### FLU EPIDEMIC IS ABATING

State Board of Health Reports  
Cessation of Cases

The report of the state board of  
health, for the week ending January  
19, shows a cessation of flu cases in  
the state. There were 284 such re-  
ported to the bureau for last week.  
Wasco county reporting two of them.  
On December 8th there were 1,344  
cases reported in the state, and on  
December 29, 2,513 cases were being  
taken care of. January 12 the epi-  
demic had subsided so that but 741  
cases were on the list.

Wasco county is the most health-  
ful of the state, or our physicians  
are backward in reporting cases.  
Besides the two cases of flu there  
was one case of pneumonia reported  
from this county, and no other ail-  
ments mentioned.

### INFLUENZA "PREVENTATIVES" AND "CURES", FRAUDULENT

U. S. Department of Health Will  
Take Measures to Curb Foist-  
ing Such on Public

"It is the intention of the Food,  
Drug and Insecticide administration  
to take immediate action under  
the food and drugs act against all  
preparations represented by label or  
by circular accompanying the pack-  
age as preventatives or treatments of  
influenza, la grippe, pneumonia and  
related diseases," W. G. Campbell,  
Director of Regulatory Work of the  
United States Department of Agri-  
culture, said recently.

"There is a widespread and proba-  
bly a fully justified public appre-  
hension about influenza, and some  
manufacturers have not hesitated to  
take advantage of this situation by  
advertising their preparations in  
every available quarter as preven-  
tives or cures for the disease. Un-

fortunately, the food and drugs act  
does not reach false advertising  
statements appearing in the press, or  
in any advertising medium not in-  
cluded with the package of the  
preparation itself. The food and  
drug enforcing authorities are,  
therefore, powerless to check such  
misleading advertising, serious as the  
consequences may be in the case of  
those who are led to depend on such  
ineffective products and neglect the  
hygienic precautions recommended  
by public health authorities such as  
isolation, rest, sleep, diet and proper  
ventilation.

"It is a fact generally accepted  
by medical authorities, based on  
world-wide medical experience,"  
added Mr. Campbell, "that there is  
no known drug or combination of  
drugs which will prevent or cure in-  
fluenza. Products labeled as ef-  
fective for this purpose will unhesi-  
tatingly be classed as misbranded  
within the meaning of the food and  
drugs act and treated accordingly.

"It may not be amiss to add," said  
Mr. Campbell, "that manufacturers  
are usually cautious about putting  
unwarranted claims upon the labels  
of their products, knowing that they  
under themselves liable under the  
food and drugs acts, and those who  
are inclined to take advertising  
claims at face value will frequently  
find that the labels themselves, or  
the circulars accompanying the pack-  
ages of the drugs, do not repeat  
these claims."

### End of "Dad" Coale—

As an after effect of an attack of  
paralysis E. C. (Dad) Coale died at  
the Wasco county farm Tuesday  
afternoon. Dad was well known  
character of this section and had  
friends by the score. Up to his  
paralytic attack he had been en-  
gaged in pelt buying for several  
years, also putting in several win-  
ters trapping in the mountains. The  
Times will endeavor to publish his  
obituary in next week's issue.

### Home After Operation—

Miss Doris Talcott, daughter of  
Mr. and Mrs. Dee Talcott, is at her  
parent's home after a sojourn at  
Portland. Miss Doris was lately  
operated upon for appendicitis at  
St. Vincent's hospital, and has so  
far recovered as to be able to re-  
turn home for recuperation.

Condon-Texas Oil company will  
construct 20,000 gallon tank, ware-  
house and garage in this place.

### WASCO COUPLE IS MARRIED

Lewis Derthick and Miss Myrtle  
Myers Marry at Portland

Word has been received here of  
the marriage last Thursday of  
Lewis H. Derthick and Miss Myrtle  
Myers, one of the popular mem-  
bers of the younger element of  
The Dalles. While the marriage  
was not entirely unexpected, still  
coming without notice some-  
what astounded friends of the con-  
tracting couple, and caused them  
some surprise.

The groom is the eldest son of  
O. B. Derthick, born and raised in  
this vicinity. He learned the  
dugger's profession under the  
tutelage of Dr. L. S. Stovall, in  
whose drug store he worked for a  
number of years. He later went to  
Bend, where he was employed in a  
drug store and from there entered  
the employ of the Crosby store at  
The Dalles. There he met his fu-  
ture wife and from that time love's  
young dream culminated in the  
ceremony of last Thursday. He is  
one of the native sons who is fa-  
vorably known to most of the peo-  
ple of this section and who will wish  
him unbounded happiness in his new  
relation.

Lewis' bride is one of the popu-  
lar young ladies of The Dalles. She  
is a daughter of one of the oldest  
residents of the county and a  
young lady whose attainments have  
been a resumé to the best society of  
the city.

The Times joins with many  
friends of the couple in wishing  
them a long life of unalloyed  
happiness.

### Imagined Severe Weather—

Carl Spickerman drove into town  
yesterday with a truckload of goods  
for Maupin merchant. When asked  
concerning the weather on top of  
Tygh Rigo Carl replied he was cer-  
tain it was 40 degrees below zero, at  
least it seemed so to him, while rid-  
ing in the cab of his truck.

### Will Brighten Store—

Oliver Resh has taken all the  
decorative cans from top of the  
shelves encircling his store, mopped  
off the top of the frames and will  
soon proceed to kalsomine the ceil-  
ing and the side walls. This will  
brighten up the interior and make  
his store much lighter.

### Death of Mrs. Barkham—

Word was received here of the  
death of Mrs. A. J. Barkham, which  
occurred at her home at Hood  
River on Thursday, January 17.  
Mrs. Barkham had been ill for many  
years, having been afflicted with  
dropsy, and her death had been ex-  
pected for some time. Besides her  
widower she leaves a daughter and  
a son, the former married and liv-  
ing at Metolius, the son being at  
home.

### Pine Grove News

Ben Richardson's well has gone  
dry. Ben has supplied a number of  
this neighborhood with water for  
about 30 days, the school janitor  
having been among the number  
getting drinking water from Ben's  
well. Our worthy service station  
man says he is thinking of holding a  
well digging bee one of these days,  
and will call upon those he has sup-  
plied with water to assist in sinking  
the well to the lower water table.

Lillian Washburne is still at the  
Brown home.

Tim and Dewey Linn are again  
hauling lumber from their mill.  
They reported that the cold weather  
recently frozen up two of their auto  
batteries.

Wm. Moore, onion king of Pine  
Grove, has sent orders for the large,  
sweet, mild onions the neighbor-  
hood is growing more and more  
yearly.

Carl Powell and Andy Booth have  
broken a trail through the Dane tim-  
ber tract since the low temperature  
prevailed, and are again making  
wood.

Mrs. and Nova Hedin spent the  
week end at Pine Grove.

Hazel and Lee Laughlin spent the  
week end at home, returning to Wa-  
pinitla for school Sunday afternoon.

Mrs. Lester West, teacher at Pine  
Grove, has managed to drive from  
her home to school so far this win-  
ter. The new highway makes such  
travel possible.

Ed. Davis is still hauling oak  
wood to Maupin.

Walter Sharp is up and out again  
after a siege of the flu.

John Davis is visiting with his  
parents at Pine Grove.

### Wapinitla Items

Safety, silence and  
simplicity are features  
of the new Ford  
six-brake system

ONE of the first things you  
will notice when you drive  
the new Ford is the quick,  
effective, silent action of its  
six-brake system.

This system gives you the  
highest degree of safety and  
reliability because the four-  
wheel service brakes and the  
separate emergency or park-  
ing brakes are all of the  
mechanical, internal ex-  
panding type, with braking  
surfaces fully enclosed for  
protection against mud,  
water, sand, etc.

The many advantages of  
this type of braking system  
have long been recognized.  
They are brought to you in  
the new Ford through a  
series of mechanical im-  
provements embodying  
much that is new in design  
and manufacture. A particu-  
larly unique feature is the  
simple way by which a spe-  
cial drum has been con-  
structed to permit the use of  
two sets of internal brakes  
on the rear wheels.

A further improvement  
in braking performance is  
effected by the self-center-  
ing feature of the four-  
wheel brakes—an  
exclusive Ford de-  
velopment. Through

this construction, the entire  
surface of the shoe is  
brought in steady, uniform  
contact with the drum the  
instant you press your foot  
on the brake pedal. This  
prevents screeching and  
howling and makes the Ford  
brakes unusually silent in  
operation.

Another feature of the  
Ford brakes is the ease of  
adjustment.

The four-wheel brakes  
are adjusted by turning a  
screw conveniently located  
on the outside of each brake  
plate. This screw is so  
notched that all four brakes  
can be set alike simply by  
listening to the "clicks."

The emergency or park-  
ing brakes on the new Ford  
require little attention. How-  
ever, should they need ad-  
justment at any time, con-  
sult your Ford dealer for  
prompt, courteous, and eco-  
nomical service. He works  
under close factory super-  
vision and he has been spe-  
cially trained and equipped  
to help you get the greatest  
possible use from your car  
over the longest period  
of time at a mini-  
mum of trouble and  
expense.
