh Valley on Monday evening.  
Those going from here were F. D.  
Stuart, Chas. Crofoot, Dr. Elwood,  
R. E. Wilson, B. W. Welch, James  
Chalmers and LaVerne Fischer. The  
officers installed were:

Guy Brittain—H. P.  
James Chalmers—C. P.  
R. E. Wilson—S. W.  
F. D. Stuart—J. W.  
Chas. Crofoot—Scribe.  
Dr. Elwood—Treasurer.

## Running Dairy Ranch—

Mary Stuart has leased a ranch at  
Colville, Washington, stocked it with  
fine dairy cattle and is now conduct-  
ing a dairy ranch. Mark was at  
work in a Spokane meat mrket for  
some time but the call of the ranch  
proved too strong, hence his latest  
venture.

## Will Ship Hogs—

L. C. Henneghan will go to Port-  
land Saturday night, going down with  
a carload of fine spring hogs to the  
Portland stockyards. Lew says this  
shipment will be one of the best he  
has made, the porkers being in first  
class condition and weighing accord-  
ing to market demand.
